THE WORLD.

The world is good in its own poor way. The earth is not happy, as the world might be.

Why is it? Why is it? O, answer me! The Cross shines fair, and the church bell rings.

Why is it? Why is it? O, answer me! What lackest thou, world? for God made thee of old.

Why is it? Why is it? O, answer me! Who shall make thy love hot for thee, frozen old world?

Why is it? Why is it? O, answer me! For the love of dear Jesus is little in thee.

Why is it? Why is it? O, answer me! Remember that Christ must have His own way.

Why is it? Why is it? O, answer me! But the love of God would do all for thee.

Expensive Coffee.
Some days ago Mrs. E. B. Higgs lost the diamond set out of a very handsome ring that she wore. Deligent search was made for the set but it could not be found. Later Mrs. Higgs was grinding coffee and noticing some shining particles mixed in the coffee as investigation was made iron revealed the fact that the diamond had been literally ground to fragments in the mill.

Dry Mule.
A negro boy and a mule—good companions—created some merriment up the street Friday afternoon. The mule did not want to go the same way the boy was going, wheeled around with the boy, danced a figure or two on the sidewalk, then tried to walk backwards into a bar room. Missing the door the mule took a lean on his haunches against the side of the house.

The matrimonial market was dull last week. The price of business remains the same, but only three couples applied to Register of Deeds King last week for them. Of these two were white and in the same families. They were Ed. Morgan and Lougenia Hedgepeth, Wm. Hedgepeth and Margaret Morgan. The colored applicants were Alex Jones and Victoria Greene.
Rev. Wm. B. Oliver.
The services which have been held at the Baptist church here the past ten or twelve days have been of such a character that they will result in much good to the community. There have been no high pressure methods resorted to for the purpose of counting converts. Mr. Oliver's preaching has been as fine as this town has ever heard and as purely Gospel as that of the Apostles. His presence and work has been a benediction to the town and will produce results in the lives of those who heard him. Such a man and such work are a blessing to every place. He will long be remembered here as a sweet, earnest christian minister and many a life will bless his coming.
Everybody got so interested in the races Friday afternoon that the Biffes could not get enough members together for a drill.

Two Estimable Ladies Pass Away.
MRS. S. C. HAMILTON, JR.
Shortly after Mr. S. C. Hamilton received the telegram from Asheville, Saturday afternoon, announcing that Mrs. Hamilton was growing worse, he received another message bringing the sad information that his wife passed quietly away at half past four o'clock. Mr. Hamilton left for Asheville Sunday morning and will take the remains to Newbern for interment. In his sore bereavement Mr. Hamilton has the warmest sympathy of a host of friends here.
While living in Greenville Mrs. Hamilton very greatly endeared herself to our people and all deeply regret her death. For sometime she had been quite sick with consumption and went to Asheville a few weeks ago in the hope that she would be benefited by the change.
MRS. NANCY SUGG.
Sunday morning at 5 o'clock at the home of her son-in-law, Maj. Henry Harding, in this town Mrs. Nancy Sugg fell peacefully asleep in Jesus. She was the devoted wife of Mr. B. H. Sugg and was in her 82nd year, being born Feb. 13th, 1814. She was married to Mr. Sugg May 20th, 1840, their wedded life covering a period of fifty-five years, lacking a few days. They celebrated their golden wedding five years ago this May. Eight children were born to them, four of them now living. These are Col. J. A. Sugg, Messrs. B. F. and J. L. Sugg, and Mrs. Heary Harding.
Mrs. Sugg was Miss Nancy Cunningham before marriage, and was an aunt of Revs. Jesse and W. L. Cunningham, of the N. C. Conference. She joined the Methodist church at an early age and through life was a consecrated follower of her Saviour. She was a sweet, pure, noble Christian woman, and came to the close of life in full realization of the Redeemer's presence with her and a bright hope in the blessed immortality beyond. She was conscious to the last, recognized the approach of death, and expressed her readiness to meet the summons and go to be with Jesus. How beautiful is such faith! What an inspiration to higher christian living is the example this good woman left to the world!
The remains of Mrs. Sugg were interred in Cherry Hill Cemetery this afternoon at 4 o'clock, Messrs. J. R. Mose, James Brock, Zeno Moore, G. E. Harriss, Wiley Brown and A. B. Ellington, being pall bearers. Funeral services were conducted by Revs. G. F. Smith and A. Greaves.
May our loving Heavenly Father sustain and comfort the aged husband, the children and relatives in their loss.

Dry Mule.
A negro boy and a mule—good companions—created some merriment up the street Friday afternoon. The mule did not want to go the same way the boy was going, wheeled around with the boy, danced a figure or two on the sidewalk, then tried to walk backwards into a bar room. Missing the door the mule took a lean on his haunches against the side of the house.
The matrimonial market was dull last week. The price of business remains the same, but only three couples applied to Register of Deeds King last week for them. Of these two were white and in the same families. They were Ed. Morgan and Lougenia Hedgepeth, Wm. Hedgepeth and Margaret Morgan. The colored applicants were Alex Jones and Victoria Greene.
Rev. Wm. B. Oliver.
The services which have been held at the Baptist church here the past ten or twelve days have been of such a character that they will result in much good to the community. There have been no high pressure methods resorted to for the purpose of counting converts. Mr. Oliver's preaching has been as fine as this town has ever heard and as purely Gospel as that of the Apostles. His presence and work has been a benediction to the town and will produce results in the lives of those who heard him. Such a man and such work are a blessing to every place. He will long be remembered here as a sweet, earnest christian minister and many a life will bless his coming.
Everybody got so interested in the races Friday afternoon that the Biffes could not get enough members together for a drill.

DEATHS.

Two Estimable Ladies Pass Away.
MRS. S. C. HAMILTON, JR.
Shortly after Mr. S. C. Hamilton received the telegram from Asheville, Saturday afternoon, announcing that Mrs. Hamilton was growing worse, he received another message bringing the sad information that his wife passed quietly away at half past four o'clock. Mr. Hamilton left for Asheville Sunday morning and will take the remains to Newbern for interment. In his sore bereavement Mr. Hamilton has the warmest sympathy of a host of friends here.
While living in Greenville Mrs. Hamilton very greatly endeared herself to our people and all deeply regret her death. For sometime she had been quite sick with consumption and went to Asheville a few weeks ago in the hope that she would be benefited by the change.
MRS. NANCY SUGG.
Sunday morning at 5 o'clock at the home of her son-in-law, Maj. Henry Harding, in this town Mrs. Nancy Sugg fell peacefully asleep in Jesus. She was the devoted wife of Mr. B. H. Sugg and was in her 82nd year, being born Feb. 13th, 1814. She was married to Mr. Sugg May 20th, 1840, their wedded life covering a period of fifty-five years, lacking a few days. They celebrated their golden wedding five years ago this May. Eight children were born to them, four of them now living. These are Col. J. A. Sugg, Messrs. B. F. and J. L. Sugg, and Mrs. Heary Harding.
Mrs. Sugg was Miss Nancy Cunningham before marriage, and was an aunt of Revs. Jesse and W. L. Cunningham, of the N. C. Conference. She joined the Methodist church at an early age and through life was a consecrated follower of her Saviour. She was a sweet, pure, noble Christian woman, and came to the close of life in full realization of the Redeemer's presence with her and a bright hope in the blessed immortality beyond. She was conscious to the last, recognized the approach of death, and expressed her readiness to meet the summons and go to be with Jesus. How beautiful is such faith! What an inspiration to higher christian living is the example this good woman left to the world!
The remains of Mrs. Sugg were interred in Cherry Hill Cemetery this afternoon at 4 o'clock, Messrs. J. R. Mose, James Brock, Zeno Moore, G. E. Harriss, Wiley Brown and A. B. Ellington, being pall bearers. Funeral services were conducted by Revs. G. F. Smith and A. Greaves.
May our loving Heavenly Father sustain and comfort the aged husband, the children and relatives in their loss.

Oh, These S eaves!
What it troubles the ladies when they get caught out in a shower. Umbrellas are not large enough to cover their sleeves. Some smart fellow might strike it rich by inventing, about a 10 feet spring canopy that could be folded into a small package and thrown open in case of emergency.
Fashions Return.
A day or two ago while looking over some articles preparatory to house cleaning Mrs. M. D. Higgs found some small hair combs that were worn by her mother and quite fashionable when the latter was a young lady. The same style of comb is now again very much in fashion.
Two Washington Marriages.
Our friend of former days, Mr. R. Lee Bonner, of Washington, was married Tuesday evening to Miss Mary Best, of Beaufort county. THE REFLECTOR extends best wishes.
Wednesday night in Washington Dr. A. S. Wells was married to Miss Florence Spencer, sister of Mr. George A. Spencer, the genial proprietor of Hotel Nicholson.

FIRE COMPANY ORGANIZED.

Officers Elected—Only 34 Members Which is not a Good Showing.
After two previous unsuccessful attempts the Greenville Fire Company was organized Wednesday evening with the following officers:
Foreman—A. J. Griffin.
1st Asst.—F. M. Hodges.
2nd Asst.—R. D. Cherry.
Treasurer—W. L. Brown.
Secretary—O. L. Joyner.
The Chief of the fire department has to be appointed by the Town Councilmen at the suggestion of all the fire companies in the town. The name of S. T. Hooker was suggested for that position and a committee of three was appointed to confer with Capt. Ed. Latham of the Hook & Ladder Company. If the two companies agree on Mr. Hooker the two captains will take his name before the Council and request his appointment.
The company adjourned to meet in the Mayor's office Friday evening at 8 o'clock.
A very noticeable feature in organization of this company is the absolute lack of interest manifested by the property owners of the town. Of the thirty-four names that have been enrolled twenty-four are young men who have no property subject to be destroyed by fire. What is more noticeable, the property owners not only do not help to make a good company but take no interest whatever in it. When asked to join and help make the company, they say they have not the time but will help when a fire breaks out. Oh, what an expression! Now to those who own property here: can you expect these men who have nothing at stake to protect your interest when you show plainly that you do not appreciate their help. When by worse than silence you condemn the action of the Councilmen in getting the engine they did, how can you expect any favors or advantages from a fire company?
Nothing that has ever been done has satisfied everybody, and never will until the advent of the millennium, so this writer for one believes in accepting what we have got and make the best of it until we can get something better, which will be very soon if this is a success. There are a few people who can accomplish wonders by talk and if let alone long enough will talk themselves and everything with which they have anything to do to death.
We sincerely hope to see more interest shown in this much needed organization in Greenville. If our merchants cannot join themselves they certainly can let their clerks help us out. If they cannot do that much they should not hinder the movement by talking it down. We are determined to have a fire organization that will be a credit to the town, so if you cannot be for us do not be against us.
Fire Companies.
What is a fire company? Ans.—A body of men organized to put out fires.

CURE FOR DRUNKENNESS
A Dose of Common Epsom Salts Kills the Effects of Whiskey.
Mr. Alfred Forbes tells us that he thinks he has accidentally discovered a cure for drunkenness, at least something that kills the effects of whiskey. The other day a man lately under the influence of liquor staggered into his store and asked that something be given him, complaining that he felt bad. Thinking to get rid of the man Mr. Forbes said "I will give you a dose of salts if you want it." The man agreed to take the salts, it was sent for, he drank it and staggered away.
About twenty minutes later the man was seen going by the store walking straight and apparently as sober as any man on the street. The sudden change in condition of the man was spoken about, and concluding that the salts must have had something to do with it a dose was given to another drunk man. This man reported afterwards that in a very short while from taking the salts all effect of the whiskey left him.
If the taking of a simple dose of epsom salts had such an effect as this upon persons under the influence of whiskey it is worth giving a trial by others. We remember to have several times heard a druggist say that salts was the greatest medicine in the world, and if in addition to its other virtues it proves to be in reality a cure for drunkenness it will make for itself a still greater reputation. If any others try a dose of it with the same result as these two cases they should let it be known.

Saturday morning while J. L. Starkey & Co's drayman was getting goods at the depot the horse took flight and ran away. Pieces of the dray were scattered around prominently but no material damage was done. The animal freed himself before getting out to Dickerson avenue and came down to the stable at full speed.
