ALMA MATER

Praise to your name so fair,
dear old East Carolina
Your joys we'll all share,
and your friends we'll ever be.
We pledge our loyalty
and our heart's devotion
To thee, our alma mater, love and praise.

COMMENCEMENT SPEAKER

Michael R. Ferrari

President, Drake University, Des Moines, Iowa

A native of Pennsylvania, Dr. Michael Ferrari received his Bachelor's Degree in Social Sciences, Master's Degree in Sociology, and his Doctorate in Business Administration from Michigan State University. His administrative experiences include appointments as Provost at Wright State University in Dayton, Ohio, Interim President at Bowling Green State University, Bowling Green, Ohio, Provost and Executive Vice President, BGSU, and Vice President of Resource Planning, BGSU. In addition to his duties as President of Iowa's largest independent university, Dr. Ferrari is a Professor of Management at Drake University. He has received numerous research grants which include an award from Diebold Corporation in 1983 for the development of an Assessment Center for management and supervisory personnel. Funding by Carnegie Corporation enabled a Revised Freshman Year Program Project at Bowling Green State University. Interested in new horizons of growth for his community and the state of Iowa, Dr. Ferrari presently serves on the Des Moines Chamber of Commerce Legislative Task Force on Education, Board of Directors, Norwest Bank, Des Moines, the Executive Committee of the Bureau of Economic Development, Des Moines, the Iowa Association of Independent Colleges and Universities, and numerous other public, and civic organizations. Selected professional presentations include "Economic Development and Education for Iowa," "Opportunities for Women in Higher Education Administration," "Civil Rights and Education: Bridging the Gap," and "National Study of Cooperation Between Higher Education and Industry."

Recognized for his outstanding leadership in education, he has won many honors, including Outstanding Administrator of the Year, 1978-79, 1981-82, and 1983-84. Selected by faculty of Bowling Green State University's School of Art for contributions to art education in Northwest Ohio, Dr. Ferrari received the "Il Magnifico" Award in 1981-82. For his contributions to career counseling and placement services for undergraduates, he was honored with the Karel King Placement Award for 1978-79. Dr. Ferrari is listed in *Who's Who in America, Who's Who in the World, The Directory of Distinguished Americans,* and *American Men and Women of Science: The Social and Behavioral Sciences.* Dr. Ferrari's consulting relationships with industrial and health care enterprises such as Marathon Oil Company, Blue Cross of Northwest Ohio, Toledo Mental Health Center, and B.F. Goodrich Company include executive and staff development seminars on motivation, communication, time management, leadership, and organizational development.

He and his wife, Janice, reside in Des Moines and have two children, Elizabeth Anne, 18, and Michael, 15.

Dr. Michael R. Ferrari's vita speaks of one who diligently works towards the enrichment of his community, his state, and his profession. It is a distinct honor for the University to have him as our 1987 Commencement speaker.

The Academic Procession

For the benefit of our visitors the following information digested from "An Academic Costume Code and Ceremony Guide" prepared by the American Council on Education, may prove helpful in identifying the costumes you will see in the Commencement Procession.

The history of academic dress reaches far back into the earliest days of the oldest universities. A statute of 1321 required that all "Doctors, Licentiates, and Bachelors" of the University of Coimbra wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges prescribed the wearing of a long gown. When American colleges and universities desired to adopt some suitable system of academic apparel, a conference held at Columbia University in 1895, made up of representatives from various institutions drew up a "By-Law, Regulation, or Statute" for the establishment of a suitable code of academic dress for colleges and universities in the United States. This code, with modifications made in 1959 by The committee on Academic Costumes and Ceremonies of The American Council on Education, is still in force; the costumes and colors, trimmings, and patterns you will see are all traditional, and interpret both the degree and field of learning. The bachelor's gown, designed to be worn closed, has pointed sleeves, the master's gown, which may be worn open or closed, has an oblong sleeve open at the wrist which hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has the arc cut away. The doctor's gown has bell-shaped sleeves. It may be worn open or closed.

Black is the recommended color for all academic gowns. Bachelor's and master's gowns are untrimmed. Doctor's gowns are faced with black velvet, with three bars across the sleeves; or the color of the velvet may be that which is distinctive to the degree, agreeing with that of the edging of the hood. The colors you will see in the hoods and gowns of our faculty represent the various fields in which the degrees were taken:

Apricot:	Nursing	Maroon:	Home Economics
Brown:	Fine Arts	Olive-Green:	Pharmacy
Citron:	Social Work	Orange:	Engineering
Crimson:	Journalism	Pink:	Music
Dark Blue:	Philosophy	Purple:	Law
Golden Yellow:	Science	Sage Green:	Physical Education
Green:	Medicine	Salmon Pink:	Public Health
Lemon-Yellow:	Library Science	Scarlet:	Theology
Light Blue:	Education	Yellow-Brown:	Commerce, Business, Accountancy
Lilac:	Dentistry	White:	Arts, Letters, Humanities

The hoods, differing in length for the three degrees, bachelor's, master's, and doctor's, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. Hoods are edged and bound with velvet of the color appropriate for the degree. You will see in our procession many edged with dark blue, for doctor of philosophy.

Mortarboards are the approved headgear. The tassel, worn on the left side of the cap, may be of gold if the holder has a doctor's degree.

In the procession, first come the faculty; then the candidates for degrees arranged in the order in which the degrees are to be conferred; and finally the speakers, trustees, administrative officers, candidates for honorary degrees, and other members of the platform party.
