Capt Harrow
Comndg
Troops at Portsmouth

Dear Sir

Will you have the kindness to aid the Schooner Alonia, Capt Naughton in landing, (by means of an decked Flat) the 9 Gun carriages, intended for the Battery, on the Point below the Hospital (opposite side of Creek.)

Also the Cone She has on board at a convenient point above in front of Hospital.

The Guns You men are lighter-ing off, will also be landed on the point where the carriages go.

very Truly Yours
