Hello Frank.

Just a few lines to let you know that I am
feeling fine & hope to hear the same. It's been quite
some time since I've received any letters from you.
I don't know what the trouble is but Emily tells me
that you don't get any ~~from~~ from me either. In the
first place your address has been changing a lot.
In fact Emily gave me this address or else I wouldn't
know how to write to you. I hope you don't think
that I don't want to write. Let's forget about all that
what's new with you? Are you assigned to any ship
yet? When do you think you will go to sea. I hear
that Pete Rosti came home for furlough. I thought
he was prisoner of war. Do you know anything
about it? Well I've been overseas 18 months now &
I doubt it if I will ~~be~~ be go home on
furlough. They have been keeping us pretty busy
lately & there's got to be now & then. So don't get
sore if you don't get many letters. I'll write an
open or I can. Lovey Brother. Take care & plenty
of luck.

Brother
Mario
