Dear Frank,

How are you? I am fine except I am sort of disappointed that you did'nt answer my letter and it is a week already and I did'nt recive an answer yet. What is the trouble I told my mother that you said you're going to come down and see me on your next leave and she said that will be nice. I thought I was going to recive my pictures today so I could send you one but they send me a letter that they won't be ready for another week. I would like a picture of you so please send me one of your self. Are you doing a lot of studing lately? I went to see Woody Herman at the Michigan Theater he was pretty good I did'nt care much for the girl vocalist she had a funny voice. But I thought the drummer was pretty good. Have you seen any good shows lately? I recived a letter from Bill Wilson and he said he is

getting tired of Norfolk. How do
you like Norfolk? Bill told me in
his letter that a fella by the
name of Ernie Starsack knows me.
but I don't remember him.
Do you know him?
Well I guess I will end
now till I hear from you.

Love
Del.

P.S. Write soon & take care
of yourself.

Bye now
Pal - La Vasta

Don't forget to write.
