Hello Frank,

I'm glad to hear that you're finally getting my letters. It's about time hey? You're the only one I seem to have trouble with. In fact this letter that I just got from you, went to another outlet first. But it didn't do bad that anyway. So you ever have on another flourish I bet the lads were glad to see you. I hope the big comes soon when I have one to go home. I sure miss everyone. So they closed a few things in my last letter. Well don't worry about it. It's not important. You see what I mean. Every time I try to tell you something it's cut out. That's why I can't say too much & my letters aren't very interesting. Anyway when I get home I could tell you all about it. Listen Frank, how are you fixed for money? Do you need any? I'd love you to just let me know. I'll be glad to help. I still gamble now & then & make some pretty good hits. So I have a little dough saved. Just say the word & it's yours. Well Frank I wish I could tell you more but I guess you know the story. So long & Take care of yourself. Love Frank
