Dear Frank,

I received your letter and was very glad to hear from you. I hope you didn't get scared when you saw that picture of me did you? I bet you're glad that Wilson & Starbuck are on the list because you'll have some one you know so you won't feel lonesome. I am very surprised to hear that you're shipping out. I wish you lots of luck. I'll also be thinking about you. I went to the Michigan Theater to see Glen Gary, he has a pretty good band. I also saw "Cover Girl" that was also good. The right girl will come along some day. Yes I know what you mean I don't blame you a bit. I wouldn't go out with a girl like that either. Tell me honestly what do you think of that stupid looking picture of me? Well Frank I guess I will end now till I hear from you.

Love

Delores (over)
