Dear Frank,

See I'm sorry I didn't write sooner. I'm trying to get my things together before I leave for the mto. next week. You just watch and see if I don't forget the most important thing at the last minute even though I'm starting two weeks before time to get ready. Yesterday I did more walking than anything else. I was supposed to be shopping for a few odds and ends. Well at least I came home with a bathing suit and slacks. I'm feeling fine and a little excited. Why I'm even counting the days till I go. How are you feeling. Do you know that on the 17th it'll be one year that we met. That's a day to remember. How are the boys. They must be pretty busy now. It's dinner time and I have to set the table so I'll say so long for now. Love
J. Mercello
