Dear Frank,

Received your letter written May 22nd and was more than happy to hear from you.

I'm feeling fine and hope this finds you the same.

I'm glad you look forward to getting my letters. I duly wish I could make them more interesting so that they could be worth getting.

You haven't forgotten

about the picture we
saw & gether have you.
Remember how we girls
tried & explain who
Frank Sinatra was. Have
you seen any pictures of
him. I understand he's
going over & entertain the
boys. I don't know if he's
going & the Pacific or
& Europe. But if he
comes there be sure
& see him. Thats the
guy all we girls go nuts
over.

Your letters used & take
long & get here but
now I get them in

seven or eight days.

Say Frank, do you mind if I ask you a few questions. How long are you in the navy? When was the last time you were home? And how about that picture of yours. I'm still waiting for it.

Hey Frank - didn't they make you captain of the ship yet or do you feel comfy for the guy they call Captain and thought you'd let him keep the job.

Still looking for my

cousin, well he's still there and I hope you do meet him

They lifted the midnight curfew here in N.O. Personally I don't care if they never lifted it. I don't stay out much later than that, without an escort.

No work to morrow and am I going to rest. I guess I need my beauty sleep not that it does any good.

How are you and the boys. Send them mine and this girls regards. So You any best regards. Be good and God Bless You.

Love, Josie
