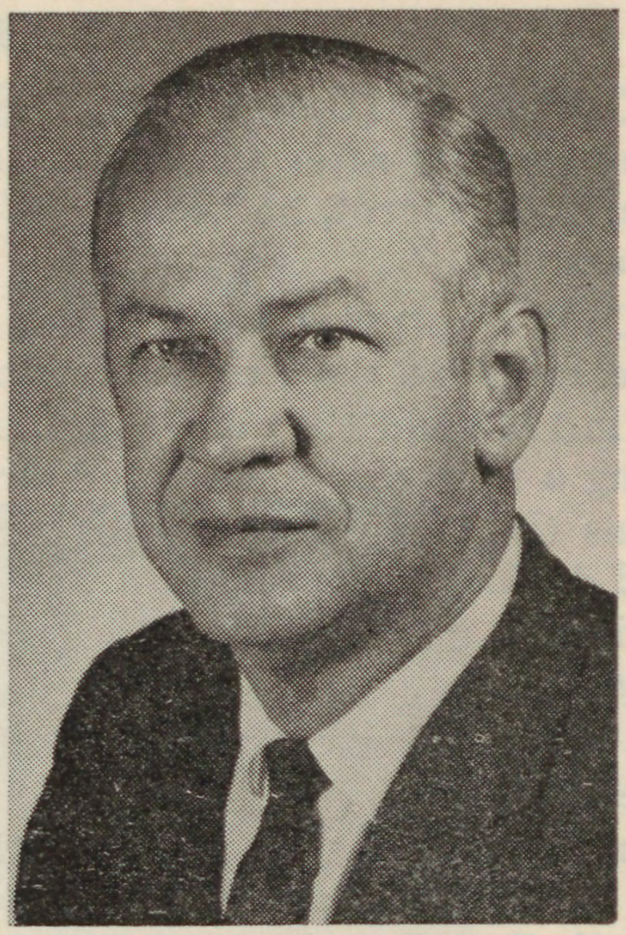
WELCOMES

ALUMNI – FRIENDS – VISITORS



MARC C. WEERSING
President

A Message From Our President

Welcome to Presbyterian College. In behalf of the faculty and student body, may I express our pleasure in having as our guests on campus tonight our alumni and friends as well as visitors with the opposing team.

Whatever the final score, I am sure that we shall enjoy a game which pits vigorous young men against each other in strenuous but friendly competition.

There is a universal appeal to all sports, and football has long held the imagination of the American public. It mixes finesse with spartan hardship, speed and agility with rugged force.

Play upon the athletic field requires a self-discipline and attitude of cooperation which are essential characteristics of future leadership. For this reason, we are proud of the well-balanced sports program conducted here at Presbyterian College. Students who have participated in this program have gone out as alumni to serve as professional and business leaders and in pulpits throughout the world. Many have continued their influence as coaches, and currently more than 50 PC alumni are serving our youth in this capacity in South Carolina alone.

We also take pride in the tradition of sportsmanship long associated with PC athletics. It was first established by the late Walter A. Johnson, who devoted 43 years of his life (1915-58) as athletic director, and sustained by such coaches as Lonnie S. McMillian (1923-60).

The Blue Hose tradition of fighting spirit and fair play is carried on today by Cally Gault, who ran halfback as a student here (1944-48) under Johnson and McMillian, and by his youhtful staff.

May the ball bounce straight for them this year!!

RESTROOM FACILITIES — EAST END OF SOUTH STANDS

CALLY GAULT
Head Coach and Athletic Director

Calhoun F. (Cally) Gault returned to his Alma Mater this year to launch his college coaching career after an outstanding record on the high school field. In succeeding the late Clyde W. Ehrhardt, he became PC's fourth athletic director and sixth head football coach in 48 years.

Cally Gault was one of South Carolina's most successful high school coaches during the ten years he led the North Augusta High eleven. His teams won Class AA state championships in 1958 and 1961 and compiled an over-all record of 88 wins, 13 losses and 7 ties—including a four-year undefeated streak of 42 consecutive games (1954-58). Cault coached at Mullins (SC) High early in his career, was an assistant at North Augusta when army service called during the Korean War, and returned there to direct the program until moving to Presbyterian.

A native of Bamberg, S. C., who grew up in Greenville, S. C., Gault received his bachelor's degree in history from Presbyterian College in 1948. As a student, he earned letters in basketball and baseball and ran halfback for three years under Coach Lonnie S. McMillian, the man who introduced T-formation football to the Southeast and the only other alumnus to serve PC as head coach. Gault also holds a master's degree in education from the University of South Carolina, awarded in 1955.

The new 35-year-old head coach is married to the former Joy Young Godfrey of Clinton. They have two daughters and a young son.

BILLY TILLER
Line Coach

Presbyterian College tapped Alumnus Billy Tiller in 1962 to serve as assistant football coach and head baseball mentor. He is in charge of the Blue Hose forward wall and also instructs in physical education.

Tiller, a native of Mayesville, S. C., and 1955 graduate of PC, coached at Manning High School immediately before returning to PC. His experience also includes three years spent at Hlilcrest High near Sumter and one year of work with the PC staff (in 1960-61 while back taking special courses), with a two-year Army hitch thrown in.

He is married to the former Ruth Pate of Dalzell, S. C.

JIMMY VICKERS
End Coach

Jimmy Vickers, former AllSoutheastern Conference end and University of Georgia alternate captain, is PC's football assistant in charge of the ends and pass offense. He alo serves as head track coach and physical education instrutor.

Now beginning his second year at Presbyterian, Vickers came here from his position as assistant coach at Terry Parker High School in Jacksonville, Fla. His experience also includes a year as assistant coach at the University of Georgia and at Jacksonville's Landon High.

A native of Moultrie, Ga., where he attended high school, Vickers was graduated from Georgia with a BS degree in 1960. He is unmarried.

ART MUSSELMAN
Assistant Coach and Head Scout

Art Musselman begins his first year on the Blue Hose athletic staff this seaon as head basketball coach and football assistant with primary duties as a scout. He came to PC after three years as a US Marine Corps Lieutenant (1960-63).

Musselman received his BA degree in 1960 from The Citadel, where he won All-South ern Conference honors as a basketball player for three years. A native of Huntington, Ind., he is married to the former Jackie Tackett, and they have a young daughter.

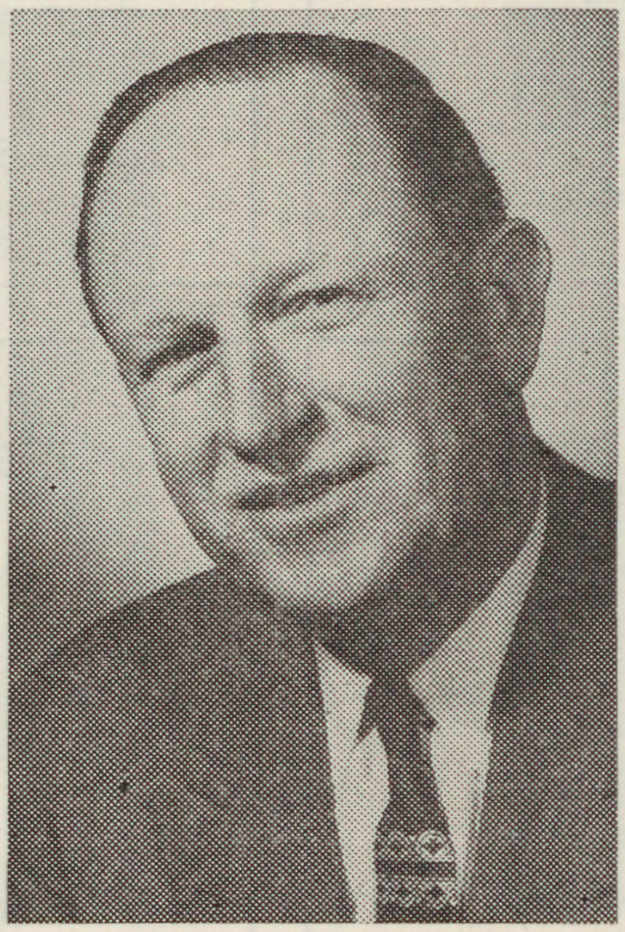
Greetings

From

The Walter Johnson Club



ROSS TEMPLETON
President

As president of the Walter Johnson Club I want to extend a sincere welcome to each of you. We trust that you will come back to see us often and that you will look over and investigate other phases of the college. The new President of the college, Dr. Marc Weersing, is truly a friend of our athletic pogam. He is vitally interested in the athletic program as well as the academic program. To have a good college we must have a well balanced program. That is what we are striving for.

At a recent meeting of the Executive Council of the Walter Johnson Club it was noted that we now have more members of the Walter Johnson Club than we have ever had at this time of the year. The Secretary-Treasurer told us that more money had been contributed so far this year than ever before. This shows that alumni and friends of Presbyterian College are more interested than ever before in seeing that we continue to have a good athletic program at Presbyterian College. I might also add that the average contributions are quite a bit larger than usual. This is very encouraging.

As you look at our football squad, you will see some individuals who have no athletic scholarships. They came to Presbyterian College in order to get an education and along with that academic education they decided that they wanted to participate in football. Many of you know that our new Head Coach and Athletic Director, Cally Gault, is a Presbyterian College Alumnus. We feel that in Cally Gault we have the man who can lead our Athletic Program to heights achieved by Lonnie McMillian and the late Walter Johnson.

As you entered the stadium, you saw the Walter Johnson Club booth. If you are not already a member of the Walter Johnson Club, why not go by the booth at halftime and leave your check. It takes only $10.00 to become a member, but many of you would not want to stop with only $10.00. If you are already a member, why not take that friend of yours to the Walter Johnson booth and see that he becomes a member.

We are looking forward to seeing you present at all of our games this fall.

Sincerely yours,
ROSS E. TEMPLETON
President
Walter Johnson Club

We Invite You to . . .

Sing Along...

ON, PC

(The Presbyterian College Fight Song)

by
Frances W. McSween

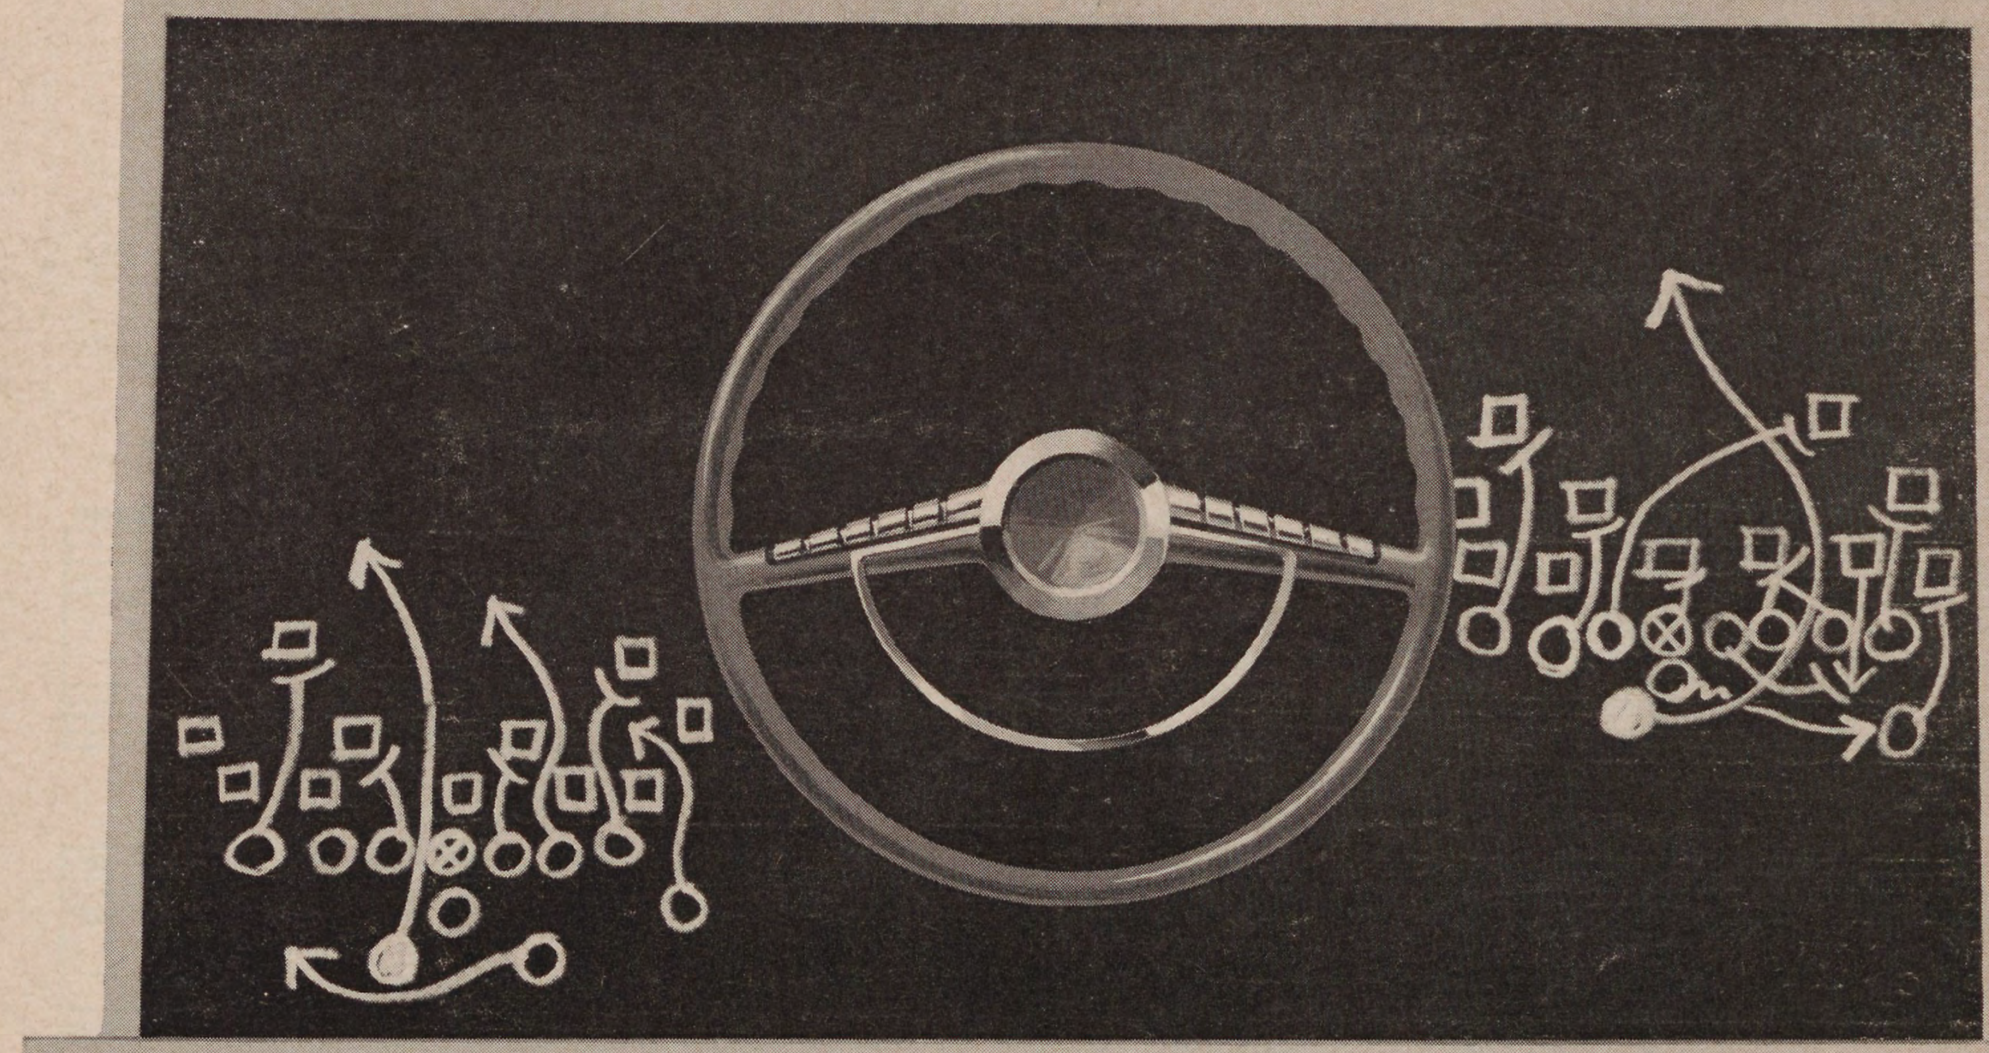
Note: The second time around, you are requested to whistle, instead of singing the words, until you reach the bracket; then, starting with "Presbyterian," sing the words again.

We are pleased to make this space available for first publication of the Presbyterian College Fight Song "ON P. C." In doing so we salute Mrs. Frances W. McSween who wrote the words and music, and all followers of the Blue Hose whose spirit is echoed in her song.

CLINTON-LYDIA COTTON MILLS

Manufacturers of Superior Quality Cotton Cloths

CLINTON, SOUTH CAROLINA



Three ways to quarterback the most important drive of the day —your drive home

1. Don't buck the line of traffic, *stay in it*. Fancy open field running doesn't pay on the highway.
2. When dusk falls and your visibility is limited, slow down and turn on your lights. What you can't see *can* hurt you.
3. Don't try to beat the clock by speeding. Remember, when time runs out on the highway, *everybody* loses.

Presented in the interest of safe and sane driving
by the R. J. Reynolds Tobacco Company.
