

My dear little girl:  
 I am so glad  
 to hear with great pleasure  
 the receipt of your check  
 for \$100. for the same amount  
 I had. I hope for a week  
 to try and get it a large  
 sum for one of your years  
 to collect, and on the account  
 it will be all the more of a  
 relief. The act of beneficence  
 is a noble quality, both of the  
 head and heart, and that  
 there may ever be prominent  
 in your future career, is the  
 sincere wish of your  
 affectionate  
 Mother
