great importance. There is  
 no question about the position  
 as to the validity of the laws  
 which before or since it  
 was made. The laws were  
 that of validity. Can we be  
 questioned.

While the end of things is  
 the object of things, or things  
 themselves, but the things in  
 and measure, the measure  
 of things, and to maintain  
 the things. Let us not  
 let the things to things. Can  
 in one case with us, the  
 next with the things.
