Mr. C L. Gallagher,

Washington, N.C.

Dear Sir:-

I am instructed by Governor Carr to ask you to send him a bbl of oysters in the shell like those sent me last if you can get them. Ship per express directed to Governor Elias Carr, Raleigh, N.C. Do not pay expressage. I hope you will be able to get him a barrel of these oysters as he did not get a chance to try those I bought for him as he was called suddenly to Washington City. Your prompt attention will be appreciated. Very truly yours.
