Eureka Steam Heating Co  
Rochester N.Y.

Dear Sirs:

Replying to yours of the  
10<sup>th</sup> inst.

I regard Mr Patrick as entirely  
responsible. The fact that he  
is using the stationery of the  
D. I. D. and J. Association is a way  
of explanation, in that no  
action is convenient. This office  
has no official connection  
with Mr P. whatever. Individually  
he has my entire confidence.

Very Truly

Chas. Bass
