John W. Arrington Esq  
Ridgelyville Pa.

My Dear Sir-

In response to your letter of the 8th. inst. the first opportunity I have had to reply I will say. That our Commissioner of Labor is himself a working man, a mechanic by trade, and endeavoring to stand so much between employer and employee, it is just possible he may have heard a little backward, yet I do not think so. I can't agree with you that the Bureau tends to bring on
