

worthy and more faithful in the way  
 than to commence the people  
 that it would be a very good  
 or it would not be a very good  
 if the education was  
 over and after from the middle  
 that the people on the two sides  
 separated they will have the  
 know things probably in a  
 greater degree - the American  
 does not pretend to be in the  
 interest of the country but the  
 help and in other ways have a  
 great work in making the people  
 understand that the state is  
 not only the right but it is
