

I had lost sight of money and  
concluded he had abandoned  
the land. Tell him to send me  
the ~~200~~ as he proposes, making  
good the deferred payments by  
January 1st next and he  
shall not be molested. He  
is to be commended and en-  
couraged in his effort to  
provide for his mother and I  
hope he will not lose the  
little home he has provided for  
her.

Very Truly Yours
