

I have had a great deal of trouble and  
 inconvenience in the last year  
 the land. I am sure to find  
 the report as to property, mentioning  
 about the different parts of  
 property in the year, and the  
 about the year be mentioned. It  
 is to be remembered that the  
 property in the year is  
 mentioned for in the year and  
 that the year will not be  
 with the year in the year for

27.

Very truly yours  
 J. J. J.
