Col. A. B. Andrews,
Raleigh, N. C.

Dear Sir:-

I have appointed Mr. Ed. Chambers Smith State's Proxy for the North Carolina R.R. Co. and would request as a personal favor to me that you will please issue him a pass with as much latitude as possible. I do not know the rules in regard to this matter, but if not asking too much would you kindly make it for himself and family.

Very respectfully yours,

Elias B. Carr
Governor.
