Dear Mrs. Hook:

I am in receipt
of yours of the 15th inst. and
much answered as heretofore.
No funds in hand. It is
true I could borrow the
money but I should require
satisfactory security, not
only for that but to amount
your account down.
If you can to that go and
see Mr. Stator. I know
your diligence and appre-
ciate it and am sorry I
can not relieve you at
once, but you must re-
