

Sept 18th

6

Dear Mrs Stark:

I am in an receipt of yours without date. You will remember I proposed to loan you the \$200 upon good and approved security, provided: you also secure \$200 additional which had been previously advanced you. This latter you say nothing about. Please see Mr Staton, and if you will comply with the above terms you can get the money otherwise not.

Truly Yours

Eli's friend
