Subject: Senate materials

Attached are various documents for your review prior to the November 9, 2004, Faculty Senate meeting. Please feel free to discuss these reports with faculty members within your unit and ask questions about these reports at the upcoming Senate meeting. Thank you.

- Proposal for F&A (Indirect Cost) Allocation (10/10/10) from John Lehman, Interim Vice Chancellor for Research
- Report on Institutional Priorities (draft 6) from Jim Smith, Interim Vice Chancellor for Academic Affairs
- Vice Chancellor for Academic Affairs Advertisement from Catherine Rigsby, Chair of the Faculty
- Vice Chancellor for Research and Graduate Studies Advertisement from Catherine Rigsby, Chair of the Faculty

Lori Lee * Faculty Senate office * 328-6537 office * 328-6122 fax

Proposal for F&A (Indirect Cost) Allocation (10/10/10)

1. Return 10% to the principal investigator (PI).
2. Return 10% to the department (chairman) in which the PI has his/her academic appointment. These monies will be controlled by the chair with consultation of the PI's that generated these monies.
3. Return 10% to the school (dean) in which the PI holds his/her academic appointment. The Dean will control these monies with consultation of the PI's that generated these monies. This committee will be appointed by the Dean with term appointments for the PI's.

These returned monies will be utilized to support the research programs in the PI's laboratories, departments and Schools. These expenditures to include the following: research supplies, purchase of equipment for research, graduate student support (stipends, tuition, travel to meetings), recruitment cost for research faculty and graduate students, PI's travel to meetings and technical staff support to the research programs. The departments and schools may utilize the monies for recruitment packages and support to "bridge" faculty between grants.

Each year a report must be submitted to the Vice Chancellor for Research and Graduate Studies on the expenditure of these monies.

Potential monies available: ~\$100K-direct, \$40K- indirect (40%)

PI (10%)	- \$4K
Department (10%) 10 faculty, 50% funded	- \$20K
School/College/Institute (10%) 50 faculty, 50% funded	- \$100K

Issues for discussion: co-PI's, joint appointments, others.
