My dear Mattie: This is intended for the entire family, so please let this go the rounds including Maurice and Minnie. Please ask Vaughan if he will attend to my insurance for me. There are eight of us missionaries living together and we are all well. Deaconess Shaw is with us and Mrs. Wilner has charge of handling the mess. I trust all at home are well. This is my second letter to you. Deaconess Shaw and I have been very successful making communion wafers. We bake them between two electric irons. With lots of love, I am,

Devotedly,
