Dear Elizabeth,

Just wanted you to know
I was thinking of you; read in
the paper that Jimmy had at last
been returned home for burial. My
sincerest wishes are yours as you
and your family face its meaning
to you again.

My work here is a
challenge but a real inspiration. I
stay very busy but that's the best
way to be. If you're ever this way
be sure to come by to see me.

Every good wish to you for
now and always.

Sincerely Yours,
Ben
