

Pleasant Grove April 24th 1815.

Dear Brother

It is my painful task
of announcing to you the death of our
dear old Father. he departed this life
on Friday the 21st - sun about 4 past
4 O'clock P.M. he was perfectly in his
reasons until the last moment of his
life.

I want you and the rest of the children
to make arrangements about the division
of the property to suite your selves as it
is not material with me when it takes
place. Letitia joins with me in sending
our best love to you sisters Dorey and
families. I should be glad to hear from
you as quick as possible.

I am Dear Brother, yours,
