We expect to go on the 2nd and 3rd Class battleships on a cruise along the coast for 3 months. Then we get September leave.

I haven't been doing much in tennis yet - just limbering up. But wait till this old comet gets going, you know what usually happens to his opponents!! West-capas? as our Dago prof. continually reiterates.

Now, Ed, be good or at least be careful! - Your vacation must begin pretty soon. Beware of the wiles of women! From one who knows,

By the way, have you
