Dear Thelma.

Not much to say. (as you know). Wish I was in Key West instead of here. Went to a show last night. had a lunch. called home and came back to the ship. Staying aboard tonight writing a few letters. and listening to the radio. Am looking forward to my return to Key West.

Am feeling fine and the crew is all in good shape. They are having a party on the deck tonight. (Beer and chili lunch). Tee it is hard to write when one dint have with the things one would like to write. I am looking forward to my return to Key West. Please excuse this shot "writ" Thelma. and thanks for the wonderful time at Key West.

Good Night.

Be seeing you.

Bonnie

P.S. my best to all the folks. "B"
