Negroes Train With Whites as R.O.T.C. Flyers

White and Negro Members of Air R. O. T. C. Train Together at Stewart Field

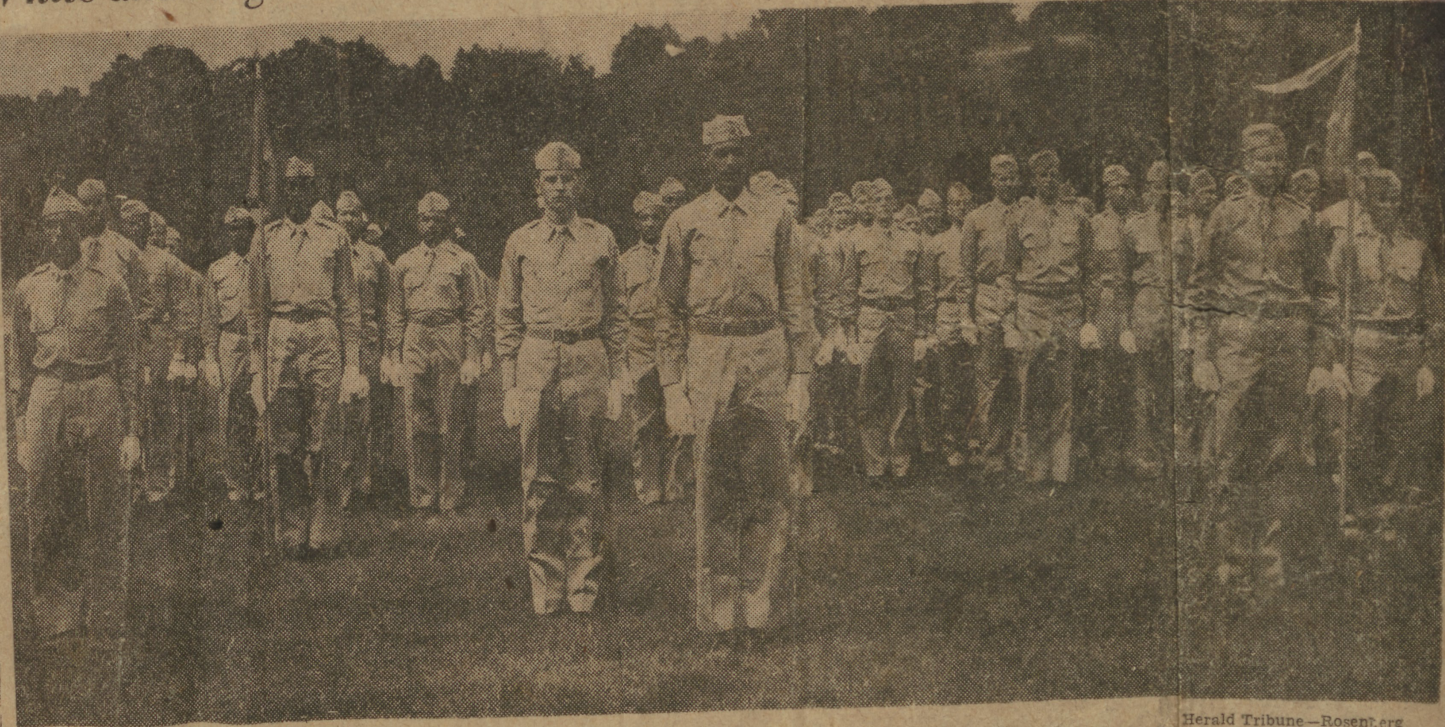

Stewart Field Instructors Are of Both Races; No Segregation Is Permitted

By Edgar T. Rouzeau

STEWART FIELD, N. Y., July 21.—Potential officers of the Army Air Forces, both white and Negro, are winding up their summer encampment here.

Brigadier General Clifford B. Nutt, chief of staff of the 1st Air Force, who came up today to inspect the camp near Newburgh, said that there has been complete harmony between white and Negro students, and that "excellent results" have been obtained under a staff of white and Negro instructors. This is said to be the only program of a semi-military character in which race has been disregarded.

As members of the Reserve Officers Training Corps, the students are studying for commissions in the Army Air Forces. Stewart Field summer encamp-
