

Same English
Camp.

Darling.

I am feeling fine
and had a very nice trip.
This is some pretty country
the houses here are old
"tiny." I have spent most
of the day sleeping as was
up last night. I have never
seen such pretty farms
& crops. One fact is nothing
compared to what it was
in the States. The people
cheered us as we marched
through an English city.
I haven't seen any young men
all children & women.
Love & Kiss - Give our
loves.
