

Chapel Hill.
Dec. 1st 1908.

Dear Mr. Bachman -

Hearing today
that there will be need of another
teacher in the Graded School after
Christmas, I am writing to apply
for the position.

I have studied Greek, Latin
and Mathematics for several years
and feel sure that I am capable of
instructing in the first two or three
years in Greek & Latin and in Math.
through algebra, Geometry and Trigonometry.
I will mail you tomorrow certificates from
my professors in these particular studies.
Hoping that the board will elect me
to the position, I am
Very truly yours,
Richard D. Dixon

Mr R. D. Dixon has taken Greek in my
Classes at the University and did
very creditable work. In my opinion he
is capable of teaching Greek in High
School Courses.

Wm S. Bernard

Asso. Prof. Greek

Univ. of N. C.

Chapel Hill N. C.

Dec 3, 1908

Chapel Hill, N. C.,
Dec. 1, 1908.

To whom it may concern:-

Mr. Richard
D. Dixon has been a student at the
University of North Carolina for the
past two and one-half years. During
his first year here, he was a member
of the section of the Freshman class which
I taught and his work was very
satisfactory. His grade on Algebra was
2 (90 to 95%), on Geometry and Trigonometry
3 (80 to 90%).

I have had the opportunity to
know Mr. Dixon outside the Class room
and I know him to be a high
type of young man. He is capable,
industrious, thoroughly honest and very
agreeable in his manners. He will
succeed where these things are valued.
I recommend him very heartily.

M. S. Stacy.

Associate Prof. Civil Eng., U. N. C.

Mr. R. D. Dixon studied Latin under
me one year and I believe he
is thoroughly capable in this
branch and will render you
good service -

John B. Palmer -

Instructor in Latin -

University - Chapel Hill NC
