

Waferdingen.
Luxembourg.

Jan. 6th 1919

My dear Papa-

I have
within the past few
days received your
letter of Dec 1st and
must thank you
again for writing
to me. It does me
a great deal of good

to get a letter
from you in your
own handwriting.

I believe that
the last time I
wrote you we were
expected to leave
Celmar-Berg on Dec 30
and return to France.
The order was changed
however, and we
only left there

yesterday and will leave
this town tomorrow. We
are evidently on our
way back to France but
how long it will take
us to get to America, it
is hard to say now, Tho'
we are now hearing
persistent rumors to the
effect that ^{we} will embark
for home about Jan. 16th.
We are not however, putting
any great amount of faith
in rumors but are
trusting that it will be
true in this particular
case. We have had a

very pleasant trip
to ~~this~~ little country
and have been well
received by the
people but I must
still say that I
have met no people
in Europe to compare
with the French.

I have just

received a letter
from Bessie written
from Edmonton on Dec
7th and was so
glad that she was
with you all for
Christmas. Her
children must be
a great comfort to
you and I am
looking forward towards

Seeing them.

I hope that you
are feeling about as
usual and I am anxiously
awaiting the time when
I shall return home to
see you and be of what
little help I can to you.

This town is only
5 miles from the City of
Luxembourg, where I have
been several times. I
went over last night to
a dance. It was Sunday night
but Sunday nights are the
nights for ^{big} dancing in this
Country.
Love to you all
Abbe Richert
