**Subject:** Candlelight Vigil for Matthew Shepard

As you may or may not have heard on the news, Matthew Shepard, the 22-year old University of Wyoming student who was brutally beaten last Tuesday night, died early this morning after lingering on life support for five days.

B-GLAD (Bisexuals, Gays, Lesbians, and Allies for Diversity) will be holding a candlelight vigil for its members and all concerned members of the community in Matthew Shepard's honor and to draw attention to hate crimes, their victims nationwide, and the need for Hate Crimes legislation on Wednesday at 8pm at the Cupola on the University Mall.

Please make an effort to come and join us.
