PALADINS CELEBRATE HOMECOMING

The Furman Paladins, riding the crest of a four-game winning streak, celebrate Homecoming this afternoon with a Southern Conference game against the winless East Carolina Pirates.

The Paladins have pinned up consecutive wins over Carson-Newman, Richmond, Davidson and the University of Tennessee at Chattanooga. It is the first time since 1953 a Furman team has won four straight games.

The Paladins have not won five straight games since 1936 when they rolled up seven consecutive wins over a two-year period.

It will be the eighth meeting between the Paladins and the Pirates who have a four-game winning string over Furman.

The Paladins last defeated the Pirates in 1965, 14-7, but have dropped the last four games.

Today's game will be the initial time first-year ECU

head coach Mike McGee has sent a Pirate team into battle against Furman.

Going back to 1969, the Pirates have now dropped nine straight games with seven losses this year. ECU has an 0-7 record overall and 0-2 Southern Conference mark.

The Pirates move on the ground on the rushes of fullback Billy Wallace and converted defensive back George Whitley at tailback. Quarterbacking the Pirates is John Casazza while Carl Gordon is a top-notch receiver.

The Paladins, 5-2 overall and 2-1 in loop play, must win today to keep their hopes alive for a possible Southern Conference title.

The Paladins trail The Citadel which has a perfect 3-0 league record.

Fullback Pat Carroll, halfback Steve Crislip and quarterback John DeLeo pace the Furman ground game while split end Byron Trotter, tight end Phil Howle and flanker Rodney Acker are top targets for DeLeo's passes.

ALMA MATER

The Mountain City is her home,
 A mountain river laves her feet,
 But from far coasts her children come
 And crown her brow with flowers sweet;
 'Neath her shade they rest secure,
 And drink from wisdom's fountain pure,
 And rally, loyal sons and true
 'Round our dear Alma Mater.

A ship of royal make is she,
 And brings her treasure from afar,
 Her truth it is that makes us free,
 And shines her beacon like a star,
 'Twas Furman's hand that laid her keel,
 And Judson set her ribs of steel,
 The Fathers prayerful for our weal,
 Launched our dear Alma Mater.

A mother, gentle, fair and wise
 And grave with weight of storied lore,
 She creeps up with love's radiant eyes,
 And chains our heart forever more.
 Old Furman! grateful sons are we,
 Our love, our lives we give to thee;
 We'll keep face, vow to serve but thee,
 Our own dear Alma Mater.

FURMAN HISTORY

Furman University traces its origin to "The Furman Academy and Theological Institution," authorized in 1825 by the South Carolina Baptist State Convention and opened in 1827 at Edgefield, South Carolina. The inspiration for the establishment of this school came primarily from Dr. Richard Furman, under whose leadership the Baptist State Convention was organized in 1821, pledging itself at its first meeting to establish an educational institution for the training of ministerial students. After a short period at Edgefield the institution was moved to the High Hills of Santee, then to Winnsboro, and finally to Greenville. In 1850 it was chartered as "The Furman University." Early in 1851 the Theological Institution, which was to become the theological department of Furman University, and a high school, which was to become the preparatory department of the University, opened in Greenville. In 1852 the University with collegiate, theological, and preparatory departments, began operations. In 1858 the theological department was separated and became the Southern Baptist Seminary of the Southern Baptist Convention.

In 1855 the Greenville Baptist Female College began work in Greenville. Two academies, one for boys and one for girls, had operated on the land which became the campus of the new college for women. The property was transferred to the Baptist State Convention, which put the operation of the college into the hands of the Furman trustees. From the beginning, therefore, there was a relationship to Furman University. This relationship was broken in 1908, when the convention took action providing for a separate board of trustees for the Greenville Female College, later the Greenville Woman's College. Furman University and the Woman's College became coordinated in 1933. In 1938 their merger was completed, although operations continued on two campuses. A new campus was developed in the 1950's, was occupied by men students in 1958 and by women students in 1961.

PALADIN FIGHT SONG

On brave old Furman team,
 On to the fray ---
 Fight brave old Furman team
 And the Paladins will win today!

Go, team to victory,
 Go all the way ---
 Fight for the purple and white,
 And the Paladins will win today!

Loyal we are and true,
 Loyal we'll stay ---
 We're for the Purple Team
 And the Paladins will win today!

We've got the team to win,
 Anytime we play ---
 We'll pass and run and score
 And the Paladins will win today!

On brave old Furman team
 On to the fray ---
 Fight brave old Furman team
 And the Paladins will win today!

FURMAN UNIVERSITY: GATEWAY TO THE FUTURE

Furman University is fortunate in its location on U.S. Highway 25, five miles north of Greenville, South Carolina. Situated in the Carolina foothills with their inspiring scenery, Greenville itself, a city with a metropolitan population of more than 178,000, is an educational and religious center.

THE ATHLETIC DIRECTOR

J. Lyles Alley has dedicated his life's work to one thing — Furman athletics, and the contributions he has made have been phenomenal.

For some 29 years, Alley has been associated with the athletic program at Furman either as a player, coach or athletic director. As a player, he distinguished himself as one of the best in Paladin history. He won 12 letters in basketball, football, baseball and track and was voted the most valuable football player during his senior year in 1933.

For 20 years, Alley directed the Paladins' basketball fortunes and earned the reputation of "Mr. Basketball" in bringing Furman into the national limelight.

Now, he has the responsibility of directing the entire athletic program as athletic director and the strides the Paladins have taken under his leadership are evident.

THE EAST CAROLINA UNIVERSITY STORY

DR. LEO W. JENKINS
President, East Carolina University

MIKE MCGEE
Head Football Coach

Founded in 1907 as East Carolina Teachers Training School, East Carolina University has grown from an enrollment of 123 in 1909 to 9,797 in 1970. Students come from 97 counties in North Carolina, 40 other states and 15 foreign countries.

East Carolina University leads the South in preparation of teachers and coeds outnumber male students 5,094 to 4,703. Undergraduate majors are offered in 26 fields and graduate programs in 21 areas. Besides the College of Arts and Sciences and the Graduate School, there are seven professional schools: Allied Health Professions, Art, Business, Education, Home Economics, Music and Nursing.

The face of the University is always changing. Twenty years ago there were 17 buildings on a 98-acre campus with a total physical plant value of \$5 million. Today there are 52 buildings, 300 acres and a valuation in excess of \$44 million.

The entire East Carolina football program took on a youthful look last December with the hiring of 31-year-old Michael Burnette McGee to be the Pirates' 11th head football coach since 1932.

The Elizabeth City native is already one of the most respected, most dynamic young coaches in college football today. Otto Graham, for one, is so impressed with McGee that he asked Mike to help coach the College All-Stars in their game against the Super Bowl Champion Kansas City Chiefs in Chicago this summer.

Coaching the All-Stars in Soldiers Field was a nostalgic experience for McGee. For just 10 years ago he captained the 1960 All-Stars against the Baltimore Colts. Considered by many as the greatest Duke lineman of all time, McGee had capped a brilliant three-year career as a Blue Devil in the fall of 1959 by winning consensus first team All-America honors and receiving the Outland Trophy as the best college lineman in the United States.

SAM WYCHE

. . . As A Bengal

"Loss of your number one quarterback is always a blow, but we're fortunate to have a man like Sam Wyche to take over," was the comment of Paul Brown, coach of the Cincinnati Bengals.

"Naturally we're going to miss Greg Cook, who was named rookie-of-the-year in the American Football League last year, but with Sam in the lineup, it's just like having a coach on the field.

"He's our key man right now," said Brown of the Furman University graduate who was known as three-fingered Sam in his senior year.

The three-fingered tag came in his senior year when he played under extreme difficulty with a broken finger on his throwing hand.

An Atlanta native, Sam came to Furman as a walk-on and despite the fact he was not a first string quarterback in high school his desire and attitude so impressed Furman coaches his freshman year here he was given a football scholarship in his sophomore year.

Apparently Wyche is showing this same desire and attitude as a member of the Bengals as Brown refers to him as a "real leader and an inspiration to the squad through his work in the Fellowship of Christian Athletes."

The Bengals coach said, "Sam is a keen student of the game and very smart when he's on the field. We feel we can go with him and rookie David Lewis and still not be hurting.

"Sam has played well for us the past two seasons as our number two quarterback and although he doesn't throw as long as Cooks he's more accurate.

"Last year he hit on 54 of 108 passes for an even 50 per cent racking up 831 yards and seven touchdowns. The year before he hit over 63 per cent of his passes as he completed 35 of 55 for 636 yards and two touchdowns.

"Last year when Cook got hurt, Sam was responsible for our victory over Kansas City and I feel sure he'll do a good job for us this year," Brown said.

Following the Cook injury the Bengals picked up Rick Norton, a former University of Kentucky All-American who got a whopping big bonus when he signed

. . . As A Paladin

with Miami, but Norton has impressed no one this fall.

Furman head coach Bob King was very high in his praise of Wyche as was backfield coach Billy Canty.

King said, "He surprised us very much when he got here with his desire and attitude. He played quite a bit as a freshman and I feel he's just a tremendous young man."

Canty, who had the job of tutoring Wyche, said Wyche was the second string quarterback in his sophomore year then moved into the number one spot during his junior and senior seasons.

"In fact," Canty said, "he and I share the record for the most touchdown passes completed by a Furman quarterback in one game — four.

"He had a great attitude and it didn't take him long to learn to read defenses. There's no doubt in my mind he'll be able to lead the Bengals. He has good size, great hands, and is able to release the football quickly," Canty said.

"He showed us tremendous desire during his senior year when he broke a finger on his throwing hand. Instead of giving up, he taped the middle finger to his index finger and went right on throwing the football."

Following his graduation from Furman, Wyche played in the Continental League for a season then went to the University of South Carolina where he coached as a graduate assistant in order to get his master's degree.

With the help of several people, Sam went to the Bengals camp in 1968, the first year Cincinnati had a team. Although he didn't make the squad in '68 he did in 1969 and 70 and his record as the Bengals' number two quarterback speaks for itself.

Now he's number one and a man on a spot, but as Coach Brown said, "We have confidence to go with Sam and I'm sure he'll do a good job for us."

One thing for sure, there's a lot of people in the Greenville area pulling for the young man with the big heart who doesn't know the meaning of the word quit.

Your membership in the Paladin Club can help insure the kind of all-round sports program at Furman which all fans desire and deserve. We believe this is the year that the Paladins make their move. You can be a part of this new direction."

1970 FURMAN FRESHMEN

With the Furman football program being upgraded, the freshman team will consist of some of the finest first-year talent it has had in recent years.

Tutoring the Baby Paladins this season will be Woody Dillard and Billy Turner, a pair of graduate students. Dillard played his high school football at York (S. C.) High School while Turner was an assistant coach at Commerce (Ga.) High along with varsity assistant, Hayden Hays. Turner recently was released from the service where he served two years.

The state of Georgia, which has given Furman some of its best talent in recent years, has contributed 11 of its native sons for the 1970 Baby Paladin squad.

Eight natives of South Carolina are on the 30-man frosh squad along with five representatives of Florida, two from North Carolina and Ohio and one each from Tennessee and Virginia.

The Baby Paladins have 12 interior linemen on their roster and seven ends-flankers.

The biggest player is Harry Horrocks, a 6-4½, 225-pound tackle from T. C. Wilyliams High School where he excelled.

One of the top halfbacks is Chris Breazeale of Taylors, S. C. Breazeale, a 5-10, 180-pound scatback, attended Blue Ridge High School where he established many rushing records during his fine career under coach Walker Duncan.

Breazeale was voted to the all-state team and also the North-South All-Star squad.

One of the top quarterbacks signed is Jim Warren of Hamilton, Ohio. Warren, 6-3, 160, set a Fairfield High Schol record by completing 58 of 125 passes for a 46.4 percentage for 1,097 yards and 17 touchdowns.

Warren is also considered a fine student and leader.

Eddie Lattimore of Fort Mill, S. C. comes to Furman with outstanding credentials from Fort Mill High.

In an effort to shore up a weak kicking game in the past, the Paladins come up with little Alan Standiford.

Standiford is a 5-5, 140-pounder, soaking wet, who is a place-kicker. Standiford is a soccer-style booter and is touted as a kicker who can boom the ball through the uprights from a good distance.

Standiford attended Northeast High School in Pinellas Park, Fla.

The Baby Paladins will depend largely on their interior linemen for offensive power.

Danny Utley (6-2,235), Terry McIntosh (6-1,200), Lee Fredrickson (6-2, 215) and Horrocks are a few of the interior linemen who could figure very heavily in the Paladins' varsity future.

The Baby Paladins will play a five-game schedule: Sept. 25—at Lees-McRae; Oct. 17—Gordon Military; Oct. 23—at The Citadel; Oct. 30—Western Carolina; Nov. 20—at Davidson.

COLLEGIATE COMMISSIONERS ASSOCIATION

Early in 1939 five college football commissioners established an organization for the purpose of attacking mutual problems. From that small beginning has grown what is now the Collegiate Commissioners Association, its members the chief executive officers and their assistants from the eleven major college conferences from coast to coast. Representing nearly 300 institutions, they range in size from the seven-member Mid-American Conference to the mammoth 190-member Eastern College Athletic Conference.

The CCA's field of interest has broadened greatly since its inception, now encompassing not only football, but all sports on the collegiate program. The members as such give united attention not alone to officiating assignment and rules interpretation, but also to procedures on undergraduate athletic recruitment and eligibility and to the many other facets of intercollegiate sports administration.

CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

Vega 2300 is here at last.

We'd have brought it out sooner, but you know how it is. We've got a lot riding on this little car and we wanted it to be right, really right, before turning it over to you.

Now we're ready.

And you were wise to wait.

Because now you can buy what we at Chevrolet have come to modestly believe is the best little car in the world.

We don't expect this ad to convince you.

We expect the car to, though.

Vega. The little car that does everything well. Look into it.
