**LOCAL NOTES AND TOBACCO  
JOTTINGS**

BY O. L. JOYNER.

Good tobacco is selling at good  
prices. It is the medium goods that  
seem to be suffering most.

It is again reported that the Drum-  
mond Tobacco Co. of St. Louis has sold  
out to the American Co. This has  
been frequently said before, but it is  
said that it is upon good authority  
this time.

A gentleman from Danville Va.,  
came over from Kinston some days ago  
and spent the day in Greenville. He  
remarked as he was going to the depot to  
take the train back to Kinston in the  
evening that he was going to Kinston  
to spend the night and would leave  
next day for Danville. The reason  
he did not remain in Greenville the  
over night was, he said, the hotel ac-  
commodations were so much better in  
Kinston. The Greenville press has  
been constantly begging for a hotel for  
many years and it does seem that some  
one would build a modern hotel.

The tobacco industry of Eastern  
North Carolina is assuming larger pro-  
portions and attracting probably more  
attention than any other State or sec-  
tion in the United States. Eastern  
North Carolina is producing practically  
the bright tobacco for the world's con-  
sumption and it is so regarded. I am  
frequently asked what about the sta-  
bility of tobacco and its future price.  
In reply to the first I will say tobacco  
has come to stay. It is a permanency  
and no longer an experiment. To the  
later I wish I could answer with ac-  
curacy but I am inclined to the belie  
that bright tobacco will always com-  
mand remunerative prices so long as  
the cigarette smoker continues to thrive.  
As to this however I cannot say. We  
all know that bright tobacco does not  
sell as it did a few years ago. This is  
attributable to several causes, all of  
which combined have tended to weak-  
en the price, but I don't think we need  
apprehend any decline from present  
prices at least for some time until there  
is more of it.

**"CAPTAIN DICK."**

Will be a Grand Entertainment

Bertram and Willards beautiful mili-  
tary play, which is to be presented at  
Perkin's new opera house Thursday  
and Friday nights, Oct 20 and 21, is  
beyond a doubt one of the most inter-  
esting, exciting, pleasing and delight-  
ful entertainments ever presented in  
the South. From all neighboring  
cities and towns come but one report,  
crowded houses, and audiences simply  
wild with enthusiasm and delight in  
Kinston, as elsewhere "Captain Dick"

opened to a crowded house. At the  
end of the performance more than  
twenty seats were engaged, and before  
noon next day half the house sold for  
the second night, which resulted in  
another packed house. Bob Cox a  
former Greenville citizen played a  
prominent part. He predicted even  
larger business in Greenville than in  
Kinston, and though the cast of local  
talent there, gave one of the best per-  
formances ever given of the play.  
Bob says the Greenville talent can  
match it. A large number have sig-  
nified their intention of coming over to  
witness the performance here. Messrs.  
Bertram and Willard, authors of the  
play, coach, drill, prepare and aid the  
local talent also enact two of the lead-  
ing characters. Rehearsals will begin  
at once and a splendid entertainment  
prepared.

## GET FLESH.

Get Strength, Vigor, Clear Complexion and Good Digestion, Not by Patent Medicine, But in Nature's Own Way.

Any honest physician will tell you that there is but one way to get increased flesh; all the patent medicines and cod liver oils to the contrary notwithstanding.

Nature has but one way to increase flesh, strength and vigor, mind and body, and that is through the stomach, by wholesome food, well digested. There is no reason or common sense in other methods whatever.

People are thin, run down, nervous, pale and shaky in their nerves simply because their stomachs are weak.

They may not think they have dyspepsia, but the fact remains that they do not eat enough food, or what they eat is not quickly and properly digested, as it should be.

Dr. Harlandson says the reason is because the stomach lacks certain digestive acids and peptones, and deficient secretion of gastric juice.

Nature's remedy in such cases is to supply what the weak stomach lacks. There are several good preparations which will do this, but none so readily as Stuart's Dyspepsia Tablets, which are designed especially for the stomach troubles, and which cure all digestive weaknesses on the common sense plan of furnishing the digestive principles which the stomach lacks.

Stuart's Dyspepsia Tablets give perfect digestion. First effect is to increase the appetite and increased vigor, added flesh, pure blood and strength of nerve and muscle is the perfectly natural result.

Stuart's Dyspepsia Tablets is the safest tonic known and will cure any form of stomach trouble except cancer of the stomach. May be found at druggists at 50 cents for full sized package or direct by mail from Stuart Co., Marshall, Mich.

The New Opera House

Since the big fire of 1896 Greenville has been greatly in need of an opera house, there being no hall here for entertainments that would accommodate much of an audience.

Through the enterprise of Mr. J. J. Perkins the town now has a good opera house, his building being just completed. This new hall, located on Fifth street, is 50x85 feet in size with a 25 feet stage across the rear. The parquet is seated with folding opera chairs, the benches behind those being on an inclined floor commanding a fine view of the stage. The stage scenery is beautiful. This is in four sets giving a street scene, a library scene, a kitchen scene and a wood scene. A splendid piano has also been furnished and it is the best equipped and most convenient hall Greenville has had. Will F. Burch has the management of the opera house, and he has already booked several troupes.

Get your laundry ready to go off Wednesday morning. Nice work every time and always prompt.
