INCITED NEGROES TO ASSAULT

Laurinburg, N. C., Oct. 21.—The Republican county candidates, in company with a white Republican by the name of Henry Covington, are now making the county canvass.

Yesterday Covington spoke at Old Hundred and made a villainous speech. He told the negroes they were the best race of people on earth.

He also told them that when our white girls return from colleges and schools the negroes are usually employed to look after them and drive them about over the country, and added:

"If I were in your places I would put my arms around them."

Today they were billed to speak at Mason's Cross roads, near here. The best citizens of Gibson, Laurinburg, Laurel Hill and the community generally, resolved that they would not have a repetition of the occurrence. So they were promptly met by three hundred of our most determined element and advised to make no more inflaming speeches in lower Richmond.

As for Covington, he was made to stand up in a buggy and retract, saying he was sorry for what he said, and promising never to do so again. He was then put in his buggy and told to hit the gri, which he did.

If men who call themselves white are determined to go round inflaming the negroes, and abasing good white men and women, the people are determined that they shall seek other quarters to carry on their nefarious business.—Raleigh News and Observer.

REPUBLICANS AT WORK.

Trying to Steal Registration Books

Contentnea township is one of the Democratic strongholds of the county, and it is going to roll up a big majority for the white man's ticket in the coming election. Mr. J. F. Harrington is one of the registrars for Winterville precinct in that township and kept the books in his store. Friday night some one broke in his store to steal the books but as luck would have it Mr. Harrington had locked them in his iron safe and they were secure. True to their Republican principles, the thieves had to take something as long as they were in the store, and failing to get the registration books they took some knives and forks, a watch and a few other small articles.

If stealing registration books is down on the list of rascally things the fusionists have planned to help their side in the coming election, they had as well take warning right here and now. The white men are determined not to submit to any frauds, stealing, voting of those not entitled to vote, or any other rascality in connection with the election, and the man or set of men who attempt it will do so at their own peril.

W. G. U. AT FARMVILLE

FARMVILLE N. C., Oct. 22nd 1898.
EDITOR REFLECTOR:

J. L. Fleming and E. B. Ficklen, of Greenville came here today to organize a White Government Union.

Berj May Esq., Chairman of the Democratic executive committee for Farmville Township, introduced as speaker of the day J. L. Fleming Esq., of Greenville. He referred to him as a talented young lawyer, who is no candidate nor aspirant for office, but is in this campaign solely for the good of his country.

Mr. Fleming spoke for more than an hour upon the issues of the day holding the undivided attention of his audience, which was composed of some of all parties, and made it exceedingly warm for the advocates of fusion. He showed in a telling and emphatic manner the misdeeds and broken promises of the fusionists, and did much good for the cause of good government and white supremacy.

Mr. Abram Moye, the late fusionist Senator from Pitt, was present and put several questions to Mr. Fleming which were promptly and unhesitatingly answered to the satisfaction of every one except Mr. Moye, and we supposed to his utter disgust.

There was a large crowd present and after the speech Messrs. Fleming, Ficklen, May, and others proceeded to take names of members of the Union and distribute Union buttons.

Mr. Thomas Harris, an old man 81 years old, who had voted the Populist ticket ever since the party was organized, was among the first to approach the speaker and ask for a button, saying that he had not voted a straight Democratic ticket for sixteen years, but he expected to leave as a sacred heritage to his children—probably the last vote of his life, a straight Democratic ticket.

Over a hundred names were enrolled and two hundred buttons were pinned on the coats of men and boys, who will stand and fight for white supremacy in old Pitt. There were still others who wanted buttons after the supply was exhausted.

The members enrolled there proceeded to organize and elected F. M. Davis president and W. J. Turnage secretary and the meeting adjourned to meet again Monday night Oct 24th for the purpose of appointing committees, when many new members will be added to the union. X.

Back Home

The Second regiment camp at Raleigh has broken up and the companies gone home to await for final mustering out. Several of the boys who enlisted from Pitt county came in on Saturday evening's train. The boys never got a chance to tackle any Spaniards in the war, but they were ready all the same;

PLEAD FOR WHITE SUPREMACY

Yet Butler is Now Going About the State Speaking in Behalf of Fusion.

The Caucasian of December 20, 1898, contained the following: PROSPECTUS

THE CAUCASIAN, A weekly Democratic Newspaper PUBLISHED AT CLINTON NORTH CAROLINA

MARION BUTLER, Editor and Proprietor.

ITS MOTTO: Pure Democracy and White Supremacy.

PURE DEMOCRACY. The Caucasian is a Cleveland Democrat--believes in first reducing the tariff to a revenue basis and then dealing with the internal revenue. It believes in cheap tools, which will leave us enough of clear profit to educate our children without being enervated with Federal bounties which we believe to be a radical trick for keeping up a high protective tariff.

WHITE SUPREMACY. We are in favor of the present system of county government as long as there is a single county that is saved by it from African and Scawag rule. We will ever preach that this is a Caucasian government founded by the courage, framed by the wisdom and won by the patriotism of white men, for the benefit of all citizens alike. Therefore it is right, ought

to be MANAGED BY WHITE MEN ONLY.

MARION BUTLER, Clinton, N. C.

The Greenville REFLECTOR asks with righteous indignation. "Can it be true" that Sam Vance, chairman of the Republican executive committee of Forsyth county, and deputy clerk of the Superior Court had said that "the reason negroes hold offices in eastern North Carolina is because the white people there are no better than negroes?" It is true. Affidavits of gentlemen who heard him say it have been published in the papers, and unless the spirit of resentment of insult has gone out of eastern white men they will remember this remark on the 8th of November.--Charlotte Observer.

1870 and 1893 Contrasted

The present crisis in North Carolina is the most momentous in its annals. The period embraced between 1868 and 1876 is by some regarded as a parallel period. They differ however. Our State was not redeemed from the Radical and Military rule that dominated the State in the Reconstruction period and some years thereafter, until 1876 when Vance led us to victory and the Democratic party was restored to power, and for twenty years they administered the government with wisdom, prudence and discretion.

The contrast between the two periods is a striking one. In 1870 the negroes had not been reduced into subjection by the low white Republicans so completely as now. They were inclined to destroy property in 1870, and sometimes our lives were imperiled and sometimes sacrificed. Burns were burned in all the counties and the incendiaries went ununished. The negro vote was not solidified then as now and the progress of negro equality has made great strides since then. The antagonism between the races has greatly intensified since then. Insolence was then unusual, and the nameless crime was unknown.

Since 1868 the negroes have made great progress, and we fear their progress has not been in the right direction. Their education has been advanced in the schools, but their moral development has retrograded. They have less self reliance, self respect, gratitude virtue. There has been an apparent increased development in their bestial passions, in their vices and in their superstitions, until they have become the dupes and catspaws of the most vicious class of white men on earth, who herd them like cattle, inflame their feelings of animosity against the white race, and use them as a ready factor in party politics, and these vile leaders flatter their vanity and cajole them with promises of social equality and political distinction.--Elizabeth City Economist.

JUST FOR FUN

"There is no use," says the Manayunk Philosopher, "in giving a fool your opinion of him, for he has no place to store it."

Hoax--"I expected to hear from you today by telephone. Why didn't you call me up?" Joax--"I did; but your fresh office boy called me down."

Your troubles, though but little things, Require prompt dispersing; They're very much like babies for They thrive and grow with nursing.

Foster Joins Chadbourn

Col. F. W. Foster, of Wilmington, spoken of by The Messenger of that city, as "one of the most prominent and influential Republican business men of eastern North Carolina, and lately chairman of the board of county commissioners of New Hanover county," has gone over to Postmaster Chadbourn, of that city, and taken his stand against putting up a Republican ticket in New Hanover. He concedes the fact that the white people pay 95 per cent of the taxes of the county and are by right entitled to govern it. He bows before the coming storm, and therein he is wise. It is no business of ours, but if it were, we would advise the white people of Wilmington to be chaitable, if the clash comes, to Chadbourn and Foster, but not to forget French and such other cattle as are inciting the negroes to insolence and riot.

We give Messrs. Chadbourn and Foster credit for the best of purposes. It is stated that they are national Republicans by principle. As such they can be respected, but if they are good citizens they have no right to aid and abet the rule of 5 per cent. of the property of Wilmington, held by its ignorance and vice, over 95 per cent. of the property, held by its intelligence and virtue, and it is a pleasure to see that they have recognized this fact and been wise in time.--Charlotte Observer.

He Slandered Zeb Vance

We hear that the cause of Meekins having been administered a dose of rotten eggs at Ahoski, in Hertford county, was that he defamed the character of our great Democratic leader, Zeb B. Vance, in his public speech. When we first heard it we expressed our regret that he had been so treated, but we now think they served him right, and we are glad they gave him notice to skeedaddle out of town.--Elizabeth City Economist.

IS IT A TRIFLE?

That Common Trouble, Acid Dyspepsia Or Sour Stomach.

Now Recognized as a Cause of Serious Disease.

Acid dyspepsia, commonly called heartburn or sour stomach, is a form of indigestion resulting from fermentation of the food. The stomach being too weak to promptly digest it, the food remains until fermentation begins, filling the stomach with gas and a bitter, sour, burning taste in the mouth is often present. This condition soon becomes chronic and being an every day occurrence is given but little attention. Because dyspepsia is not immediately fatal, many people do nothing for the trouble.

Within a recent period a remedy has been discovered prepared solely to cure dyspepsia and stomach troubles. It is known as Stuart's Dyspepsia Tablets, and is now becoming rapidly used and prescribed as a radical cure for every form of dyspepsia.

Stuart's Dyspepsia Tablets have been placed before the public and are sold by druggists everywhere at 50 cents per package. It is prepared by the Stuart Chemical Co., Marshall Mich., and while it promptly and effectually restores a vigorous digestion, at the same time is perfectly harmless and will not injure the most delicate stomach, but on the contrary by giving perfect digestion strengthens the stomach, improves the appetite and makes life worth living. Send for free book on Stomach Diseases.

WINE OF CARDUI

For Mothers!

The discomforts and dangers of child-birth can be almost entirely avoided. Wine of Cardui relieves expectant mothers. It gives tone to the genital organs, and puts them in condition to do their work perfectly. That makes pregnancy less painful, shortens labor and hastens recovery after child-birth. It helps a woman bear strong healthy children.

McELREE'S Wine of Cardui

has also brought happiness to thousands of homes barren for years. A few doses often brings joy to loving hearts that long for a darling baby. No woman should neglect to try it for this trouble. It cures nine cases out of ten. All druggists sell Wine of Cardui. \$1.00 per bottle.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. LOUISA HALE, of Jefferson, Ga., says: "When I first took Wine of Cardui we had been married three years, but could not have any children. Nine months later I had a fine girl baby."

J. L. Sugg left this morning for Newbern to serve as a juror in the Federal court.

Miss Sallie Pender and Lizzie Cotter, of Tarboro, who have been visiting Mrs. W. L. Brown, returned home this morning.

Eugene Bertram and Bassett Wildard left Saturday evening for Newbern where they have an engagement to present "Captain Dick." They spoke of visiting Greenville again sometime near the holidays.

Good Commissioners should Be Elected

The election comes week after next, and though it is so near at hand it cannot be told yet who the fusionists are running for the Board of County Commissioners. They have only two men up for Commissioners but it is said that a negro may be slipped on the ticket, and if so the Populists will be expected to vote for him. Whether a negro will be placed on the ticket or not, it shows very little judgment in anyone to vote the fusion ticket when they have an opportunity of voting for such men for Commissioners as R. L. Davis, O. W. Harrington and Calvin J. Tucker. They are all thorough business men, and there are no men in the county possessing higher integrity than these. If you want to see the affairs of the county managed well vote the Democratic ticket.

It Wasn't a Skinner Crowd

Mr. John T. Bell, of Wharton, attended the rally at Grimesland last Friday. To get there he had to cross the river and was ferried over by a colored man. Mr. Bell is among the staunchest of Democrats, and to test the colored men and have a little fun he yelled "Hurrah for Skinner!" The negro looked at him somewhat solicitously and said calmly: "Mister, yer better be keful how yer holler anything like dat over dar where you's gwine." Mr. Bell enjoyed the bit of admonition, and thought it was so good that he told it to several friends gathered about him.

Colored Man Killed

We learn that on Saturday night a young white man named Tobe Case, in this county, shot a colored man. The latter died Sunday night from the effects of the wound. We could not learn the particulars of the shooting except that it was accidental, the report saying that the two men were examining a pistol which belonged to the colored man, and the weapon was discharged.

At Ayden

The Democratic county candidates had another big day Saturday at Ayden. The large tent, being used there for a series of meetings was turned over to them and the crowd filled it full, there being about 800 present. Some fine speeches were made and the crowd was enthusiastic. Everywhere the candidates go they meet with an ovation and find the white men all over the county getting together to put down negro rule and fusionism.

MORE THAN PLEASED.

There is a firm, to know their name, Just on this paper o'er. Who once asked me, as they ask you, To step into their store. I bought a suit. I took it home, I found it cheap and nice. And I never fail to recommend That firm for Price, Price, Price.

I took a walk, I saw all eyes Observing my new clothes: I was a model and admired By friends, also by foes. I set the fashions for the town, And travelled many a mile To tell the people where to go For Style, Style, Style.

The more I wore that suit of cloth: The better they did please I advertised Munford's store until The clerks were brisk as bees. This suit so kept its stylish shape, (Well-made and firmly knit), That still it takes the premium! For Fit, Fit, Fit.

So if you'd be a happy man, Just follow my example And if you'd be a stylish man, Just take me for a sample. Go to Munford's store where the grades Are new, and cheap and nice, And see if they do not excel For style, and fit and price.
