FAIR.

Nov 9-10-11-1898

Order of parade.
Chief Marshals and Aides.
Band.
Ladies Floral Float.
Merchants Floats.
Hope Fire Company.
Tobacco Floats.

Procession of trotting and running horses.
The parade will form at the Eastern Warehouse promptly at 10:30 A. M. on Wednesday morning Nov. 9th. and after being placed in their proper places will proceed down Dickinson avenue to Pitt street, thence up Pitt to Second street, thence down Second to Main, thence down Main and Dickinson avenue on out to the Fair Grounds.

This parade will be one of the grandest sights ever witnessed in Greenville. Let everybody turn out to see it.

Every merchant in town should be represented in the parade. Get you up a nice float. It is a good way to advertise your business as well as make the parade a success. Speak to the Secretary about the matter.

Don't Want Them

A prominent Populist in Griffin's township, Nash county, says that all the white men in that township will vote the white man's ticket with the exception of three. That two out of the three are men who deserted from the Confederate army and who are now drawing pensions as a recompense for their infamy. All we have to say is that the Anglo-Saxon race has a particular antipathy to traitors, and is perfectly willing for the negroes to keep all in their ranks. White men don't want them.—Rocky Mount Argonaut.

Speaking and Barbecue.

Thursday night, 3rd, there will be speaking and barbecue at Parkers X Roads, two miles north of town. There is going to be a crowd present.

Frivileges to let

Any one desiring to procure stands at the fair grounds should see me at once in order to get a good location.
H. A. WHITE, Sec'y and Treas.

Died

Mr. J. R. Warren, aged 62 years, a good citizen of Falkland township, died Saturday. He left a widow and five children.

Those white men who, with the mis-governed negroes, are resisting the efforts of the white people to settle, settle once for all and on a basis of the greatest justice to the negro himself, the question of white supremacy, simply place offices and the power and plunder attached thereto higher than the social and industrial interest of all the people.—Raleigh Post.

EDITORIAL NOTES.

THE NAME OF EVERY ILLEGAL VOTER ON THE REGISTRATION BOOKS OF PITT COUNTY IS KNOWN AND NONE OF THEM WILL BE PERMITTED TO VOTE. A WORD TO THE WISE IS SUFFICIENT.

Negro rule is doomed.

Pitt county is going Democratic THIS TIME.

No jugglery with election books will go THIS TIME

The white people are determined to have a fair election.

The white men of Greenville need a little of the organization like they have in Wilmington.

The Fusionists look sick since they have ascertained that the white people have registered and intend to vote.

White men must carry the election next Tuesday. It is an awful condition to contemplate if the negroes win again.

Let every white man do his duty next Tuesday and the advocates of WHITE SUPREMACY will have occasion to rejoice.

The so-called white man who will run around and hold night meetings with the negroes, as some in Pitt county are said to be doing, ought to be ostracised.

The Registration books show a white registered majority of 900. This means that the white men will be at the polls on next Tuesday to win a glorious victory.

How soon will another attempt be made to steal the registration books in a Democratic precinct? The parties who attempt it and their abettors had better be careful.

The Populists of Edgecombe county have withdrawn their ticket and advised their followers to support the Democratic ticket in the interest of White Supremacy and good government.

Don't throw away victory now when it is so near at hand. You can't sit down and figure out a majority for the white man's ticket, but you can work out a majority by constant effort from now until the closing of the polls on election day.

Populists candidates in several counties, seeing that their being on a fusion ticket is aiding the Republican negro party and endangering white

supremacy, are withdrawing and saying they intend to support the Democratic ticket, it being in the interest of good government for them to do so. Is it not time some Populist candidates in Pitt county were taking this view of the situation and stop helping to put the white people under negro control?

Attempts to bribe election officers have been made by certain fusionists. They are spotted.

Points About Advertising.

If an article has any value or any utility at all it can be sold by letting people know about it.

Advertising what you haven't got or what you don't do is worse than not advertising at all.

Every advertisement that goes into a newspaper ought to contain some definite information.

To bring really adequate returns, advertising should be freshened by frequent changes of copy.

Cut off the inconsequential papers if you have to, but always keep your ad in your best papers.

A small advertisement is better than none, but it isn't so likely to bring profitable returns as a big one.

Better put an eight dollar ad in a ten dollar space than to put a ten dollar ad in an eight dollar space.

The advertisement of the future will be one that will leave out any idea of being funny or "catchy."

Don't expect the newspapers to do it all. Look out for the show window and the cases and counters.

The best place to put an advertisement is in the paper that enjoys the confidence of the community.—Bates.

Manure Pile Politics

The Agricultural Department has gone into politics this year with a whoop.

It has sent out missionaries and campaigners under the guise of fertilizer inspectors

It has added to the campaign fund by putting these fertilizer campaigners on the pay roll of the department.

It has furnished to the Caucasians its list of farmers—some 30,000—sent in from time to time for the Bulletin and other publications of the department.

This list, which should be held sacred is now being furnished the Caucasian, Progressive Farmer and other Fusion papers that they may send them Fusion literature during the campaign.—Raleigh News and Observer.

Carolina Union

Tuesday night Mr. F. C. Harding went over to Stokes and made a fine speech to the Carolina township White Government Union. There was a large crowd present and they had a good Democratic time. No township in the county is better organized for work than Carolina, and the white man's ticket is going to get a handsome majority over there on election day.

The Goldsboro Resolutions.

The following are the resolutions adopted at the white men's mass meeting held in Goldsboro October 28th:

The following are the resolutions:

"We, a portion of the citizens of Eastern North Carolina, in Mass Meeting assembled, being mindful of the obligation we are assuming and being desirous of informing our fellow citizens of the condition of affairs in our section, of the State, do publish to the world the following plain statement of facts.

"First. The population of this section of our State is divided into two distinct races—the Anglo Saxon and the African.

"Second. That in some counties the whites exceed the blacks and in others the blacks largely exceed the whites, but in all of them the negro is found in large numbers.

"Third. It is not claimed even by his white leaders that the negro is capable of administering a government. On the contrary the man who is the present Republican Governor of the State has declared in the most emphatic language that he is wholly unfitted for it.

"Fourth. That in many of the counties, cities, and towns of the East the local governments have been turned over wholly, or in part, to the negroes. Among these we mention Bertie, Craven, Edgecombe, Halifax, New Hanover, Warren, Greenville, Newbern and Wilmington. In these counties, cities and towns, negroes may be found holding the offices of Regis-

ter of Deeds, Deputy Sheriffs, Constables, Justices of the Peace, School Committeemen, Town Commissioners, Policemen and the like. In several other counties many of these offices are filled by negroes and many of the Post offices are filled by them.

"Fifth. That counting the offices of Register of Deeds, Deputy Register of Deeds, Deputy Sheriff, Constables, Justices of Peace, School Committeemen, Town Commissioners, Post Masters, Collectors, Store Keepers, Gaugers, and the like there are now in office in counties and towns in Eastern North Carolina nearly one thousand negroes, there being nearly three hundred negro magistrates alone.

"Sixth. That as a consequence of turning these local offices over to the negroes, bad government has followed, homes have been invaded, and the sanctity of woman endangered. Business has been paralyzed, and property rendered less valuable. The majesty of the law has been disregarded and lawlessness encouraged. In many localities men no longer rely upon the officers of the law for protection, for they are known to be incompetent or corrupt. Conditions have become so intolerable in these communities that they can be no longer tolerated or endured.

"Seventh. That this negro domination was made possible and these deplorable conditions were brought about through a division of the white men at the ballot box. Had the white men remained together as they did for many years these things could not have been.

"Eighth. That knowing these evils came about through a division of the white men, the White Man's Party has been zealously working for months to reunite the white men at the ballot box where these wrongs can be righted and these evils remedied.

"In view of these things it is resolved:

"1. That the Republican leaders have a second time clearly demonstrated their inability and their unfitness to govern North Carolina.

"2. That the time has come when those who have followed these leaders should no longer do so, and that all men who love their State and their homes should unite in one supreme effort to redeem the State and to place honest, capable, white men in office in State, county, city and town.

"3. That our appeal has been made and shall continue to be, to the ballot box and to honest white men. We have contemplated no violence, but we are determined to use all proper means to free ourselves of this negro domination, which is paralyzing our business and which hangs like a dark cloud over our homes.

"4. That we declare it is not our purpose to do the negro any harm. It is better for him as well as for us that the white man shall govern. That white we propose to protect and encourage him in all his rights and duties of citizenship, we affirm that North Carolina shall not be negroided. It is of all the States of the Union peculiarly the home of the Anglo-Saxon, and the Anglo-Saxon shall govern it.

"5. That we affirm that no such conditions exist in this State as justify Senator Pritchard in calling upon the President to send troops to this State, or in the Governor in issuing his brutal proclamation, and we hereby condemned in the most unmeasured terms the conduct of Senator Pritchard and Governor Russell in attempting to make it appear to the outside world that the descendants of the men of Mecklenburg, Halifax, Albemarle, the Cape Fear, of Albemarle, Guilford Court House and

King's Mountain need the military power of the Government which they helped to create and organize to compel them to observe the law. The White Men of this State, above all others, are interested in maintaining law and order, and for them to be charged by Senator Pritchard and Governor Russell with having a purpose to become insurrectionary citizens is a vile slander and we denounce them. They have been leaders in establishing negro domination among us and they are therefore responsible for the conditions now existing, and in appealing to the President to send troops into this State to aid them in maintaining negro domination they have shown they care less for the honor and reputation of their State than they do for their official positions.

"6. That it is in the power of the Legislature to restore to the white men of the East the management and control of their local affairs. That if the Democratic party shall be placed in control of the Legislature this will be done. If the Republican party is placed in control it will not be done. We, therefore, appeal to our white brethren in every section of the State to go to the ballot box on the day of election and vote for the Democratic candidates for the Legislature.

"7. That a learned and pure judiciary is necessary to the preservation of the rights of the weak as well as the strong. The Democratic candidates for this high position are men learned in the law and of eminent fitness for this great office. We, therefore, appeal to all men who desire learned and pure men to sit upon the bench, to work and vote for the Democratic candidates.

"8. That the President and Secretary of this meeting are hereby directed to cause this statement of facts and these resolutions to be published in all the papers of the State and that the Democratic Executive Committee be requested to give them the widest possible circulation among the people.

The following additional resolution introduced by Rev. Mr. Jurney, was adopted:

Resolved, That the present peril of the State is such as to demand that every true hearted white man shall on election day suspend all business and give that entire day to the service of white supremacy and good economical government in North Carolina.

Chairman Simmons stated a great truth when he said in his Goldsboro speech, Friday, that the time has come when the white people of North Carolina must either rule the State or leave it, and they were not going to leave. This is more of the right sort of talk. Every declaration like that sounds good and does good.—Charlotte Observer.

The Chicago Chronicle rises to the occasion in giving the warning; "If the administration be not blind to the past history of such proceedings, it will not send Federal troops into North Carolina for use on election day."

HEART DISEASE

Some Facts Regarding The Rapid Increase Of Heart Trouble.

Do Not be Alarmed, But Look For the Cause.

Heart trouble, at least among Americans, are certainly increasing and while this may be largely due to the excitement and worry

of American business life, it is more often the result of weak stomachs, of poor digestion.

Real organic heart disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by branches of the same great nerve, the Sympathetic and Pneumogastric.

In another way, also the heart is affected by that form of poor digestion, which causes gas and fermentation from half digested food; there is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action hence arises palpitation and short breath.

Poor digestion also poisons the blood, makes it thin and watery, which irritates and weakens the heart.

The most sensible for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can best be done by the regular use after meals, of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular, persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized package of the tablets sold by druggists at 50 cents.

MORE THAN PLEASED.

There is a firm, to know their name, Just call this paper over. Who once asked me, as they ask you, "Go step into their store. I bought a suit. I took it home, I found it cheap and nice. And I never fail to recommend that firm for Price, Price, Price."

There more I wore that suit of clothes The better they did please I hadyer used Munford's store until The clerks were brisk as bees. "This suit" so kept its stylish shape, (Well made and firmly knit), That still it takes the premium For Fit, Fit, Fit.

So if you'd be a happy man, Just follow my example And if you'd be a stylish man, Just take me for a sample. Go to Munford's store where the grade Are new, and cheap and nice, And see if they do not excel For Style, and Fit and Prices.
