NO NEGRO IN THIS. WHITE MEN CARRY EVERYTHING.

State 20,000, Pitt County 250 to 400---
Skinner Goes up Goose Creek---
Democratic Landslide all
Through the Line.

And here it is, glorious news enough for one day. The Democrats have done nobly and North Carolina and Pitt county are redeemed for white supremacy. The State Judicial ticket is elected by 20,000 majority, Democrats have two-thirds of the Legislature, eight Congressmen are claimed. Small defeats Skinner, and the entire Democratic ticket in Pitt county gets from 250 to 400 majority.

Here is what news THE REFLECTOR received up to the time of going to press:

Raleigh, N. C. Nov. 8th.

Weather fair all over State and advices received up to 7:15 P. M. point to the heaviest vote cast in years. WEDNESDAY, NOVEMBER 9, 1898

The Spanish war vessel *Maria Teresa* which had been raised and was being brought to the United States, was sunk in the storm last week and lost. Doubtless the Spaniards are laughing in their sleeves at the United States' failure to get this ship over safely and add it to our navy.

On Sunday evening the Supreme court room and the rooms immediately adjoining it, in the capitol at Washington, were badly wrecked by a gas explosion. Fire followed the explosion and the damage done was immense. The damage to the building exceeds a million dollars, to say nothing of the incalculable loss in the destruction of the law libraries which cannot be replaced.

Don't Tobacco and Save Your Life Now. To quit tobacco easily and forever, be strong, healthy and full of vigor, take No. 10 P. M. Cigarettes. They make weak men strong. All druggists or \$1. Cure guaranteed. Booklet sent free. Address Sterling Remedy Co., Chicago or New York

Fernwood

Fernwood, a splendid story of ante-bellum days, will begin in an early issue of the *Sunny South*. If you love good stories, interesting stories, clear stories, and stories depicting life in the South, as it existed on the old plantations before the war, you should not miss this splendid story. It is not sensational in the least, but tells in a natural way of the lives of its characters, and the interest increases with each installment to the very last.

Guaranteed tobacco habit cure, makes weak men strong. Blood purifier. 50c \$1. All druggists

A Tombstone Problem

A man who went away from home some time ago to attend a convention of church people was struck with the beauty of the little town in which the gathering was held. He had plenty of time and while wandering about walked into the village cemetery. It was a beautiful place, and the delegate walked around among the graves. He saw a monument, one of the largest in the cemetery, and read with surprise the inscription on it:

"A Lawyer and an Honest Man."

The delegate scratched his head and looked at the monument again. He read the inscription over and over. Then he walked all around the monument and examined the grave closely. Another in the cemetery approached and asked him:

"Have you found the grave of an old friend?"

"No," said the delegate, "but I was wondering how they came to bury these two fellows in one grave."—Tit-Bits.

Currituck county is safe by 500 majority.

Beaufort county rolls up a Democratic majority of 300.

VIRGINIA.

Eight precincts in districts gives Quarles, Democrats 399 plurality. Augusta County's estimated majority for Quarles 1000. If so heavy Democratic gains.

Richmond, Va., Nov. 8.—Virginia ninth district Pocahontas gives Rhea 15 majority. Walker's majority in 1896 was 178. Democratic gain of 213. Walker's estimated majority in Washington county 600. Rhea's estimated in Giles 600.

show usual Republican majority in both branches.

New Haven, Nov. 8.—Connecticut elects Republican ticket. Three Congressmen and probably four, one Republican. Claim State by 15,000 majority.

Galveston, Tex. Nov. 8.—The Tribune, independent, claims the entire State Democratic elected by the usual majority. Legislature the same, insuring the election of Culberson, Democrat, to the U. S. Senate. Democrats are sure of eleven Congressmen.

New York Nov. 8.—The World concedes the election of Roosevelt, Republican, for Governor by 45,000 plurality.

Providence, R. I., Nov. 8.—Congressmen Capron and Bull, Republicans, re-elected by about 400 majority.

Baltimore, Md. 8.—Sun says Denny of the 6th Md. district, is elected, Smith, Democrats, of first district, almost certainly elected and 2nd and 5th district in doubt.

The Rhode Island Congressional delegation complete shows two Republican members elected to Congress.

THE SIMPLEST CURE FOR INDIGESTION,

As Well as the Safest and Cheapest.

The new medical discovery, Stuart's Dyspepsia Tablets, digest the food instead of making the worn out stomach do all the work, give it a much needed rest, and a cure of dyspepsia is the natural result.

You get nourishment and rest at the same time because these Tablets will thoroughly digest all wholesome food taken into the stomach whether the stomach works or not. A cure is certain to result because the digestive organs are given a chance to rest and recover their natural vigor and tone. The Tablets are then no longer required.

To show the manner in which the remedy acts on different people and how quickly and effectually it cures stomach troubles we present a few recent cases:

Mr. J. O. Wondly, of Peoria Ill. writes: I was unable to eat any thing but the plainest food and even that often distressed me, but since using one box of Stuart's Dyspepsia Tablets I can eat anything and everything I want.

Mrs. Samuel Kepple, of Girty, Pa., writes: I have been entirely relieved of my stomach troubles by your tablets. I suffered three years with sour stomach and gas at night, I am thankful for them.

Mrs. A. Bowen, of Barard, Va., writes: I think Stuart's Dyspepsia Tablets are the best things for dyspepsia I ever took, I will recommend them to anyone troubled as I was.

Stuart's Dyspepsia Tablets will not disappoint because they cure Dyspepsia surely and lastingly by causing the food to be properly assimilated, and cure constipation by producing the proper quantity of bile. Sold by all druggists at 50 cents per package. Send for free book on stomach diseases to Stuart Co., Marshall, Mich.

WINE OF CARDUI

For Mothers!

The discomforts and dangers of child-birth can be almost entirely avoided. Wine of Cardui relieves expectant mothers. It gives tone to the genital organs, and puts them in condition to do their work perfectly. That makes pregnancy less painful, shortens labor and hastens recovery after child-birth. It helps a woman bear strong healthy children.

McELREE'S Wine of Cardui

It has also brought happiness to thousands of homes barren for years. A few doses often brings joy to loving hearts that long for a darling baby. No woman should neglect to try it for this trouble. It cures nine cases out of ten. All druggists sell Wine of Cardui. \$1.00 per bottle.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. LOUISA HALE, of Jefferson, Ga., says: "When I first took Wine of Cardui we had been married three years, but could not have any children. Nine months later I had a fine girl baby."

Almost a Row

There came near being a disturbance at Parker's X Roads, two miles from town, Tuesday afternoon. A phone message over to town told of the threatened trouble when a crowd with rifles hurried over and put a check on it. Things were soon quiet and resumed so.

PIMPLES

"My wife had pimples on her face, but she has been taking CASCARETS and they have all disappeared. I had been troubled with constipation for some time, but after taking the first Cascaret I have had no trouble with this ailment. We cannot speak too highly of Cascarets." The Richmond band that is to make music for the fair, came in on Tuesday evening's train and gave a concert on the King House balcony at night. Their excellent music and the good election news coming in at the same time filled the crowd with much rejoicing.

Usually the things that cost the least are the most expensive. Advertising that costs very little usually amounts to very little.

Don't think one paper high priced because the rate is a dollar an inch, and another one low priced because it is ten cents an inch.

The first advertising that is done is merely preparatory. It introduces the advertiser to his public; it gains acquaintance for him.

The very fact that only a few merchants are wise enough to advertise in dull seasons makes it all the more profitable for those who do.

If you can only advertise in a small way, pick out the best paper in your territory and spend all of your advertising money in that.—Bates.

C. T. MUNFORD.

MORE THAN PLEASED.

There is a firm, to know their name, Just on this paper o'er, Who once asked me, as they ask you, To step into their store. I bought a suit. I took it home, I found it cheap and nice. And I never fail to recommend That firm for Price, Price, Price.

I took a walk, I saw all eyes Observing my new clothes: I was a model and I admired By friends, also by foes. I set the fashions for the town, And travelled many a mile To tell the people where to go For Style, Style, Style.

The more I wore that suit of clothes, The better they did please I advertised Munford's store until The clerks were brisk as bees. "His suit" so kept its stylish shape, (Well made and firmly knit), "What still it takes the premium" For Fit, Fit, Fit.

So if you'd be a happy man, Just follow my example And if you'd be a stylish man. Just take me for a sample. Go to Munford's store where the grade Are new, and cheap and nice, And see if they do not excel For Style, and Fit and Price.
