WEDNESDAY, MARCH 28, 1900

OUR RALEIGH LETTER.

Governorship Settled—Cunningham for second place—Chances of Other Candidates.

Special Correspondent of Reflector.

RALEIGH, N. C., March 27, 1900.

Now that it is understood that Mr. Aycock will be nominated for Governor by acclamation, interest is more largely transferred to the selection of the balance of the Democratic State ticket. Only two weeks will elapse before the convention assembles (April 11) and it appears to be certain that there will be interesting and closely contested races for three offices particularly, Secretary of State, Treasurer and Auditor.

Col. Bryan Grimes and Hon. Dan. Hugh McLean appear to be the leading candidates for Secretary of State, though Hon. W. P. Wood; whose candidacy was not announced until a few weeks ago is extremely popular and will undoubtedly receive strong support from the west. Col. Grimes friends are very sanguine of his success and now regard him as standing a better chance than ever.

For Treasurer there are five active and strong candidates in the field—Benj. R. Lacy and J. D. Boushall, of Wake, H. A. London, of Chatham, W. H. S. Burgwyn, of Vance and W. I. Everette, of Richmond county. It is hard to say which is the stronger of three of these aspirants, and it is not impossible for either of them to be nominated, under certain conditions and understanding and "mutual aid" agreements between the supporters of various gentlemen for a number of these positions to be filled. This latter contingency has always played an important part in political nominating conventions, and, I presume, this year will prove no exception to the rule.

As to the nomination for Auditor the contest seems to lie between Hon. W. S. Pearson, new editor of the Morganton Herald, and Dr. B. F. Dixon of Cleveland. Mr. Pearson has evidently grown rapidly as a candidate during the last month or so, and I hear many pleasant and complimentary words spoken of him, by a number of visitors from different sections of the State. The newspaper men, of course, feels kindly towards his candidacy—it is so seldom that a representative of the Democratic press (which does more to elect the ticket after it is put up than any other agency) receives recognition. It has appeared to me for some time to be "mighty poor politics" even for the professional politicians and party leaders to play, to forever pursue such a course towards the editors of North Carolina. Though as patient as hard

working and untiring, they have not "kicked" in a way to hurt or jeopardize party success—a fact which is an additional reason why they should receive consideration. But this is aside from what I started to say.

Dr. Dixon is also a popular and an able man, and it is certain that whichever of the two is nominated the party and State will make no mistake in nominating and electing an Auditor. Indeed, it is a source of gratification to know that all the gentlemen prominent as candidates represent the best type of men and Democrats, and that we cannot fail to secure an unusually strong ticket this year.

THE LIEUTENANT GOVERNORSHIP

It is observed that a large number of the state papers are noting Col. Cunningham's withdrawal from the race for governor are turning to him with great unanimity as the logical candidate for the Lieutenant Governorship. The papers which have been most pronounced in their advocacy of Mr. Aycock are the leaders in the suggestion, as are most of Mr. Aycock's personal and political supporters. It is suggested by them that Col. Cunningham be nominated in the same manner as Mr. Aycock—that is, by acclamation.

UNDERHANDED WORK OF REPUBLICANS.

Visitors from the western counties bring the news that the Republicans of that section, under the leadership of Senator Pritchard, Chairman Holton and the "revenue gang" continue their activity, and are using the same underhanded and deceitful methods, against the Constitutional Amendment. They continue to tell the illiterate white men of that section that its adoption will work their disfranchisement, as well as stop the voting of ignorant negroes, and it is said that they have succeeded in leading some Democrats to believe this lie. A good deal of effective work will be done in the west by the Democrats between now and the election, and it is hoped and believed that all the bad work accomplished by the "negro rulers" can and will be rectified. It is astonishing how a man with any brains at all can be made to believe such stuff when the truth is so easily obtainable. But the Amendment is going to sweep the State! For every illiterate so-called Democrat that allows himself to be gulled by the negro rulers there will be two decent white Republicans who will vote for the measure.

TOBACCO AND COTTON ACREAGE.

I noted last week a statement to

the effect that the sale of fertilizers indicated an increase in the cotton acreage this year. The fertilizer men and dealers say that the same will be true of tobacco. I was surprised at the latter statement, in view of the efforts making by the tobacco growers association to curtail production. Tobacco growers here tell me it is untrue, as far as they know; that they will not increase their tobacco acreage. But the "cotton tots" say the same thing about the reported increase of cotton acreage. When these denials were called to the attention of fertilizer men and tobacco and cotton dealers, they simply make this pertinent observation: "What crops will the farmers use all the fertilizers which are being sold." There certainly appears to be an increased sale of fertilizers!

NUMEROUS NEWS NOTES.

Two more cotton mills since my last letter—one at Cherryville, Gaston county, chartered, and books opened for subscription to a third mill at Henderson. This brings the total up to 20 since January 1, in this State.

I hear many kind references made to the candidacy of our veteran brother of the quill, Maj. E. J. Hale, of Fayetteville Observer, whom the State convention will probably select as one of the delegates-at-large to the National convention this year.

The nomination of W. B. Council, Jr., to be judge of the 10th District, is applauded here, where he became well and extensively acquainted last winter while serving in the Legislature. He was regarded as an able lawyer and a safe man. He will therefore make a good judge.

The Farmers Mutual Fire Insurance Association, at the first State meeting, elected the following officers: President, J. A. Davis of Edgecombe; executive committee, J. A. Wellons, T. B. Parker, R. W. Scott, Jerret Hoskins. They all serve one year. Heretofore there has been no State (only county) organizations. New life will be infused into the work now.

Visitors from the east here today say that Col. Bryan Grimes and his friends are in receipt of advices which lead them to believe that he will certainly be nominated for Secretary of State, one of the leading reasons being that the farmers of the State are to receive this direct recognition. They say his chances are better than ever now; that had Col. Cunningham been nominated for governor (Colonel Cunningham being so closely identified with the farmers and being a farmer himself) Col. Grimes' friends could not have pressed this

point as they now can.

The Agricultural Department has prepared a stock-law map of the State, which will be a serviceable document.

The new State election board holds its first meeting here on April 2.

Mrs. D. H. Hill offers to donate to the Confederate Veterans a site near Hendersonville, absolutely, if they will accept it and hold reunions and encampments there.

I was talking to Judge George H. Brown yesterday about the prospects of the Amendment. There is no more earnest advocate of that measure than this able and upright jurist, and he tells me that the east is practically solid so far as the white people are concerned despite the efforts of Butler and his lieutenants to work up a feeling against it among the ex-Populists, and that the east will poll a great majority for the Amendment.

LLEWXAM.

A Whiskey Drinker Preferred.

Washington, D. C., March 25.—Chief Moore, of the Weather Bureau, has issued an order prohibiting the smoking of cigarettes during office hours. He also announces that those who smoke them at any time would be mentioned in the confidential reports which are made to him by heads of several divisions throughout the service.

Chief Moore said to day: "Men who use cigarettes seem to become deadened to the fact that neglect of duty means reproof, suspension or expulsion. I had rather have in the service a man who drinks a quart of whiskey every 24 hours than a confirm cigarette smoker. The former can be trusted when the latter cannot. Cigars and pipes are not barred."

WINE OF CARDUI

How a Woman Suffers.

HOWELL, IND., Nov. 26.
I will always praise Wine of Cardui. It has done me more good than all the medicines I have ever taken in my life. Please send a book about female diseases to the ladies whose names I enclose.
Mrs. MINNIE STODGHILL

It isn't necessary for a woman to give particulars. When she says she has "female troubles", other women know what that means. It means days and nights of endless suffering. It means headaches which no tongue can describe. It means that terrible bearing and dragging down in the lower abdomen. It means agonizing backache, and shoulder ache, and arm ache, and aches in the lower limbs. It means nerves on edge—the blues—despondency and loss of hope. It means debilitating drains that the doctors call leucorrhoea. It means martyrdom—sometimes even death seems preferable. And still Wine of Cardui will utterly put those diseases and pains to rout. It has cured thousands of cases when nothing else on earth would. To the budding woman, to the bride-to the wife, to the expectant mother, to those going through the Change of Life, this Vegetable Wine is a blessing.

Judge Battle Dead.

Hon. Dorsey Battle, Judge of the Eastern Criminal Court, died at 8 o'clock this morning at his home in Rocky Mount.

Besides being an able lawyer and jurist Judge Battle was a fluent and brilliant writer, and was once editor of the Tarboro Southerner for several years. Personally he possessed that magnetism and affability that made friends of all with whom he came in contact, and a friend once was a friend always.
