#### Storm in the West.

Wichita, Kan. April 17.—A tornado at Putnam last night destroyed two houses and considerable property. No one was killed. A great storm is raging in the West.

#### Off to New Bern

A very large crowd left here this morning on the special train to attend the New Bern fair. The ticket agent here exhausted his supply of over one hundred tickets and had to telegraph to the agent at Winterville to issue tickets to the remainder of the crowd who were unable to get them here. The train left here on schedule time, something unusual for an excursion train. We were told this morning that large crowds boarded the train at all stations below Greenville.

#### Garita and Hatfield Comedy Company

Will give a performance on Thursday night of this week in the Opera House. Traveling men say "it is the best Comedy Company that has been on the road in North Carolina for the last twelve months."

Every lady accompanied by a gentleman with a paid 35 cent ticket will be admitted free Thursday night, or 2 ladies will be admitted on one paid 35 cent ticket.

#### New Bern Fair

The fair at New Bern this week is a great success. It was formally opened Tuesday by Col. John S. Cunningham, who made an excellent speech. The parade was the finest on record. The excellent racing and other amusements attracted great crowds of people.

### NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., Apr. 18th.

Mrs. Alfred McGlohon is very ill.

Miss Mattie Tucker was in town yesterday.

Charlie McGlohon sold 21 bales of cotton here at 9 cents yesterday.

Several parties went on the excursion this morning.

G. W. Parker, the wire fence man, went to Parmele today.

Mrs. Cowell was here trimming for Mrs. J. D. Cox yesterday. And the way they carried off the hats.

G. A. Kittrel has a few more bushels of his improved prolific cotton seed for sale, but they are going fast.

A. G. Cox MFG. Co. is in position to furnish corn and meal in large quantities.

NO KEEPING THEM.—That is fertilizer distributors and carts. They are being carried off without hardly waiting for the paint to dry. If you wait till you get ready to use one you may get left. Better order now.

A. G. Cox MFG. Co.

Stop driving that old rattling buggy through the country. A dollar or two spent now fitting it up a little, and a new coat of paint will pay you double and your buggy will look good as new. At the Hunsucker Carriage Factory is the place to have it done.

FOOLS—You often hear it remarked when a man is smoking that there is a fool at one end and fire at the other. If this be true, some of them must be little fools and some big fools. For instance you would not think a man who smoked a Winterville cigar to be as big a fool as the man who is puffing away at some shoddy cigar, and can't even get fire at the other end.

Farmers! let F. O. Cox of Winterville, ship your potatoes for you this year. He is representing the best houses on the best markets.

#### JOHNSON'S MILLS ITEMS.

JOHNSON'S MILLS, N. C., Apr. 17.

Patrick Cobb, of Grifton, is visiting J. B. Cox.

Dr. Nobles and brother, W. L. Nobles, E. F. Cox, W. H. Oxley and L. O. Cox left this morning to attend the New Bern fair.

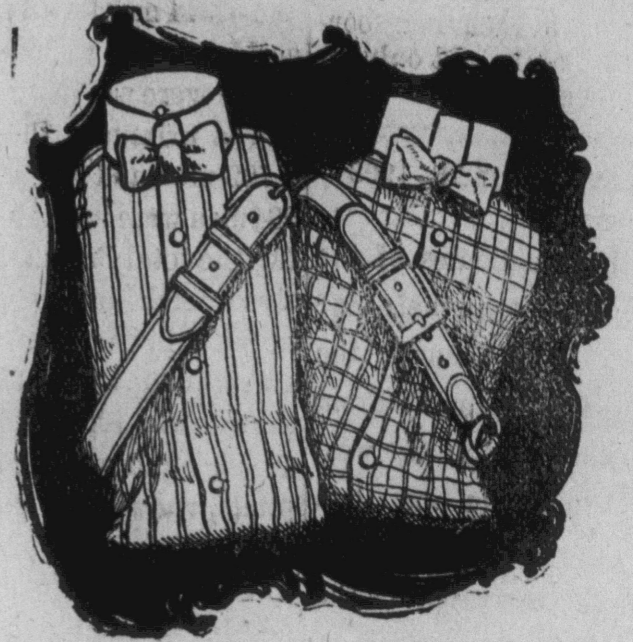

F. M. Kilpatrick left yesterday for Elizabeth City.

Our clever Pitt county drummer D. M. Johnson, gave us a call yesterday with a nice line of tobacco.

W. C. Mewborn and Miss Fanny Burney will be married tomorrow afternoon at 3:30 o'clock at the home of the bride's parents, Rev. J. H. Griffith will officiate.

WEDNESDAY, APRIL 18, 1900

Monday the candidates of the Democratic party began their tour of the State. They opened the campaign at Bualington. From there they go up through the western part of the State and then come back to the east. The great battle cry of the campaign is the Constitutional Amendment, and both that and the ticket will receive a large majority at the election.

### No Agreement on Fusion.

Washington, April 16.—Although the conference of Republicans and Populists held in this city could not agree to a fusion, it is very probable that there will be but one ticket nominated. Senator Butler to-day in speaking of the conference, said he was very sorry they had not reached an agreement. He said that the Populists presented the name of Cyrus Thompson for Governor, but that Senator Pritchard and his friends wished Congressman Linney nominated and in support of their claim set up the fact that they polled the largest vote and were entitled to the head of the ticket. The Senator said this point kept them in session two days; that he tried to impress upon the Republicans that without fusion the Democrats were sure to win but that his argument was of no avail; that there were other minor disagreements but none that could not have been readily adjusted provided they could have agreed on the governorship. He said further that the Populists would nominate Dr. Cyrus Thompson at the convention and ask the Republicans to endorse his nomination and divide the ticket.

Prominent Democrats here do not take any stock in the above statement given out by Senator Butler or in the similar one given out by H. C. Dockery, but say that this is merely given out to divert attention and gain certain votes that they would otherwise lose. A member of the North Carolina delegation today said:

"This all sounds very nice but it is the rankest kind of rot. They have no possible chance without fusion and are fully aware of the fact. Even with fusion I do not think that any of them are overzealous to make the sacrifice. Senator Butler had better smoke up."

THE DAILY REFLECTOR is late getting out this evening, owing to a break in the press that had to be waited on until it could be repaired. But for the good work of Mr. R. L. Humber, who is a skilled machinist, the delay would have been greater.

### Which War Was the Worst.

Washington, April 14.—The War Department has prepared an instructive statement, comparing the mortality of the Spanish-American war with those of the first six months of the present South African war, the purpose to show that the casualties suffered by the American troops at the time of their occurrence (which are regarded in some quarters as excessive, and are the basis of much criticism) were actually very much less in number proportionately than those suffered by the British army up to date.

As to the British showing the statement covers the returns from October 11 to April 7, nearly six months. There were 309 officers and 3,944 men killed in action, by accident or by wounds and disease. There were set down as missing and as prisoners 168 officers and 4,722 men and 288 officers and 4,934 men were invalided home, making the total British losses, exclusive of sick and wounded in the hospital in South Africa 76 officers and 12,600 men. It is estimated that nearly 10,000 officers and men are sick and wounded in the hospitals, showing a loss in effective strength since the beginning of the war of about 23,000 men. The number of wounded is not stated.

During the war with Spain, the American army lost by death 107 officers and 2,803 men. There were wounded 113 officers and 1,464 men. Only 12 per cent. of the American death rate resulted from wounds or occurred in battle, while the corresponding rate for the British army is 63.13 per cent.

Samuel Stophlet, of Kansas City, is the originator of a novel idea for the raising of the additional money necessary to rebuild the Convention Hall. He suggests that the iron of the burned building shall be made into medals bearing a picture of the old hall, with the dates of its completion and destruction on one side and the dates of the completion and dedication of the new structure on the reverse. Mr. Stophlet believes—and the Kansas City newspapers agree with him—that a large number of such souvenirs could be sold at \$1 each, leaving an enormous profit to be applied to the building fund.

Mr. Joe Williamson, a farmer living some distance from town, brought some tobacco here to sell last Thursday and at night as he was passing one of the warehouses Albert Calhoun and Nathan Whitehead, two negro tramps, assaulted him and so seriously cut him up that he is not expected to live.—Wilson News.

### Advertisements That Bring Results.

The advertisements that set people to thinking—that make them ponder descriptions of goods and statements of prices—are most certain to bring results to the advertiser. Every business man who advertises is amply repaid for the time and attention he gives to making his business announcements clear and convincing.—Philadelphia Record.

### Dead on the Deck.

New Bern, N. C., April 16.—There was a double killing Saturday afternoon at Swan Quarter, Hyde county. The trouble began between a negro and Captain McKinney, aboard a schooner. The negro fired at McKinney five times, but McKinney was protected by the mast. The negro then reloaded the revolver and attacked Capt. John Flowers. Flowers shot the negro through the breast, near the hear. The negro then seized Flowers, got his head under his arm and shot him through the brain, killing Flowers instantly. As Flowers fell to the deck the negro also fell across him dead. Captain Flowers lived at Aurora.

### What Churches They Belong To.

A delegate, who thinks about religious as well as political predilections has figured the religious leanings or memberships on the State ticket thus:

Governor Aycock—Baptist.  
Lt.-Governor Turner—Methodist.  
Secretary of State Grimes—Episcopalian.  
Treasurer Lacy—Presbyterian.  
Auditor Dixon—Methodist.  
Supt. of Schools Toon—Baptist.  
Corporation Commissioner McNeill—Presbyterian.  
Corporation Commissioner Rogers—Methodist.  
Labor Commissioner Varner—Presbyterian—two Baptists, three Methodists, three Presbyterians and one Episcopalian.

The paper trust says the reason for the high price of paper is low water that keeps their mills idle and scarcity of timber to work up into wood pulp. Yet they are shipping paper to Germany and selling it in that country cheaper than the Germans themselves can make it. A very good book somewhere tells us the devil is the "prince of liars." But that was before the trusts were invented.—Charlotte News.

Age tells on a girl and so does her little brother.

### Points on the Mortgage.

The mortgage is a self supporting institution.

It always holds its own.

It calls for just as many dollars when tobacco is cheap as when it is dear.

It is not affected by the drouth.

It is not drowned out by heavy rains.

It never winter kills.

Late springs and early frost never trouble it.

Potato bugs never disturb it.

It grows nights, Sunday's, rainy days and even holidays.

It brings a sure crop every year and some twice a year.

It produces cash each time.

It does not have to wait for the market to advance.

It is not subject to the speculation of the bulls and bears on the board of the trade.

It is a load that galls, frets and chafes.

It is a burden the farmer can not shake off.

It is with him morning, noon and night.

It eats with him at the table.

It gets under his pillow when he sleeps.

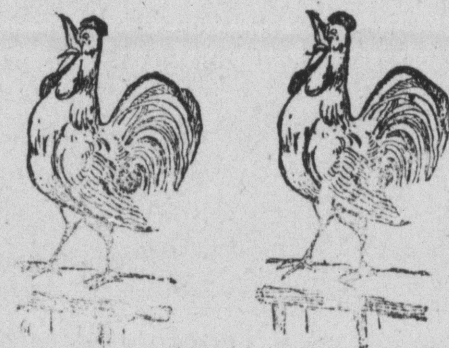

It rides upon his shoulder during the day.

It consumes his grain crop.

It devours his cattle.

It selects the finest horses and fattest steers.

It lives on the finest fruits of the season.—Sweetwater (Tenn.) Telephone.

### WINE OF CARDUI

### Woman Knows Woman.

ZURICH, KAN., Jan. 31.  
I used Wine of Cardui for nervousness and weakness in the womb. After taking one bottle I was well again. I am a midwife and always recommend Wine of Cardui to my lady friends during pregnancy and after birth as a tonic. Every lady who takes it finds that it does even more than is claimed for it.  
MRS. V. M. BOISVERT.

### McLREE'S Wine of Cardui

Nobody knows woman like woman. Men go to medical colleges, study books and listen to lectures. They learn indirectly of the diseases of women, but they are men and can never fully understand the ailments, the sufferings, the agonies of mothers, wives and sisters. A woman knows. Mrs. Boisvert knows. She has passed through the trials and tribulations of her sex. She has been near by when her sisters suffered. She has seen them relieved and cured with Wine of Cardui. Is it any wonder she recommends it? Is it any wonder that thousands of other women recommend it? They know. They have actual experience to prompt them. They spread the tidings from mouth to mouth, telling how Wine of Cardui helps young girls, helps the weak of all ages, helps and cures all womanly ills.

**FOR REGISTER OF DEEDS.**

**EDITOR REFLECTOR:**

This will doubtless be a short crop year for candidates, except for the office of Sheriff. To save a great trouble looking for a man to fill the place of Register of Deeds, I will name him. My selection is one that has ever been true to the call of the Democratic party, even if great sacrifice was demanded, and is well known throughout the county. He can poll a large vote, is a strong campaigner and can help as a teacher in educating the people on the question of the Amendment.

Mr. John D. Cox, of Contentnea township, is my man, and you can't beat this selection. Surely the public will thank me for naming so good a man. DEMOCRACY.

**A Swindler.**

Blount Bros., of Bethel, are after a man giving his name as J. W. A. Cohoon. He claimed to be selling school desks. He purchased a suit of clothes from these merchants and gave a check on the Bank of Tarboro, which had no funds belonging to him. Messrs. Blount are out their clothing, \$11 and something. He gave to F. B. Knight, a check on the same bank for \$3 cash.

Cohoon, it is said, forged an order on the school fund and went to Greenville to have the superintendent approve of it, but in this he failed. He then went to Rocky Mount and hired a horse and buggy and gave a check on the Bank of Windsor for \$3.91 for a part of which he received money.

This is the last heard of the man, if exception be taken to the information that the Windsor bank, like the Bank of Tarboro never heard of such a man.—Tarboro Southerner.

## THE POPULISTS

Holding Their State Convention.

Raleigh, N. C., April 18—About two hundred of the old regime pie eating Populists, composed almost entirely of office holders and ex-office holders, are here to attend the Populist convention today. Among some of them are Senator Butler, ex-Congressmen Harry Skinner, J. E. Fowler and Shuford.

A conference was held last night when a lot of talking was done but nothing more. A mass meeting was also held in the Academy of Music at which there was an attendance of about two hundred. Newspaper men and spectators were unceremoniously hustled out of the hall when Chairman Thompson called the meeting to order.

Many of the delegates say they want Butler to run for Governor. They go slow in giving expression about the Amendment. Mr. A. J. Moye, of Pitt county, says he does not believe the Populists and Republicans can carry a county east of the Wilmington & Weldon railroad, and thinks the Democrats will sweep everything.

The convention met at 11 o'clock this morning in the Academy of Music and was called to order by Dr. Thompson. Ex-Solicitor H. F. Seawell, of Moore county, was made temporary chairman.

Senator Allen, of Nebraska and Senator Pettigrew, of South Dakota, arrived early this morning and will address the convention this afternoon. They are the guests of Governor Russell at the Executive Mansion.

President McKinley will be invited to visit Charlotte during the next 20th of May celebration.

## A SPRING GREETING IN A MERRY MOOD.

Good Fortune Smiles

and you ignore rightful advantages if you do not claim the benefits offered in this

## Announcement.

Many are the needs that confront you with the advent of Spring. It is concerning these requirements and how they may be secured with satisfaction and economy that we wish to speak. Our new line is now ready. We present the latest and best Spring goods at a scale of uniformly low figures—so low, in fact, that they may be truthfully called, "price concessions." These goods are fully as attractive in style and quality as they are in price, and we are perfectly confident that they will appeal to your best judgment as a careful buyer in every way. This is a conservative statement regarding facts which can be easily substantiated any time you visit our store. Our great desire is to have you call and see our new Spring line. It will speak for itself—the quality and style will be apparent and the price will present its own argument. In extending this invitation we are not urging you to become a buyer on the strength of our statements but to become a visitor. We do not ask you to buy; but bring your experience and best judgment with you and compare our reasonable attractions with your most cherished memories of cheap buying—we'll leave the rest to your own inclination. Our stock is of the practical, popular kind, that shows in a marked degree the evidences of a careful and judicious selection from the best markets. Variety, new novelties, and a thorough up-to-date quality in all things is everywhere apparent. Our Spring goods are marked for quick selling. It is a time for you to decide quickly as to whether you shall select from our full assortment of fresh, desirable styles, or take chances on perfect satisfaction a little later on, when stocks of necessity, must be more or less broken. We should prefer to see you today or tomorrow; later in the season we should be very likely to please you but now we are certain to do so. Remember, such opportunities do not have to wait long for new comers. A look will convince you these are no idle words—will you call and give it? Yours respectfully,
