KINSTON MANTEL CO.

A Home Institution that Makes First Class Building Material and Guarantees Prices.

The Kinston Mantel Company, with its motto, "We Can Make It," deserves the liberal patronage it is receiving from home and neighboring towns. The Free Press always takes pleasure in commending first class enterprises, because they are needed and reflect credit on our city.

The machinery and buildings of the company are new and up-to-date in every respect, and the establishment is run by men who have had years of training and experience in shops north and south that makes a specialty of high grade work.

It was true at one time, that any extra nice piece of woodwork had to be bought from home, but a critical inspection of the pulpit in the new Baptist church, the jewelry cases in Denmark's beautiful store, the cabinets and fittings in Dr. Parrott's new office, and other jobs recently turned out from the shops of this company, will convince any one that it is not true now.

The company furnish doors, blinds, sash, brackets, railings, store fronts, scroll work and all kinds of fancy fittings for stores and residences. They make a mantel, neat and slightly, as cheap as \$1.50, and then prices run along up, as artistic finishings are added, till the purchaser says, "Stop!"

Every piece of work, whether cheap or expensive is scanned by the eye of the general manager, who is a master workman, and is not allowed to leave the shop if not all right.

And then too, its a fact, they tell us, that the company guarantee, in good faith, to save the buyer at least the cost of freights, on goods of equal value, and often more than that amount. The Kinston Mantel Company is a corporation, the stock of which is held by some of our best citizens, whose interest it will be to see that all promises are faithfully kept.

Correspondence is solicited, estimates will be made and prices given to parties at a distance who need supplies, or if requested, a representative of the company will call in person.—Kinston Free Press June 30th.

Ten Cent Cotton.

Commenting on the fact that cotton sold for 10 cents a pound in New Orleans a few days ago the Birmingham News says:

"What is more, the new crop is bound to be far short of expectations at the time it was planted, because of the excessive rains in April and June. The result will be a moderate, if not a short production. There certainly can be no over-production and that means high prices for a year or even longer, unless discounted by advance reports of a large crop in the summer of 1901. Thus will the planter be more than compensated for the losses he has sustained by untoward conditions."

Miss Ray Moore gave a lawn party on last evening in honor of her guest, Miss Bertha Patrick, of Greenville.—Washington Messenger.

They Stand The Test.

That is what Every Pair of

Dutchess Pants

Is guaranteed to do. Can you imagine a severer test than to tie one leg of a pair of pants to the ceiling and swing a keg of nails weighing 110 pounds to the other leg? That is the test seen in our window and hundreds of people have looked in wonder.

Dutchess Pants

are built to stand any kind of service and a guarantee goes with every pair—10 cents if a button pulls off or \$1 if they rip. Get the best when you buy and be sure you get the Dutchess None genuine without the name on the button.

TUESDAY, JULY 10, 1900.

Everything has its importance, but do not let your interest in any cause you to everlook the Legislative and county ticket when voting time comes. By looking at the ticket printed in another column of THE REFLECTOR you will find the names of men good and true, men whom you can trust. The hungry Fusionists are going to put forth every effort to defeat these men. While they are pretending to be doing nothing and taking no interest in what is going on, they are having the negroes instructed in night meetings how to act and vote. And they are appointing committees to wait on certain Democrats who had aspired to nominations before the Democratic convention and ask them to allow their names to be placed on the Fusion ticket. White men, don't you think that the black and tan crowd will not be on hand election day. They will be at the polls, every one of them, doing all in their power to defeat the amendment and the Democratic ticket.

THE DEMOCRATIC PLATFORM.

Following is the Platform Adopted by the Democratic National Convention at Kansas City.

[CONTINUED FROM YESTERDAY]

MILITARISM OPPOSED.

We oppose militarism. It means conquest abroad and intimidation and oppression at home. It means the strong arm which has ever been fatal to free institutions. It is what millions of our citizens have fled from in Europe. It will impose upon our peace-loving people a large standing army and unnecessary burden of taxation and a constant menace to their liberties. A small standing army and a well disciplined State militia are amply sufficient in time of peace. This republic has no place for a vast military service and conscription.

When the nation is in danger the volunteer soldier is his country's best defender. The National Guard of the United States should ever be cherished in the patriotic hearts of a free people. Such organizations are ever an element of strength and safety. For the first time in our history and coeval with the Philippine conquest, there has been an unwholesome departure from time-honored and approved systems of volunteer organization. We denounce it as un-American, undemocratic and un-republican and as a subversion of the ancient

and fixed principles of a free people.

REPUBLICANS RESPONSIBLE FOR THE TRUSTS.

Private monopolies are indefensible and intolerable. They destroy competition, control the price of raw materials and finished product, thus robbing both producer and consumer. They lessen the employment of labor and arbitrarily fix the terms and conditions thereof, and deprive individual energy and small capital of their opportunity for betterment. They are the most efficient means yet devised for appropriating the fruits of industry to the benefit of the few at the expense of the many and unless their insatiate greed is checked all wealth will be aggregated in a few hands and the republic destroyed. The dishonest paltering with the trust evils by the Republican party in State and national platforms is conclusive proof of the truth of the charge that trusts are the legitimate product of Republican policies, that they are fostered by Republican laws and that they are protected by the Republican administration in return for campaign subscriptions and political support.

WAR DECLARED ON MONOPOLIES.

We pledge the Democratic party to an unceasing warfare in nation, State and city against private monopolies, in every form. Existing laws against trusts must be enforced and more stringent ours must be enacted providing for publicity as to the affairs of corporations engaged in inter-State commerce and requiring all corporations to show before doing business outside of the State of their origin, that they have no water in their stock, and that they have not attempted and are not attempting to monopolize any branches of business or the production of any articles of merchandise, and the whole constitutional power of Congress over inter-State commerce, the mails and all modes of inter-State communications shall be exercised by the enactment of comprehensive laws upon the subject of trusts. Tariff laws should be amended by putting the products of trusts upon the free list to prevent monopoly under the plea of protection. The failure of the present Republican administration with an absolute control over the branches of the national government to enact any legislation designed to prevent, or even curtail, the absorbing power of trusts and illegal combinations, or to enforce the anti-trust laws already on the statute books, prove the insincerity of the high sounding phrases. Corporations should be protected in all their rights and their legitimate interests should be respected, but any attempt by corporations to interfere with the public affairs of the people, or to control the sovereignty which creates them, should be forbidden under such penalties as will make such attempt impossible.

DINGLEY TARIFF CONDEMNED.

We condemn the Dingley tariff as a trust-breeding measure, skillfully devised to give the few favors which they do not deserve, and to place upon the many burdens which they should not bear. We favor such an enlargement of the scope of the inter-State commerce laws will enable the commission to protect individuals and communities from discriminations and the public from unjust and unfair transportation rates.

16 TO 1.

We reaffirm and endorse the principles of the national Democratic platform adopted at Chicago in 1896, and we reiterate the demand of that platform for an American financial system made by the American people for them-

selves which shall restore and maintain a bimetallic price level and as part of such system the immediate restoration of the free and unlimited coinage of silver and gold at the present legal ratio of 16 to 1 without waiting for the aid or consent of any other nation. We denounce the currency bill enacted at the last session of Congress as a step forward in the Republican policy which aims to discredit the sovereign right of the national government to issue all money, whether coin or paper, and to bestow upon national banks the power to issue and control the volume of paper money for their own benefit. A permanent national bank currency, secured by government bonds, must have a permanent debt to rest upon, and if the bank currency is to increase with population and business, the debt must also increase. The Republican currency scheme is therefore a scheme for fastening upon the taxpayers a perpetual and growing debt for the benefit of the bankers. We are opposed to this private corporation paper circulated as money, but without legal tender qualities, and demand the retirement of the national bank notes as fast as this government's paper or silver certificates can be substituted for them.

SENATORS BY DIRECT VOTE, ETC.

We favor an amendment to the Federal constitution providing for the election of United States Senators by a direct vote of the people and direct legislation wherever practicable.

We are opposed to government by injunction; we denounce the blacklist and favor arbitration as a means of settling disputes between corporations and their employees. In the interest of American labor and the uplifting of the workingmen, as the cornerstone of the prosperity of our country, we recommend that Congress create a Department of Labor in charge of a Secretary, with a seat in the cabinet, believing that the elevation of the American labor will bring increased prosperity to our country at home and our commerce abroad. We are proud of the courage and fidelity of the American soldiers and sailors in all our wars; we favor liberal pensions, and we reiterate the position taken in the Chicago platform in 1896, that the fact of enlistment and service shall be deemed conclusive evidence against disease and disability before enlistment.

NICARAGUAN CANAL.

We favor the immediate construction, ownership and control of the Nicaraguan Canal by the United States and we denounce the insincerity of the plank in the national Republican platform for an isthmian canal in the face of the failure of the Republican majority to pass the bill pending in Congress. We condemn the Hay-Pauncefote treaty as a surrender of American rights and interests not to be tolerated by the American people.

IMMEDIATE STATEHOOD PROMISED.

We denounce the failure of the Republican party to carry out its pledges to grant statehood to the Territories of Arizona, New Mexico and Oklahoma, and we promise the people of these territories immediate statehood and home rule and a territorial form of government for Alaska and Porto Rico. We favor an intelligent system of improving the arid lands of the West, storing the waters for purposes of irrigation and the holding of such lands for actual settlers.

NO ENTANGLING ALLIANCES.

We favor the continuance and strict enforcement of the Chinese exclusion law, and its application to the same classes of all Asiatic

Peace, commerce and honest friendship with all nations: entangling alliances with none." We approve this wholesome doctrine and earnestly protest against the Republican departure which has involved us in so-called world politics, including the diplomacy of Europe and the intrigues and land grabbing of Asia, and we especially condemn the ill-concealed Republican alliance with England, which must mean discrimination against other friendly nations, and which has already stifled the nation's voice while liberty is being strangled in Africa. Believing in the principles of self-government, and rejecting, as did our forefathers, the claim of monarchy, we view with indignation the purpose of England to overwhelm with force the South African republics.

SYMPATHY FOR THE BOERS.

Speaking as we do for the entire American nation, except its Republican office-holders, and for all free men everywhere, we extend our sympathies to the heroic burghers in their unequal struggle to maintain their liberty and independence. We denounce the lavish appropriations of recent Republican Congresses, which have kept taxes high and which threaten the oppressive war levies. We oppose the accumulation of a surplus to be squandered in such barefaced frauds upon the taxpayers, as the shipping subsidy bill, which under the false pretense of prospering American shipping, put unearned millions into the pockets of favorite contributors to the Republican campaign fund.

REPEAL OF WAR TAXES.

We favor the reduction and speedy repeal of war taxes and a return to the time-honored Democratic policy of strict economy in governmental expenditures.

AN APPEAL TO LIBERTY-LOVING AMERICANS.

Believing that our most cherished institutions are in great peril; that the very existence of our constitutional republic is at stake and that the decision now to be rendered will determine whether or not our children are to enjoy those blessed privileges of free government which have made the United States great, prosperous and honored, we earnestly ask for the foregoing declaration of principles the hearty support of the liberty loving American people regardless of previous party affiliations.

The Messenger learns that Mr. Seawell, populist nominee for attorney general was to speak at Laurinburg yesterday but was notified by telegraph as he came down the Carolina Central road that he would not be allowed to speak. He did not heed the warning. A few miles above Laurinburg two red shirts got on the train, at the next station about fifty red shirts came on board and at Laurinburg where Seawell got off the train he was picked up bodily and put back on the car and told to keep going. It is needless to say that he heeded their advice and did not get off again until he reached Maxton.—Wilmington Messenger, 8th.

Busy Bee Workers.

The Little Busy Bees gave a party to a number of young folks Monday night at the residence of Mr. S. M. Schultz. A large number of young people were present and all had a most delightful time. The object of the party was to raise funds for charitable purposes. Each one invited to the party contributed as many pennies as they were years old, which entitled them to the refreshments. The proceeds of the party amounted to nearly eight dollars.

The little folks have already been doing much good by their work and contributions.

Doing the Town.

Dock Clark did not seem to be
 satisfied at being before Mayor
 Moye Monday morning. He con-
 tinued to fill up on bad whiskey
 and late in the afternoon proceeded
 to do the town. He drove his steed
 up and down main street, whooping
 and hollering in wild west style.
 Seing Chief of Police Smith ap-
 proaching in front Clark under-
 took to drive over him, but the
 Captain was too spry. He grab-
 bed the rein, halted the horse and
 put a stop to the performance.
 Clark was taken from the buggy
 and escorted to the guard house
 where he did not attract so many
 spectators as on the street. Pity
 that a man will so debauch him-
 self with whiskey.

Go register at once and then give
 as much time as you can spare be-
 tween now and the 21st looking up
 any of your neighbors who have
 failed to register and get their
 names on the books.

Registrar Thompson Arrested.

Winston-Salem, July 6.—The
 Democrats here are greatly stirred
 up over the arrest today of Regis-
 trar John T. Thompson, of the
 second ward, in Winston, by Dep-
 uty Marshall Griffin. The bill of
 indictment was drawn yesterday
 by ex Judge John Gray Bynum, of
 Greensboro. The charge against
 the registrar is refusing to register
 negroes. The affidavits and wit-
 nesses are all black men. Assis-
 tant District Attorney Blackburn
 signed a certificate ordering the
 deputy marshal to make the ar-
 rest. Mr. Thompson promptly gave
 a \$1,000 bond for his appearance
 before a United States commis-
 ioner next Tuesday.

The plan of the Republicans is
 to get the case in the Federal Court.
 The Democrats propose to stand by
 the registrar. The Sentinel this
 afternoon says: "After this dis-
 play of desperation on the part of
 the Republicans you may put it
 down that Forsyth county is going
 into the white man's column on the
 first Thursday in August."

The White Man's Club held an
 enthusiastic meeting tonight when
 the arrest of Registrar Thompson
 was denounced in plain language.

Arrangements were made for a
 big torchlight procession from
 Winston to Salem square tomor-
 row night, where ex-Governor
 Jarvis speaks.

Busy Place.

Greenville presents a busy place
 for carpenters and other building
 workers. Right now there is work
 in progress on the knitting mills, a
 church, a large brick warehouse,
 and several dwelling houses. And
 the hotel will start as soon as
 enough material can be got togeth-
 er.
