THE TIDE TURNED.

Negroes Arrested for Swearing Out Warrants.

Special to Reflector.

Winston-Salem, N. C., July 13. —Four negroes who swore out warrants against registrars have been arrested and are now in the hands of the Sheriff. Justified bonds fixed at five hundred dollars each. Chairman Simmons is still here and says every man who swears out similar warrants will be arrested.

THE SENTINEL.

The above telegram to THE REFLECTOR tells its own story. At the instance of Chairman Holton, of the Republican committee, negroes swore out warrants against registrars in Winston and the registrars were taken before a U. S. Commissioner for trial. Such high handed outrage shows the desperation to which the Republicans have gone in their efforts to secure the defeat of the Amendment.

White men are not going to submit to such outrages and if the negroes will continue to be such fools as to allow the Holton-Butler gang to make cats paws of them they may expect to reap the consequences.

WINTERVILLE

DEPARTMENT.

NEWSY HAPPENINGS AND BUSINESS NOTES

WINTERVILLE, N. C., July 14. Simon Moye, Rufus and Heber Tripp attended the picnic at Kings X Roads Wednesday.

The latest joke is on Mr. Hunsucker, but we are not responsible for the truthfulness of it. It is reported that while he was getting change for a quarter the other day, some remarks about his best girl abstracted his mind so that he gathered on his quarter and the other man's both, and walked out. We are aware of the fact that two quarters make a half, but it is only a half dollar, while a better half is what he needs.

A. G. Cox Mfg. Co. is keeping quite a stir around now. Tobacco flues and Tar Heel Wagons give the hustle.

Winterville is in need of more laborers as well as business men. Applications had better be made at once.

Miss Liva Cox is visiting relatives here.

The office of A. G. Cox, so says Bud Joe, is headquarters for Democracy. A gold bug with Aycock hat on head and white Supremacy written on back, was found there yesterday. The bug was about 1 inch in length by $\frac{1}{2}$ inch in width, its sides and edges were of a golden tinge and its head silvery colored. We take it as a good omen.

Winterville Cigar Co. is now selling their goods in four different States.

If you wish to educate your children, we have a good school.

A. G. Cox has several small farms of 15 or 20 acres each for sale near Winterville, also several town lots. Terms are very reasonable.

H. M. Dixon has just returned from Scotland Neck, where his wife is still visiting.

Don't imagine you have the best buggy made until you have tried the Hunsucker buggy. Send your orders to the Hunsucker Carriage Co. at once.

They Stand The Test.

That is what Every Pair of

Dutchess Pants

Is guaranteed to do. Can you imagine a severer test than to tie one leg of a pair of pants to the ceiling and swing a keg of nails weighing 110 pounds to the other leg? That is the test seen in our window and hundreds of people have looked in wonder.

Dutchess Pants

are built to stand any kind of service and a guarantee goes with every pair—10 cents if a button pulls off or \$1 if they rip. Get the best when you buy and be sure you get the Dutchess. None genuine without the name on the button.

SATURDAY JULY 14, 1900.

Teddy has started in his work of "pulling McKinley through," and the strain has already become tremendous.

Isn't it about time for the Chinese Emperor to come out with an announcement that the report of his death has been greatly exaggerated.

A white man is getting to a low ebb when he will come all the way from Dakota to Carolina to champion the cause of a horde of ignorant negroes against the white people.

By a mighty effort the administration has been able to send one additional regiment from Manila to the rescue of Americans in China. But Gen. McArthur cables that he cannot spare more than this. Yet he has some 65,000 under his command. Evidently the insurrection has been suppressed, and "the war is over."

Now let some body else swear out a warrant against a registrar and see what goes with him. The Winston negroes who did this at the instance of Holton are in limbo. Holton is the man who ought to be in jail. But that is the way of it—the mean whitescamps put the negroes up to deviltry, and when trouble comes the ignorant negro catches it and his white coxer slips off.

The British are at least candid. The latest official report shows that their total losses in the South African war to date are over 48,000 men, about one-fifth of their entire force. What the losses of the U. S. troops in the Philippines have been is not known, because of the policy of secrecy followed by the administration, but they must be proportionately nearly as great.

Ex-President Harrison thinks that Indiana is doubtful this year and says he would not be surprised if it went Democratic. The New York Tribune, the great apostle of Republicanism, classes New York and Michigan as doubtful states this fall. Altogether, the Republicans are beginning to awake from their pipe dream, that the silver plank spells ruin, and to realize that imperialism will be the real issue after all.

"Will any considerable part of the Democratic party which supported Bryan in 1896 now support McKinley?" "No." "Will any considerable part of the Republican party that supported McKinley in 1896 now support Bryan?" "Most assuredly—the anti-imperialists." Then, even if the gold Democrats vote as they did in 1896, Bryan will be stronger than before and as something like 25,000 votes, rightly distributed, would have elected him then, the chances are decidedly in his favor now.

Buildings Wrecked.

At 5 o'clock P. M. Sunday July 8 our town was visited by a cyclone blowing off the steeple of the Baptist church and completely demolishing the handsome new store of Baker & Hoggard just being completed. At the time several persons were in the building and all escaped unhurt, except four. Each of these were caught by the falling timber and sustained painful wounds. Mr. Bud Austin, who was thought to be seriously injured is improving. Scarborough Hancock, your regular correspondent, has his left arm broken at the wrist, and hand badly mangled. Messrs Geo. W. Baker and C. W. Joyner were badly bruised. The former also receiving a flesh wound above the eye. All of them are getting on fairly well. The loss is estimated at \$4,300. Owing to the condition of affairs, the political speaking which was billed for today has been postponed. The lawn party for the benefit of the M. E. church was also postponed for same reason.—Lewiston Cor. Rich Square Times.

Mr. G. W. Baker is a member of the firm of Baker & Hart at Greenville. His friends here sympathize with him and hope he will soon be well of his injuries.

A Fight to the Finish.

The present campaign is a political war of white man vs. the negro and it is a fight to the finish. It cannot result in a drawn battle. No compromise can be suggested or affected. One race must and shall win, the other must yield.

When a people engage in a war of justice or humanity or necessity, when they possess the consciousness that the God of battles is with them—the greatest risks and privations and most stringent measures will be employed to secure the victory. And the white people of our State will neglect no precaution nor leave a stone unturned in this fight for the supremacy of their race.

With such great interests at stake that move the great multitude of white voters of North Carolina to action they will accept no decision but "Victory" in this contest. Resolute and determined men fighting for such a cause will not for a moment consider "Defeat" as a possibility in the settlement of this battle.—Smithfield Herald.

The British war office at London has issued another casualty list from South Africa, showing that during the week ending July 7th, there were killed, wounded or captured, 15 officers and 180 men; accidental deaths, 2 men; died of disease, 4 officers and 194 men; invalided home, 72 officers and 1,136 men. Total casualties as a result of the war are 48,188 officers and men.

W. C. Hines has bought two full grown blood hounds from a firm in Illinois. They came by express Thursday afternoon.

WASHINGTON LETTER

From Our Regular Correspondent.

WASHINGTON, D. C., July 13 1900. The administration has been wobbling again. One day it officially announced that in deference to the advice of Gen. MacArthur, no more troops would be sent from the Philippines to China, and the next it ordered a regiment of infantry and a battery of artillery to be sent from Manila.

Praise for the manner in which the democratic platform is written is very frequently heard sometimes even from republicans. Ex-Senator Faulkner, of West Virginia, said of it: "I have never read a better national platform than that adopted at Kansas city. It is written in plain language, says exactly what it means and without indirection."

One of the signs that the Republicans are not so cocksure of Ohio as they pretend to be is the announcement that Hanna's man Dick has been made chairman of the State Republican executive committee. That means Dick will retire from the secretaryship of the Republican National Committee, which he has held since the last campaign and which carries a salary of \$5,000 a year, while the position he has accepted in Ohio has no salary. Who will succeed Dick as Secretary of the National Committee has not been announced, but, of course, it will be some man thoroughly trained in Hanna methods of securing political ends. It wouldn't cause any surprise in Washington if Perry Heath resigns as First Assistant Postmaster General and succeeds Dick.

Mr. Henry Ault, of Boston, now in Washington, said of politics in his State: "If Massachusetts was not so overwhelmingly republican it would go democratic this year. The press and republican party leaders are inclined to sneer at the anti-expansionists of the Bay State and to intimidate that they are of no consequence politically, but when the election returns are in it will be seen that anti-expansion has more adherents than it has been given credit for having. The question is not looked upon as one of purely government policy, as is the tariff or coinage of silver, but as one in which deep principles of right and justice are involved, and the people of Massachusetts are not to be laughed or sneered out of their profound convictions."

That the democratic expectation of electing a majority of the next House is not a case of rainbow-chasing must become plain to any one who will carefully study the election returns of two years ago. With three vacancies, two in republican districts and one in a democratic district the republicans only have a majority of 16 in the present House and three of them were seated as the result of contests from districts which elected democrats and will do so again. There are twelve republicans in the present House who were elected by pluralities of less than 1,000—one from California with 113 plurality, one from Illinois with 242, and another from the same state with 503; one from Indiana with 252, one from Kentucky with 10, one from Maryland with 122 and another from the same state with 470; one from Minnesota with 403, one from New Jersey with 836, one from Ohio with 406, and two from West Virginia with respectively 624 and 873. If democrats are elected from all these districts and lose none of the seats they now hold they will control the next House.

The white man who does not register and vote for the Amendment has but little regard for the welfare of his home and people.

A Pretty Pair, Truly.

Marion Butler and Jeter Pritchard tell the people that the Democratic party has broken faith with them in allowing them to vote on the question of eliminating the ignorant negro from the suffrage. And yet each of these men denounced the other no longer than three years ago for treachery and a deliberate violation of pledges. Pritchard said Butler broke his contract with him most shamefully, while Butler replied in kind and said Pritchard was re-elected by corrupt methods. A Pretty pair they are to be going up and down the State talking about bad faith.—Webster's Weekly.

Getting Negroes Into Trouble.

The white Black-and-Tan leaders are going to get their ignorant followers into trouble. Already in Vance county one negro who was in a hurry to follow directions sees the penitentiary doors opening for him as thus stated by the Henderson Herald:

"One negro, who was persuaded to register illegally in this place, afterward went to the registrar and asked that his name be stricken from the books. His wish was complied with but a note was made of the fact that he had perjured himself and he will be prosecuted in the courts for said perjury. We trust that the anti-amendment leaders will not get any more negroes into trouble by persuading them to perjure themselves."

Two Young Men Drowned.

Charlotte, N. C., July 12.
News reached here tonight of the drowning of two students of Davidson college in Catawba river. Yonan, a young Persian, who graduated from Davidson this year, and Fred Hobbs, a student who resided in the town went swimming this afternoon and were caught in what is known as a suck-hole and were drowned before help could reach them. Yonan's home is in Persia. He was converted to Christianity and come to this country to prepare himself for the Presbyterian ministry. He had just completed his education this year.

The Western Medley.

Congressman Kelly, of South Dakota, with J. B. Lloyd, of Tarboro as pilot, were here today to speak to the negro and instruct them how to do in the election. Lloyd said he was sick and took no part in the speaking, but Kelly held forth at 1 o'clock, and for some over an hour he twanged and harangued and read to the crowd. The Court house was pretty well filled, fully two thirds of the crowd being negroes. It was somewhat of a peculiar scene. There was a little squad of Populists up close around the stand and when he said the Populists were the only white folks party going they cheered him. And when he got to abusing the Democrats about the amendment the crowd of negroes laughed and hollered for him. But when he said he wanted the Democrats to come on with them and help elect Bryan President not a Populist nor a negro gave him a second.

That is the kind of medley the Dakota importation gave. It failed of enthusiasm and was about as sorry an effort at speech making as anybody pretending to be a speaker could make. He seemed an utter stranger to truth and handled that article with reckless carelessness. The black-and-tan combination made nothing by having the westerner come to Pitt county.
