## WINTERVILLE DEPARTMENT.

### NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., Nov. 7th.

Wagons, carts, cart saddies,  
back bands and cart wheels manu-  
factured by the A. G. Cox Mfg Co.  
are attaining a very extensive rep-  
utation, owing particularly to  
their construction, the material  
out of which they are made, as  
well as the fair prices charged and  
the reliability of those who are at  
the back of the enterprise.

Lewis Lawrence and Will Dancy,  
who have been here for quite a  
while working left for their homes  
last Saturday. They left several  
general reminders in the shape of  
newly painted residences which  
add very much to our town.

The Hunsucker Carriage Co  
would be specially pleased to have  
the public call and examine their  
new assortment of harness which  
has just arrived. They will treat  
all who call all right, of that you  
can rest assured.

The Winterville Cigar Co. re-  
ceived an order last Saturday from  
one firm for ten thousand cigars.

Miss Daisy Carman, of Rountree,  
is visiting the Misses Wesson.

Hap Cox, of Grifton, was here  
yesterday on a special visit.

T. R. Moore, Register of Deeds  
for Pitt county, paid us a visit to-  
day.

There is considerable talk and  
right good prospects for organiz-  
ing a lodge of the order of Jr. O.  
U. A. M. Society here.

The election passed off very  
quietly here. The Republican  
tickets did not arrive until about  
noon and a more disheartened or  
crest fallen set of colored people  
you never saw, but when the tick-  
ets came they marched to the polls  
as rapidly as possible and cast  
the ballot to save their country. I  
guess you have the result, so I will  
not repeat. The Carr men did  
well and polled a nice vote. Much  
larger than we thought they would.  
While we are for Simmons, we say  
hurra for Carr too!

A. G. Cox is still paying the  
highest cash prices for cotton seed.

**Hon. F. M. Simmons.**

Mr. Simmons may justly feel  
proud of the magnificent tribute  
just paid him by his fellow citi-  
zens. It is an evidence of confi-  
dence, and manifested in a manner  
which rarely falls to the lot of any  
man. That it is not misplaced  
those who know him best believe,  
and, that he will sustain the ex-  
pectations indicated all feel assur-  
ed. This vote of his fellow Demo-  
crats means much more than a re-  
ward for past services. It means  
a confidence in the possession of  
that integrity and ability which is  
requisite for so high a trust as a  
seat in the senate of this great gov-  
ernment. It is a pleasure for us  
to believe, knowing Mr. Simmons  
as we do, that this confidence is  
not misplaced. He will wear with  
dignity and honor the toga of a  
senator, and will discharge the  
duties to his State and country  
faithfully and ably—Raleigh Post.

Now that the elections are all  
over let everybody get down to  
business.

### AUCTION LOT SALE.

It Proved Quite a Success.

Greenville had something Wed-  
nesday that is out of the ordinary  
of events here, but THE REFLEC-  
TOR believes that it awakens an in-  
terest in real estate that is going  
to be beneficial to the town. It  
was the auction sale of lots on the  
property of Messrs. R. J. Cobb  
and R. L. Davis, just west of town.  
The sale was in charge of Mr.  
A. Harris, of New York, who has  
had several years experience in  
sales of this kind.

There was a large crowd present  
at the sale and the bidding at  
times was spirited and interesting.  
In all about twenty-eight lots  
were sold, size 50 x 145 feet, the  
prices ranging from about \$50 to  
\$75 per lot. After the sale was  
over one lot was given away just  
as had been promised. Every per-  
son present was given a ticket  
with a number on it. Correspond-  
ing tickets were placed in a hat  
and a number drawn out. Mr.  
L. C. Arthur held the number  
that drew the lot and it was given  
to him.

It is a splendid piece of prop-  
erty on which these lots are lo-  
cated and will make a good residence  
section. Messrs Cobb & Davis  
have refused several times to sell  
any of it to colored people, and if  
those who have bought out there  
will not put up any buildings to  
be occupied by colored tenants it  
will prove a desirable section.

### Result in The State.

THE REFLECTOR received the  
following telegram from Raleigh,  
Wednesday afternoon, and we pub-  
lish it today as it contains some  
information our readers have not  
yet had.

Raleigh, N. C. Nov. 7.—Dis-  
patches to Morning Post and Dem-  
ocratic State Committee to non  
indicate defeat of Crawford in  
north and leave eighth still in  
doubt. Simmons majority over  
Carr may reach 58 thousand (Ay-  
cock majority in August) Bryan's  
majority in State about 20 thou-  
sand. Mr. Simmons desires to ex-  
press through your columns warm-  
est thanks and profound gratitude  
and especially does he feel grateful  
to the "country" news papers who  
stood by him despite inducements  
and efforts to contrary. He will  
make one of the greatest Senators  
we ever sent to Washington.

MAXWELL GORMAN.

### Read This.

We have taken great care in  
growing the most improved bright  
tobacco seed—the White Stem  
Orinoco, the Broad Leaf Orinoco  
are the most reliable tobacco ever  
grown in any section. Every man  
in the east, who cultivated this  
kind will average from 2 to 5 per  
cent more than any other kind.  
Mr. Sam Mumford, at Ayden, says  
that his Orinoco will bring fifty  
dollars more per acre than any  
other kind grown on same land.  
Martin county people are growing  
Orinoco and coining money. You  
will find these seed for sale at Dr.  
Wooten's and Dr. Bryan's Drug  
stores and at some store in each sec-  
tion of the county at 25 cents per  
package.

## OUR KALEIGH LETTER

The proposition just launched upon the sea of public opinion by Superintendent of Public Instruction Mebane and others to erect a monument to the late Dr. Calvin H. Wiley in Capital Park this city, is meeting with some encouragement. It is also suggested that all county superintendents inaugurate a Calvin Wiley day, to be celebrated in the schools of every county in the State.

The 5,000 cotton mill operatives who have been "locked out" of the mills of Alamance county by the owners, because of their refusal to abandon the newly formed labor unions, are now preparing for a long seige. An agent of the International Textile Labor Union, which has hundreds of thousands of members has been on the scene lately and is arranging to furnish food and clothing (and shelter where necessary) to the workingmen and workingwomen who are refused employment on account of their organization. Looks as though there will have to be concessions on the part of somebody before the mill owners and operatives get together again. In the meantime many of looms and spindles are idle.

The Democrats of this district are congratulating themselves and each other on the fact that we are to have such a splendid representative in the next congress. The fourth district has contributed mighty poor material to the congressional structure of late years, but I believe we have had few if any abler and no truer and more effective and thoroughly representative Congressman than Edward W. Pou will make. He is a splendid man in every way, and just ripening into full manhood, with a heart everflowing with love for his State and people.

The "Fountain" cotton mill of Tarboro has authorized an increase of its capital stock 100 per cent., making it \$200,000 and Concord is to have a new cotton mill, B. E. Harris and others build it.

Two new cotton mills are to be built in Burke county and one just across the Catawba river in Caldwell. Messrs. Abberholt and Rudisill of Cherryville, will build one and the Rhodiss manufacturing Company the other two.

The negro State Fair held here last week was fairly successful one. The exhibits of the colored A. and M. College of Greensboro and a number of specimen of the handiwork and industry of colored people were very creditable to the race. The Fair, as usual was held on the ground of the white State Fair, association, which annually gives the darkeys the free use of both grounds and buildings.

Col. A. B. Andrews, of this city,

first vice-president of the Southern Railway, last week completed a quarter-century connection with the lines now composing part of that system, he having been elected superintendent of the N. C. Railroad in 1875. Col. Andrews enjoys the reputation of being probably the ablest railroad manager in the entire South, and North Carolina is proud of him.

Another matter of State interest in railroad circles is the reported offer of the position of General Manager of the Grand Trunk Railroad of Canada to vice-President St. John of the Seaboard Air Line. It is added that Mr. St. John feels too great an interest in the latter road (which he has so largely contributed to build up) to sever his connection with it now, and the management would doubtless be loth to give him up.

The University of N. C. against the Georgia University football game to be pulled off in Raleigh ten days hence, is claiming much interest. The N. C. boys last week defeated the Tennessee University football team at Knoxville; score 22 to 5!

The Mill owners of Alamance have notified the union operatives now idle because of the "lock out" or strike in that county, to vacate the houses of the companies occupied by them as dwellings, during the present week. It is stated that tents will be used by many, but they will probably be found to be very uncomfortable during the winter. Two of the Alamance mills are not affected by this lock-out, viz., the Juanita and the Virginia. All the others refuse to employ "union labor", and about 4,000 operatives are out.

The Methodists are getting ready for their general conference, soon to be held. The Baptist State convention meets in Raleigh next month. The Synod of N. C., embracing seven Presbyteries, meets here next, week, November 13.

Northern visitors are beginning to arrive at Pinehurst and Southern Pines and other North Carolina winter resorts in larger numbers than in years so early in the season.

And now Greensboro is to have a silk mill, it is said G. G. Walker of New York, representing a Northern syndicate was there last Friday prospecting for a site for such a plant. Greensboro is already one of the best and busiest and fastest growing towns in the State and has a bright future before it.

## Ex-Judge Buxton Dies Suddenly

Fayetteville, N. C., Nov. 6.—Hon. R. P. Buxton died today after a brief attack, while sitting in a chair. He was a prominent Republican, a member of the Constitutional convention, candidate for Governor against Jarvis, and was for years Judge of the Superior court. He was highly esteemed in the community, a member and vestryman of St. John's Episcopal church. He married Miss Rebecca Bledsoe, of Raleigh, who survives him. He leaves no children.

**Bryan Undismayed.**

Lincoln, Neb., Nov. 7.—Mr. Bryan arose at his usual hour this morning, refreshed after a long and sound sleep, and to all outward appearances as cheerful and contented as if he had not just been defeated a second time for the presidency.

He had told his friends when he bade them good night shortly after 11 o'clock last night that he would be glad to see them at 10 a. m. today and would be ready to receive all who might call at that hour. To a few intimate friends who visited the Bryan home before the appointed time he appeared to be not in the least cast down by defeat. He was deeply grateful, he said, for the splendid support that had been given to him by the party at large, and was intensely pleased with the Democratic gains made in the New England States, New York and the great middle West. He expressed his intention, so far as he was personally concerned, of continuing the "battle for the great principle for which the Democracy had contended," undismayed by the result of the election.

# HIGGS & TAFT'S

WEATHER BULLETIN

Fair tonight and Wednesday.

Cut This Out.

**FREE**

We offer the public our entire stock of goods at one-half the profit we have been asking. We are showing a strong line of Ladies' Jackets at two-thirds of what other merchants get for them.

Our large business for three weeks convinces us that the secret of success lies in the **VOLUME** of business. We rather sell \$100 and make \$10 than to sell \$50 and make \$10.

## FURNITURE.

Every boat and train brings us new goods, and we knife the price when we mark them. Quartered Oak Suits and Hall Racks just in. Strongest line of Furniture in Pitt County.

**Buck Stoves, Elmwood Heaters, Best on Earth.**

**HIGGS & TAFT.**

**YOU**

Can't afford to buy shoes that hurt you, for you spend two-thirds of your life in them. No shoes, no matter at what price, can fit more comfortably, more naturally, more gracefully, more perfectly than the

*Queen Quality*

shoe for women. The natural woman's foot is the "QUEEN QUALITY" LAST. That is the reason these shoes NEED NO "BREAKING IN". They feel as comfortable as a stocking from the moment your feet enters them.

**\$3.**

NONE HIGHER.

ONE OF THE MANY STYLES.

LONG AND SHAPELY.

**A STEP AT THE TIME.**

Begin With the Shorter Ones and They Get Longer.

Standard Sewing Machine is easiest, lightest and best. Cheap at S. M. Schultz.

The ladies of the Methodist church will give a supper in the opera house Friday night. Everybody invited.

50,000 Cabbage Plants for sale, Early Jersey Wakefield and Charleston Wakefield varieties. DANIEL R. KING.

Printer wanted for newspaper work at REFLECTOR office. Write at once stating experience and weekly wages.

Next Thursday, 15th, is the date for the Rhoda Royal circus here. It is spoken of highly wherever it goes.

This New Bern fair comes off next week. It is going to be something worth going to see and a large crowd should attend.

The Schumann concert in the opera house Wednesday night was the best entertainment ever given in Greenville. The music was entrancing.

**Handsome Calendar.**

THE REFLECTOR has received from the Youths' Companion, Boston, a copy of their calendar for 1901. The Companion sends out every year the prettiest calendars that we see, and the one for next year is no exception. It is a real work of art and will be an ornament to any room.

**The Election.**

The election Tuesday was a land slide for McKinley, and nothing that has been learned later makes any material change in the first news that came. McKinley will receive 292 electoral votes, with a possibility of a few more. He carried all the doubtful States.
