MURDER AT FALKLAND.

John Parker Slays Alex Little.

We do not believe Pitt county has had a more cold blooded and unprovoked murder than one that occurred at Falkland Saturday, when John Parker wilfully slew Alex Little, both parties white.

Saturday morning John Parker was sworn in as a special police officer at Falkland. During the day he heard a noise in Nichols' bar and went in to tell the parties inside to make less noise. Alex Little was in there quietly settling some bills. Parker said to Little "You are the very man I have been looking for. I understand you said no Falkland policeman could arrest you."

To this Little replied "I have made no such remark and had no occasion to make it, for I have done nothing to be arrested for."

"Come take a drink with me then," said Parker.

Little agreed to take the drink with Parker. They went up to the counter and the drinks were poured out, when Parker stepped back and said. "Before we take this drink I want to know if you take back what you said."

Little again replied "I have said nothing to take back. What is the matter with you?"

Quick as a flash Parker drew his pistol and emptied it into Little, killing him almost instantly. Parker made his escape.

Coroner Laughinghouse went out to hold an inquest and found the above particulars of the murder.

Mayor's Court.

Mayor J. G. Moye has disposed of the following cases in his court since last report:

Charles Braxton and James Allen, assault, each plead guilty recognized for appearance at January term of Superior court.

Wm S. Briley and Elijah Marrow, riotous and disorderly, Briley guilty of disorderly conduct and fined \$1, and costs, \$3.85; Marrow guilty of carrying concealed weapon and recognized for appearance at January term of Superior court.

Elias Sutton, disorderly conduct, fined \$1 and costs \$3.40.

David Royster drunk and disorderly fined \$5 and costs, \$8.60.

William Lewis, riotous and disorderly, fined \$2.50 and costs \$5.75.

John Daniel, discharging gun in corporate limits, fined \$1 and costs \$2.90.

John Clark, discharging gun in corporate limits, fined \$1 and costs \$2.90.

John Clark and John Daniel, riotous and disorderly, not guilty, case dismissed.

Another Campaign.

On the morning of the 26th we start our removal sale. From the nature of our stock it would cost quite a little percent to move. This we offer you in the form of reduction on most all lines, such as plates, cups and saucers, bowls, pitchers, glassware, lamps, etc. We do not promise to sell everything at cost, but we do promise a reduction on most goods, and you will find it to your interest to come and see it is verified.

Christmas Bells

Will Soon be Ringing.

OUR COMPLETE LINE OF HOLIDAY GOODS for Gentlemen is now on display. Our showing of Neckwear, Suspenders, Mufflers, Gloves, Hosiery and Umbrellas is the best in Greenville and represents the very newest ideas in haberdashery. We are doing a large holiday business and simply because at this time as at all other times during the year we adhere strictly to the popular prices. Take for instance our line of

Neckwear and Suspenders.

We challenge any competitor to produce anything that will excel them. We are disposed, if anything, to sell goods cheaper at this holiday time than at any other, for with us it closes the most successful season of business we have ever done, and we feel like doing our share towards making the Christmas season of our customers as pleasant as we can. Also we are holding a

Special Sale of Suits & Overcoats

We shall be pleased to serve you at this season and you need not look any further than RIGHT HERE for the BEST in the MARKET.

Reasonable and Right.

If our prices are reasonable then they are bound to be right. If our merchandise is right then it is bound to be reasonably priced. Fair pricing is a basic principle in this store. To buy the right thing at the reasonable price is better, far better and more economical than the wrong thing at most any old price. The poorly priced is meanly made, got a wrong twist in it somewhere, you can't depend upon it.

When you want good dry goods you don't want to be shown makeshifts apologies for good dry goods. We cannot too strongly emphasize the goodness, the reasonableness of the following items:

MEN & LADIES' VESTS.

Some right good values in Winter Wear. Heavy Fleece-Lined Vests for Men & Ladies 25c

HOSIERY.

A big markdown in hosiery. They were 15c now 10c, 20 now 15, 25 now 20.

CAPES AND JACKETS.

We come to the front with special lots of nobby garments at prices that would be suicidal earlier in the season, and yet wearing time has just begun. They have been reduced from \$4.00 to \$2.75, 5.00 to 3.25, 6.00 to 4.00, 7.00 to 5.00, 8.00 to 6.00. These jackets are new.

SHOES! SHOES!!

Shoes for men and ladies. We will cut the price more than half to push out some of these goods. They were \$1.00 now 60c, 1.25 now 70c, \$1.50 now 90c, 1.75 now 1.00, 2.00 now 1.20.

WASHINGTON LETTER.

From Our Regular Correspondent.

WASHINGTON, D. C., Dec. 21st.

McKinley is eating the crow prepared for him by the Senate when it thoroughly Americanized the Hay-Pauncefote treaty before ratifying it as though he enjoyed crow as much as he did Christmas turkey. But that isn't strange. He is always in favor of what the majority favors. He has heard from the people as well as from the Senate, and will direct that the amended treaty be forwarded to the British government with as much complacency as though it hadn't been amended at all. Secretary Hay made easier for him by giving out an official statement saying that he was personally responsible for the wording of the original treaty, and that it was agreed to by the British Ambassador without the crossing of a "t" or the dotting of an "i". This action of Mr. Hay was but following the example of Alger who made himself a scapegoat to save Mr. McKinley's feelings. It is the belief of most Senators that England will accept the amended treaty, but many of them do not hesitate to say that it is perfectly immaterial to them whether she does or not.

Senator Hanna took occasion before Congress adjourned until January 3, for the holiday recess, to do some vigorous cracking of the party whip over the heads of those republican Senators who have dared to express opposition to the Ship subsidy bill. He threatened them with all sorts of things if they did not get into line for the bill by the time Congress reassembled, and added that no republican who opposed the bill need expect any favors from the administration. Whether those tractics will win cannot be told until the Senate is again in session.

Extravagance is in the Washington atmosphere, and all sorts and conditions of men are trying to get some of the Treasury surplus which they expect Congress to appropriate at this session. When the House committee on Rivers and Harbors met, at the beginning of the session, it was understood by the members that the bill to be prepared should not carry a total of more than \$40,000,000. The understanding was knocked into a cocked hat by the provisional agreement by the committee to items in the bill which, with provision continuing contracts, nearly doubled the amount first named. That frightened the committee and a decision was reached to cut the total of the appropriations carried by the bill down to \$60,000,000, which in the opinion of most persons, be a sizable amount.

No More Paper This Week.

It has been the custom of THE DAILY REFLECTOR to take two or three holidays at Christmas not exactly holiday, either but would miss two or three issues to give us time to straighten up the business for the year. In addition to having this same to do this time, we will have to move the office to our new quarters in the Rialto building opposite the post office and it may take us the rest of the week to get in good running shape, and if it does the paper will not appear again until next Monday. We may possibly bring it out on Saturday, but our readers had best not expect it until Monday.

THE REFLECTOR had a prosperous year in all departments of its work, and takes occasion here to return sincere thanks to every patron and to express the hope the new century will not only give us a continuance of their confidence and favors, but that many names will be remembered among our list of patrons.

Don't forget that any tone wanting to pay us any money during the holidays, can easily find us every day.

Wishing every one a merry Christmas we bid you good bye until we greet you from our new office.

Wilmington's Police Census is 69 People Shy.

Wilmington, Dec. 20.—The police census of the city of Wilmington has been completed. It gives the population as being 20,907, which is just 69 less than the government figures made it. Before the nose count by the police was made, the impression prevailed that the government had considerably underestimated the population. Neither the police count nor the estimate of the government includes the cotton mill and trucking settlements on the suburbs.

Be Careful.

The suspending of the ordinance and giving permission to discharge fireworks in the town between 6 o'clock this evening and 6 o'clock Wednesday morning, does not carry with it license to do damage to either property or person. Too much care can not be used with fireworks.

Notice.

By order of the Board of Aldermen of the town of Greenville the ordinance prohibiting the discharge of fireworks in said town is suspended between the hours of 6 o'clock p. m. on Monday, Dec. 24, and 6 o'clock a. m. on Wednesday Dec. 26. J. G. MOYE, Mayor.

Please Heed.

Miss Florence Starkey is very sick in South Greenville. THE REFLECTOR has been asked to earnestly request Christmas celebrators not to make any noise near the residence to disturb her. This notice should be sufficient to all who have feelings of humanity.

The undersigned will expose to public sale for cash to the highest bidder on Wednesday the 26th day of December 1900, all the corn, fodder, hay and peas raised upon the Avon farm for the year 1900, and owned by said farm, (excepting 56 barrels of corn) together with a quantity of hay raised during year 1899, also all the increase of hogs and cattle raised on said farm during the year 1900. Sale to take place at 12 o'clock on the Avon farm in Pitt county.

W. F. HARDING,

ORIGINAL OBSERVATIONS

Made by the Orange Va. Observer.

The Christmas "greens" mostly in demand are greenbacks.

Kind words are the golden coins from the mint of a loving heart.

If Santa Claus don't come you can get your foot in your stocking, anyhow.

The smile of love is the sweetest sunbeam that emanates from the soul.

Love is the electricity of the soul which flashes by wireless telegraphy from heart to heart.

If all the year were a Christmas day, how happy the world would roll on its way.

Let us all go back to childhood's happy hour, and feel again the wondrous Christmas power.

How curious it is to think that we were all at once satisfied with the evanescent happiness caused by some little toy.

It takes consummate courage to face a world which is ever frowning and snatch success from the jaws of failure.

Woman, thou art said to be uncertain, coy and hard to please, and yet man pleads for thy love upon his bended knees.

We have taken great care in growing the most improved bright tobacco seed—the White Stem Orinoco, the Broad Leaf Orinoco are the most reliable tobacco ever grown in any section. Every man in the east, who cultivated this kind will average from 2 to 5 per cent more than any other kind. Mr. Sam Mumford, at Ayden, says that his Orinoco will bring fifty dollars more per acre than any other kind grown on same land. Martin county people are growing Orinoco and coining money. You will find these seed for sale at Dr. Wooten's and Dr. Bryan's Drug stores and at some store in each section of the county at 25 cents per package.

MUNFORD'S BIG NEW STORE.

Well may the good people of Greenville and surrounding country be thankful and proud of their Big Store and the wonderful bargains that come from that great institution. For the third time this season has the buyer been north, picking and scouring the New York, Boston and Philadelphia markets and quickly snapped up all the "Juicy Plums." This was securing a leading manufacturer's fall shipment of fine clothing for men and boys intended for a clothier in Galveston, Tex., but which was countermanded on account of the flood. The result is, we can offer mens and boys highest grade clothing at just one-half the old time clothier's price. They will be ready and placed on the tables on
