Whereas it has pleased God in His infinite wisdom to take from our beloved brother, W. B. Wingate, his companion in life, Mrs. Bessie Wingate, therefore be it resolved:

1st. That we bow in humble submission to the will of Him who ruleth all things with kindness and mercy to those who trust in His holy ministry.

Resolved 2nd. That we offer to our bereaved brother our sincere condolence in his sad affliction.

Resolved 3rd. That we cause a copy of these resolutions to be spread upon our minutes.

We learn that many farmers are preparing wide rows for tobacco as per recent instructions in our items and want to congratulate them on so doing. If they don't see the wisdom of it now they doubtless will next fall when hands are scarce and they find that with the use of trucks they can house their tobacco with half the expense. A. G. Cox Mfg. Co. already have orders to make over 300 trucks.

Misses Maggie Smith, of Black Jack and Mamie Buck, of Ayden, are visiting friends in town.

J. R. Smith, of Ayden, was here on business Wednesday.

L. L. Kittrell is having his house painted and we hope others will follow his example, as a little paint would improve the looks of our town wonderfully.

Value of Newspapers.

Daniel Webster said this in discussing the value of newspapers: "Small is the sum that is required to patronize a newspaper, and well rewarded are the patrons. I care not how humble and unpretending the gazette he takes, it is next to impossible to fill a sheet without putting something in it that is worth the subscription price. No home should be without its newspaper and every parent whose son is away at school should supply him with a newspaper. I well remember the difference between those of my school mates who had and those who had not access to newspapers. Other things being equal, the first were superior to the last in debate, composition and intelligence."

SATURDAY MAY 4, 1901.

Reidsville, Durham, Kinston, Lexington, Mount Olive, Henderson and Greenville are soon to vote on the graded school tax question. Greenville should not let the other towns get ahead of her. The community that looks well to educational advantages is the one that succeeds best.

Membership Fee Raised.

At a recent meeting of the Tobacco Board of Trade of Kinston, N. C., the membership fee was raised from \$25 to \$1,000 per year. This is quite an unusual occurrence for a tobacco market, as we had always understood that buyers were wanted at these smaller markets, and we think that placing such an enormous fee for membership on that market will mean a great loss to the city. From this action we gather that this fee is raised to keep out all new comers, to keep out competition, and if it is not rescinded, it will have the desired effect, as there is no firm in the whole tobacco trade that would be willing to pay such an exorbitant sum. Their action will not only be detrimental to the farmer, by keeping prices at a minimum, but will also mean a loss to the warehousemen in commissions, though by keeping the fee at \$25.00 would not necessarily indicate that prices would advance, inasmuch as practically all buyers have comparatively the same limit on similar grades, but it would have a tendency of keeping the market prices where they should be, and the same time all buyers would be on an equal footing. It is understood, however, from a reliable dealer, that this action will be rescinded, inasmuch as the fee was advanced at a called and not a regular meeting, but from what we can gather the membership will be advanced to \$250.00, which is still out of all reason. We trust, however that the good people of Kinston will see the folly of doing such a thing at the proper time and fight the idea to a finish. Danville Tobacco Journal.

Greenville goes on a different idea from this. Our market opens its doors and invites all new buyers who want to come, and gives them a hearty welcome.

Pan-American Exposition.

The Atlantic Coast Line has put on sale tickets to the Pan-American Exposition. Round trip tickets from Greenville, good to return any time before Nov. 3rd, cost \$32.80, while tickets limited to fifteen days will be sold at \$28.80.

Some rain would help the crops along.

WASHINGTON LETTER.

From Our Regular Correspondent.

WASHINGTON, D. C., May 3.

It was idle for republicans to deny that this administration is unfriendly to the rich corporations, in view of the donation it is now openly accepting from them. The McKinley excursion train will cost not a cent less than \$50,000 probably considerably more—and it is being accepted as a gift by Mr. McKinley and his fellow travelers. Yet, officers in the Philippines are being tried by court martial for exacting bribes of a few thousand dollars from army contractors. There is not even a pretense that any person in the McKinley train is paying a cent for the trip. The Pullman monopoly furnishes the cars, and each railroad over which it passes furnishes the motive power and the eatables, drinkables, etc., during its transit over its lines, and the bill of fare is as good as that furnished by the most extensive hotels. No man of ordinary intelligence believes that corporations give away money without exacting its return in favors of some sort. Mr. McKinley knew when he accepted this donation that he incurred an obligation to the donors which would sooner or latter have to be met, and the intelligent people of this country know it, too and will doubtless express their opinion of the transaction, at the polls, when their next opportunity comes.

Mr. Montague White, Boer agent in the United States, has been in Washington for some days. While he does not publicly admit that this object was to sound the administration to ascertain how it would receive President Kruger, if he paid the United States a visit there are reasons to believe this to have been his object. Mr. White said that Mr. Kruger had a strong desire to visit America and intimated that he might do so next fall. English influence is too great with the administration for Mr. Kruger to hope for any more official recognition, if he comes, than was given to his envoys last year.

The first claim to be filed with the Spanish Claims Commission in which damages are asked for other than property losses is that of Mrs. A. T. de Govin, for the death of her son, Charles Govin, an American citizen, who accompanied one of the filibuster expeditions on the Steamer Three Friends to Cuba, as correspondent of a Key West Paper, was captured and executed by order of the commander of a body of Spanish troops, notwithstanding his American citizenship and that as a newspaper correspondent, he was a non-combatant. She asks \$60,000 damages.

Admiral Dewey occupied the seat of honor at a dinner given in Washington to celebrate Dewey Day, and among the guests were twenty-five officers who participated in the battle of Manila Bay, including Capt. Wildes, who commanded the Boston; Capt. Lamberston, of the flagship Olympia, and Capt. Walker, of the Concord. The dinner was informal, without set speeches, the intention being to make it merely a social jollification.

A Congressional party, largely made up of democrats, have arranged to go to the Philippines on the United States Transport Engless, which will start from New York in a few weeks, to be gone about four months. The party will consist of Senator's Bacon, of Georgia, Harris, of Kansas, and Turner, of Washington, and Representative Smith, of Illinois, Gaines, of Tennessee, Mercer, of Nebraska, McCleary, of Minnesota, Dinsmore, of Arkansas, De Ar-

mond, of Mobile, and Burleson, of Texas. The members of the River and Harbor Committee of the last House and their wives are going to imitate the McKinley excursion in a small way by making a junket to the Pacific Coast, via the gulf ports of Texas, and as they announce that their junket is not to cost the government anything, the bills are probably to be footed by the same parties—the obliging railroads. The alleged object of this junket is to inspect ports. That is a good scheme, too, as it induces boards of trade and other commercial bodies of towns having harbors in need of improvement stir themselves in properly entertaining the inspectors and their wives, thus making sure that the junketers will not have to spend their own money. It is not within the bounds of probability that any one of these junketers will acquire any information about the harbors that he personally inspects—from the deck of a steamboat or the window of a hotel—that could not have been acquired just as well, and from the same parties, in the committee room at Washington, but "personal inspection" furnishes the excuse for the junket.

Our time in this business is limited, so delay not to make your wives and children comfortable during the long hot days before us. Wire doors and windows will do it.

MERIT WILL TELL. This is shown by the steady increase in my business. I make shipments to the Wilmington Steam Laundry every Wednesday morning and return Saturday night. Best work guaranteed. I have this day bought out the laundry that was left on hand in the Chinese laundry. All persons having laundry with them will call on me within the next 15 days, otherwise it will be sold for charges. Terms cash.

Almost a Fire.

Friday night a gust of wind blew over a screen in the hall at the home of Mr. W. L. Forbes, in South Greenville. In falling the screen upset a lamp that started a blaze. The screen was burned but no further damage.

Sunday School Picnic.

Mr. Jesse Speight tells us that while he was at Pillsboro landing on Friday receiving a lot of cotton, he fell in with a nice picnic given by the Presbyterian Sunday School of Falkland. He greatly enjoyed the fine dinner and good time that they gave him.

They will leave next Thursday morning for Raleigh.

Questions for Women

Do you have periodical pains? Do you have frequent backaches? Are you nervous? Are you continually exhausted? Do you suffer every month? If you answer "yes" to any of these questions you are suffering from ills which Wine of Cardui cures. Do you appreciate what perfect health would be to you? After taking Wine of Cardui, thousands like you have realized it. Wine of Cardui insures freedom from female diseases. At each recurring menstrual period, if care be not taken, slight ailments will appear. Nervous strain, loss of sleep, cold or indigestion start disorders which are not noticeable at first, but day by day steadily grow into troublesome complications. Wine of Cardui, used just before the menstrual period, will keep the female system in perfect condition and render it invulnerable to disease. The medicine is taken quietly at home. There is nothing like it to help women enjoy good health. Wine of Cardui costs only \$1. Test this remedy, which is endorsed by 1,000,000 cured women.

WINE OF CARDUI

Cairo, Ky., Sept. 6, 1899.

I take pleasure in writing a few lines in praise of your wonderful medicine, Wine of Cardui. It is the best medicine I ever heard of. I am thirty-six years old and have been sick all my life. I had a dozen doctors, but none of them did me any good. I have taken one bottle of Wine of Cardui and will take another with Black-Draught. I have been married six years and have a baby five years old. I had womb and kidney trouble. My monthly period was so bad that sometimes it came twice a month. I was too sick to do work for a family of three. I was in bed when I got the bottle of Wine of Cardui. Now I am up and can do most of my work. When I was sick I could not sleep at night. I sleep well at night now. A friend of mine advised me to use Black-Draught with Wine of Cardui.

Arrested on a Bad Charge.
Friday night two white men, Ed. Telfair and Charles Frizzle, came to Greenville with a horse and put up the team at the Greenville Livery Co's. stables. This morning a telephone message came to the police from Tarboro, giving a description of the men and instructing that they be arrested on the charge of stealing the horse and buggy. Policemen Smith and Dudley arrested them and placed them in the lockup to await the arrival of the owner of the team. Both the men were under the influence of whiskey.

CHEAPEN THE BOOKS.

EDITOR REFLECTOR:
Texas, Tennessee and South Carolina have cast out the trust books, and why should North Carolina keep them at such price? The attention of the people of North Carolina is turned toward the great school text book trust that is fast endeavoring to continue the monopoly of all the text books used in the public schools. Will the people stand idle and be at the mercy of the book trust which has sought and still seeks to crush out all opposition? Instead of maintaining the present price, books for the poor school children can be cheapened by driving out the trusts, as almost every other southern State has done. Compare the price of books in North Carolina with the price of those in Tennessee.

NORTH CAROLINA (TRUST BOOKS).	
Holmes Readers (series)	\$2.02.
Sanford's Arithmetic	2.05
Mauzy's Geography (3)	3.00
TENNESSEE (NO TRUST).	
Stickney's Readers	\$1.45
Wentworth's Arithmetic	.64
Fryes Geography (2)	1.28

Will any patriotic citizen allow this monopoly in school books to continue under the puny cry that change would be for the worse when it actually means an advancement and in harmony with such a wave of education?

Our conventions have denounced the trusts in both Nation and State, and our people should require their candidates for office to define their position. It is what a man does that defines his position. No man suspected of being under the influence of the trusts should be elected to any position in which he can force its books on the people, and the whole Democracy of North Carolina should join in the battle and strike an effective blow at the combination against the poor children of the country.
