WINTERVILLE DEPARTMENT.

NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., June 1.
If the demand for tobacco trucks increases at the same rate for the remainder of the season as they have for the past few weeks, they will soon attain a reputation equal to that of the celebrated Cox cotton planter.

About sixty of our citizens boarded the train yesterday morning for Bethel to attend the commencement of the Bethel High School. Among the number were the members of the Jr. O. U. A. M. of this town who had been invited to lay the corner stone of Bethel school. Last night they returned and all one now hears is Bethel. Bethel people and "oh my what a good time we did have." Their visit no doubt will long be remembered.

R. D. (Bo) Cherry advance agent of C. T. Munford was here yesterday. He wanted to paint the town "red" but B. F. put in a jaw breaker so the circus moved on for fields anew and pastures green.

Sim Chapman, of Calico, was here Tuesday and spent the day most pleasantly with us all. When he left he carried one of those Hunsucker buggies. How those buggies do go.

F. O. Cox, our better half is absent this week in Greenville serving as a juror in the Superior Court now in session at that place.

Monday six gentlemen from the Speights Bridge neighborhood were here and purchased eighteen trucks from the A. G. Cox Mfg. Co. These trucks are becoming known far and wide, and so it is with everything manufactured by this factory.

Joshua Manning who has been quite sick for the past few days is so much better that he has resumed his work.

W. H. Claytor, of Kinston, has the contract for slating the dormitory.

Two tons of paint ordered by the A. G. Cox Mfg. Cox. at one shipment for their mammoth concern is expected to arrive daily.

Let times be so hard and money so scarce it is always alive in Winterville, the busiest place for its size in Eastern Carolina. Success is the motto and every enterprise start dhas never known fail. There are extra inducements offered capital to settle among us.

Misses Effie and Hattie Kittrell were visiting friends in the country last Sunday.

At this season of the year there are always many deaths, particularly among children, from summer complaint, diarrhoea, dysentery, cholera morbus, cramps, etc., and every one ought to know that a sure and speedy cure can easily be obtained by taking Perry Davis' Pain-Killer in sweetened water every half hour. It never fails. Avoid substitutes, there is but one Pain-Killer Perry Davis'. Price 25c and 50c.

When the members of the Jr. O. U. A. M. of Winterville, passed through returning from Bethel Tuesday evening they had their flag above the rear of the train and were singing patriotic airs.

The Methodist Sunday school will hold an ice cream party in the Academy grove tomorrow night, for the benefit of their library.

Williamston Defeats Greenville.

The Greenville base ball team played a game with Williamston Tuesday at the latter place.

The Greenville boys played a steady game and did excellent work in the field. The features for Greenville were Forbes' pitching and Sugg's work at short stop, and for Williamston the pitching of Hobbs and Jordan, the later a league pitcher. He drove from Rocky Mount to Williamston, a distance of 54 miles, to get in the game, and won it for the Williamston team.

The game was as follows:

Bethel High School.

The closing exercises of Bethel High School were concluded Tuesday night. On Monday Rev. B. Oraig, of Tarboro, delivered the sermon. At night exercises by the children were held. Tuesday morning the corner stone of the building was laid by the Winterville Council of the Jr. O. U. A. M. with appropriate ceremonies. Immediately afterward Prof. W. H. Ragsdale delivered an address on the principles of the order and at the conclusion of his speech presented a flag and Bible to the school in behalf of the Council. These were received on behalf of the trustees by Rev. J. W. Rose. The address was then delivered by Mr. E. E. Hilliard, of Scotland Neck.

In the afternoon the following question: "Resolved, that the South African War is Unjust" was debated by eight young men, four in the affirmative and four in the negative. The following committee, W. H. Ragsdale, A. G. Cox and B. W. Moseley, acted as judges and rendered the decision that the affirmative had won in the argument. At night the musical concert concluded the exercises. We learn from those who attended that the speaking was of a very high order and that all the exercises of the pupils reflected great credit upon the teachers in this most excellent school.

G. W. Baker, of Lewiston, senior member of the firm of Baker & Hart here, came in Tuesday evening.

Farmers provide yourself with Pain-Killer at this season of the year, when colic, cholera morbus, dysentery, diarrhoea, &c., may disable your hands—use it in every case of the kind, but be sure that you trust to no other remedy but the old, long tried Perry Davis' Pain-Killer which never fails. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. Price 25c and 50c.

Leprosy in the United States.

Washington Dispatch, June 1, to The New York Evening Post.

According to scientific investigation directed from Washington for several months, there are at least 275 cases of leprosy in the United States. That number has been reported, but it is thought probable that the real number is a thousand. For various reasons physicians who have cases of this disease in many instances fail or refuse to report them. But the number reported is sufficiently large to occasion some alarm. Seventy-four of the known cases are in New Orleans, chiefly among the Italian population. There are twenty-three in Minnesota, mostly among Scandinavians in the rural settlements. There are fifteen cases in North Dakota, and two in South Dakota, among the same people. So far as has been ascertained, there are none in Michigan or in Indiana; Chicago has five New York six, Boston, none.

The figures now compiling represent a great deal of careful work. A circular letter was sent from here to every city and county physician, every health officer, every responsible head of a hospital, in the country. It called for volunteer information covering cases of leprosy in the community in question; the name of the leprosy person, the sex, age, social condition, place of residence—whether town or country—and name of attending physician. In all, 8,000 of these letters have gone out; replies have thus far been received from only 2,000 of them. There may be several times 275 cases in the 6,000 districts from which thus far no replies have come.

It is the intention of those who are compiling the figures to make a report to Congress, including such a recommendations as may seem warranted. One recommendation will be for the erection of two large government hospitals for lepers, one in the South and the other in the North. Eminent physicians have at different times before committees of Congress in the interest of the erection of leper hospitals, but nothing came of these visits, the government having no reliable data covering the prevalence of the disease. Next winter, however, with full information on the subject, it is believed that Congress will act promptly.

It is noteworthy that nearly all the 275 reported victims are foreigners. The Scandinavians seemed peculiarly susceptible to the disease. They either had it when they landed in America, or contracted it soon after landing. Every one of the cases in the Dakotas and Minnesota is in the country, rather remote even from the

small towns. The disease seems to be spreading most rapidly in Louisiana, and for several years there has been agitation there in favor of effective public supervision and control of all leprosy patients, either by the State or by the Federal government.

All the ignorance and superstition, all the credulity, chumpery and Reubenism are not in the backwoods. The big city papers are in the habit of representing the country farmer with his long, thin whiskers and a hay rake in his hand as the essence of all that is green and gullible, yet there can be no better field than the city of Chicago for the vender of gold bricks and green goods. In that great city Sunday night a religious fakir, who had been playing for days and nights upon the emotions of the people, arose before an audience of 5,000 and proclaimed himself Elijah, the prophet. "Gaze on me," said he. "I am he that is the living, physical and spiritual embodiment of Elijah and my coming to earth a third time has been prophesied by Malachi, by God Himself, by His son, Jesus, by Peter and thousand years ago by Moses. All who believe me to be in very truth all of this will stand up." And over 3,000 people rose to their feet and greeted the declaration with cheers and hand-clapping. The people in the swamps and mountain coves of North Carolina might well take up collections to send Bibles and missionaries to Chicago.—Charlotte Observer.

ACCOMMODATIONS FOR VISITORS IN BUFFALO.

Hundreds of Hotels, Boarding and Rooming Houses, Besides Many Private Homes, on the List.

So much has been said and written about the ability of the city of Buffalo to care for the crowds which will attend the Pan-American Exposition this summer that a few facts and figures will be appreciated by the general public.

In the first place, there are listed more than 200 hotels, which will give accommodation to 30,000 people; there are 650 boarding and rooming houses, affording accommodation for 18,500, while 7,000 owners of houses, most of whom never before hung out their latchstring for a consideration, have signified their intention of opening their houses for the accommodation of visitors to Buffalo this summer. These 7,000 homes will accommodate at least 100,000 visitors.

The Exposition Company has arranged to furnish tent accommodation on the Exposition grounds for 250 uniformed men. There are also two companies arranging tent systems which will afford additional accommodation outside of the grounds for 1,500 or so.

In addition to all this, there are a large number of buildings throughout the city now being remodeled and converted into hotels, the plans of which are not far enough along to afford an accurate description or to estimate accommodation at the present time. It is safe to estimate the present capacity of the city of Buffalo to accommodate 150,000 strangers. To this may be added accommodations for at least 50,000 in the surrounding towns, such as Tonawanda, La Salle, Niagara Falls, Lockport, Williamsville, Gardenville, Depew and Lancaster, all within a short trolley ride of the city.

Rates in hotels range from \$1 per day upward. As ridiculous stories have been circulated in regard to exorbitant hotel rates, it is well to note the rates that have been established at the Iroquois, the most expensive hotel in the city. These are, for one in a room without bath, \$3 and upward; for two in a room without bath, \$5 and upward, thus making the minimum rate \$2.50 per individual. The rate for a room with bath for one person is \$5 or for two in a room \$7.50. This is on the European plan. Of course there are rooms and suites of rooms in this hotel for much higher rates for those who wish to pay them, but the prices here given are the highest in the city for hotel accommodations as the term is ordinarily understood.

A number of local reliable agencies are engaged in locating visitors in homes in the city. These can be relied upon as being honest, straightforward and efficient. They are composed of business men of integrity, who will carefully protect strangers in the city, and visitors may feel assured of courteous treatment and safe conduct to accommodations which have received careful inspection.

1,000,000 WOMEN RELIEVED

Reports received show that Wine of Cardui has brought permanent relief to 1,000,000 suffering women in the last few years. Because of Wine of Cardui, thousands of sufferers, seemingly on the way to premature graves, are now healthy women taking an active interest in the duties of life. Mrs. Mitchell was declining in health when Wine of Cardui "performed a miraculous cure" in her case. She suffered terribly with the agonies of falling of the womb, leucorrhoea and profuse menstruation. The weekly appearance of the menses for two months sapped her vitality until she was little better than a physical wreck. Her nervous system gave way under the terrible pain and aggravation. Then came the trial of Wine of Cardui and the cure. Mrs. Mitchell's experience ought to commend Wine of Cardui to suffering women in words of burning eloquence. The Wine is within the reach of all. Woman who try it are relieved. You can get as much benefit as Mrs. Mitchell received. Ask your druggist for Wine of Cardui. Send to the laboratory for the medicine if he tenders you a substitute.

WINE OF CARDUI

South Gaston, N. C., May 29, 1906.
Wine of Cardui and Theodor's Black-Draught have performed a miraculous cure in my case. I have been a great sufferer from falling of the womb and leucorrhoea, and my menses came every week for two months and became very painful. I was in a bad condition. My husband induced me to try Wine of Cardui and Black-Draught, and now I have no pain. The leucorrhoea has disappeared and now I am in perfect health. Mrs. WILLIE MITCHELL.

Mrs. Wiley Brown and little daughter, Mary, left this morning for Littleton.

Mrs. L. A. Minshaw, who has been visiting Mrs. W. A. Bowen, left this morning for Plymouth.

Rev. S. J. Halstead, of Norfolk, who was here visiting Rev. W. J. Laughinghouse, left Tuesday evening.

Louis and Frank Skinner went over to Plymouth this morning to see the game of ball this afternoon between Greenville and Plymouth.

Mrs. S. M. Jackson, who has been visiting her daughter, Mrs. J. W. Bryan, returned this morning to Plymouth. Miss Jamie Bryan accompanied her home.

G. B. W. Hadley, who has been located here as a cotton buyer since last fall, left today for his home in LaGrange to spend the summer. We hope he will return to Greenville next season.

C. B. Whichard is confined at home with a very lame eye, caused by too close familiarity with a pet chicken. His absence from the business office of THE REFLECTOR is giving the editor double duty along now.

Would Not Stay High.

It looks like a pity that so many farmers held their cotton when it was 10 cents and are having to sell it at 7½ cents or thereabout. Mr. Jesse Speight tells us he brought over a hundred bales Tuesday. He was at Washington Monday, Bethel Tuesday, and Tillery today. He is a hustler after cotton.

Order No. 5.

Christian Church Revival.

Dr. Motley, State Evangelist, arrived Tuesday evening to take charge of the meeting in the Christian church. He preached an excellent sermon Tuesday night to a large congregation. There is good interest in the meeting. Two persons made request for prayers Tuesday night. Services will be held every night this week.

End of the Century Club.

The meeting of the End of the Century Club with Mrs. Will Harding June 4th was one of the most interesting meetings during the club year. No literary program being prepared the house immediately proceeded to the election of officers the following being elected:

Pres.—Mrs. T. J. Jarvis.

1st Vice-Pres.—Mrs. Will Harding.

2nd Vice-Pres.—Mrs. J. L. Little.

Secretary—Mrs. M. H. Quinerly.

Treas.—Mrs. F. G. James.

Librarian—Mrs. Fordie Harding.

Not only the business brought before the house made this meeting interesting but Mrs. Harding in her easy and graceful manner charmingly entertained the Club by having the animals and birds most prominent in history carefully concealed in a nut shell. Mrs. Grimes most successfully unfolding the mystery was given the prize.

Refreshments were served and thoroughly relished by every one present.

The Club adjourned to meet with Mrs. James June 18th.
