#### TOWN MATTERS.

##### Transacted by the Aldermen.

The Board of Aldermen held another special meeting Tuesday afternoon at 5 o'clock. As soon as the Board met the resignation of Alderman J. S. Tunstall, of the fifth ward, was read and accepted. This makes the third member of the Board who has resigned so far. Mr. H. C. Ormond was elected to succeed Mr. Tunstall, but he was sick and could not attend the meeting when notified of his election, so it cannot be said yet if he will accept.

The matter of electing an assistant police was again deferred, this time to the regular meeting which will be held Thursday night. So with the candidates there is yet much anxiety.

J. R. Moye, Secretary of the Graded School Trustees, presented the application from the Trustees for a tax levy in the graded school district of ten cents on the one hundred dollars valuation and thirty cents on each poll for school purposes. Consideration of this will be had at the time of levying taxes.

The Clerk and Mayor were instructed to correspond with parties for information relative to the best means of selling bonds.

The bond of the Treasurer was fixed at \$8,000 for the general funds of the town.

The salaries of the officers were made as follows:

Mayor,	\$300 per year.
Clerk,	\$75 per year.
Chief Police,	\$40 per month.
Assistant Police,	\$35 per month.
Night Police,	\$40 per month.
Tax Collector,	5 per cent com missions.
Teamster,	\$22.50 per month.
Lamp Lighter and Janitor,	\$20 per month.

#### The Eighth Wonder.

The audience at Columbia's playhouse last night was of such proportions as is calculated to make the heart of any manager glad. The house was crowded from pit to dome, large numbers of ladies occupying seats in the gallery. Every one was of course delighted with the harmony of sweet sounds which Blind Tom, the musical wonder of the age, called forth from the piano an instrument of which he is supreme master. Perhaps the best number on the programme, and the one executed with most expression, was "The Last Hope," by Gottschalk. This beautiful production was played with great feeling and caused Tom to be overwhelmed with applause. Tom is still a wonder and does not deteriorate with age.—The State Columbia, S. C.

#### Off to New Bern.

The Greenville base ball club left this afternoon on the freight train for New Bern to play a game with the club there tomorrow. The line up of the team is as follows:

Fred Hobgood, P., Bill Fenner, C., H. A. Timberlake, 1st B., John Cheshire, 2nd B., Ray Tyson, S. S. Gus Forbes, 3rd B., D. C. James, L. F., J. I. Smith, C. F., C. Skinner, R. F., Tom Moore, Sub.

A Slight Attack of cramps may bring on Diarrhea, which is, in many cases, followed by inflammation of the stomach and other dangerous complaints. All such disorders are dangerous and should in their infancy be treated with the best known remedy. The merits of Pain-Killer are known and it is recognized as the standard specific for cramps, diarrhea, etc. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. Price 25c and 50c.

WEDNESDAY, JULY 3, 1901.

Prof. Harding Goes to Oxford.

It will be with regret that the announcement is read this morning, that Prof. H. P. Harding has resigned as Principal of the White Graded school, in this city.

Prof. Harding resigns his position here having been elected Superintendent of the Oxford Graded School in this State.

While all who know Prof. Harding will regret his leaving New Bern, the best wishes of all accompany him to his new field of school work, where he will undoubtedly gain many friends.—New Bern Journal.

The friends of Prof. Harding here at home congratulate him upon this honor. He is now at the summer school at Chapel Hill and will return to Greenville Saturday to spend the remainder of the summer at home before taking up his new position. Prof. Harding well deserves any honor that comes to him.

Cause for Great Satisfaction.

It is noteworthy that so little change is to be made in the personnel of the heads of the greater schools of the State. We notice that President Kilgo is to make a European tour. President Shearer retires from the presidency of Davidson, but he only changes places with Vice-President Smith, and will give the school the benefit of his invaluable learning, scholarship and experience as a teacher in the office of vice-president. At the University, at Wake Forest there is to be no change. In the girl schools of the State we have seen no report of changes. All this is encouraging. It shows there is satisfaction in work and prospects on the part of the boards of management and school boards. We dare say the higher schools of the State never had so valuable and successful head masters before in all of their history. This is a pleasing reflection when it is a fact there never were so many boys and girls seeking a higher education. The need of nice scholarships deserves to be impressed just now upon the teachers in all schools.—Lumberton Robesonian.

A Rabbit Kitten.

A cat belonging to Mr. Thos. Bradley, near Kadesh, some time ago captured a field rabbit, according to an informant with which to feed her litter of kittens. The kittens however were too young for such fare, and instead of eating bunny, welcomed him to their nest. The rabbit since then has lived and grown up with his strange companions.—Danville Free Press.

WINTERVILLE DEPARTMENT.

THE TEACHERS' INSTITUTE.

WINTERVILLE, N. C., July 3.

The summer school is in full blast and 112 teachers registered the first day.

Mathematics is taught by Prof. Fred S. Carr, of Castoria, who graduated at the University of North Carolina in '95 and served there one year as instructor in Latin and has for the last three years been the very successful principal of Snow Hill Academy and also very ably and faithfully served his people in the last Legislature.

Prof. Z. D. McWhorter, a graduate of the Peabody Normal of Nashville, Tenn., has charge of grammar and history. Prof. McWhorter has been in the school room for seventeen years and is too well known in Pitt county to need recommendation, as he is now principal of the Bethel High School. He took the medal on history in a State contest at the teachers assembly in 1888.

Prof. Chas. L. Coon teaches geography, reading, writing spelling and languages. He is a full-blooded German a native of Macon county, N. C. who for several years taught in the Charlotte graded schools and is now Superintendent of the Salisbury schools. Prof. Coon has had much experience in institute work. He has had thirteen years experience in teaching.

Physiology, civil government, physical culture and agriculture are in care of Prof. G. E. Lineberry, who graduated at Wake Forest College in '97 and is now principal of Winterville High School.

In the course of lectures Dr. R. T. Vann was the first and he spoke Monday night to a large audience of teachers and people of the town and community. He divided his subject into three parts followed by some suggestions. "1st. Examine your material. A carpenter or mason does this. Why not teachers do the same? 2nd. What do you wish to do with it? Some teach dogs, some horses, some men to be pugilists, each with a single aim in view—make the best of your material. Did God intend for animals to be trained and one in His own image go untrained?"

"Doctors and lawyers are made, but the noblest thing made are men and women. Teach the child to aspire to noble purposes. Tendency to short cuts in education is misleading and injuring our youths. A man may know medicine or law and not be educated. Educate first then learn profession. Let mothers be like Cornelia, say my children are my jewels."

"The Goddess of liberty is not marble and bronze, but the patient, plodding school teacher. Starvation prices must be changed. Protect your interests and notify the State authorities that they must not take the public school money to pay State appropriations to the free school, robbing them of \$100,000."

How is this for Pitt county? There are more enrolled in the Institute than have been examined in the county in twelve months. Rev. M. P. Davis, Superintendent of Greene county schools preach ed here Sunday night and is attending the Institute looking after the work and the welfare of his teachers.

Prof. E. L. Middleton, who is traveling for the B. F. Johnson Pub. Co., is spending a few days here. Prof. F. P. Hobgood stopped over Tuesday and promises to re-

turn later and give us a lecture. Shower baths and ice water help to render these hot days endurable.

Prof. W. H. Ragsdale is looking after the welfare of the teachers and taking an active part in everything concerning the interest and success of the school. It is needless for me to say anything commendatory of the Professor for all who know him are well aware failure has never attended any effort made by him, but rather whatever is touched by his hand the effect is marvelous and success has and will always crown his every effort. Prompt in the discharge of duty, zealous in a noble cause and to accomplish his every aim is an aspiration that seems to guide him in all he undertakes.

**1,000,000 WOMEN RELIEVED**

Reports received show that Wine of Cardui has brought permanent relief to 1,000,000 suffering women in the last few years. Because of Wine of Cardui, thousands of sufferers, seemingly on the way to premature graves, are now healthy women taking an active interest in the duties of life. Mrs. Mitchell was declining in health when Wine of Cardui "performed a miraculous cure" in her case. She suffered terribly with the agonies of falling of the womb, leucorrhoea and profuse menstruation. The weekly appearance of the menses for two months sapped her vitality until she was little better than a physical wreck. Her nervous system gave way under the terrible pain and aggravation. Then came the trial of Wine of Cardui and the cure. Mrs. Mitchell's experience ought to commend Wine of Cardui to suffering women in words of burning eloquence. The Wine is within the reach of all. Woman who try it are relieved. You can get as much benefit as Mrs. Mitchell received. Ask your druggist for Wine of Cardui. Send to the laboratory for the medicine if he tenders you a substitute.

### WINE OF CARDUI

South Gaston, N. C., May 29, 1899.  
Wine of Cardui and Theodor's Black-Draught have performed a miraculous cure in my case. I have been a great sufferer from falling of the womb and leucorrhoea, and my menses came every week for two months and became very painful. I was in a bad condition. My husband induced me to try Wine of Cardui and Black-Draught, and now I have no pain. The leucorrhoea has disappeared and now I am in perfect health. Mrs. WILLIS MITCHELL.
