### The Orphans.

The class of orphans from the Oxford Orphan Asylum have had a pleasant stay in Greenville for two days. Greenville is always glad to see them and gives them a cordial welcome. The class, in charge of Mr. E. W. Jones and Mrs. Whitted, arrived Saturday on the midday train. They gave a concert in the opera house Saturday night, and notwithstanding it is usually a busy night, and the weather was very disagreeable, they had a large audience. Their concert was splendid. The receipts amounted to more than \$45.

The class remained here over Sunday, and that night sang in the Baptist church. No services were held in the other churches, so all had an opportunity of hearing the children. The congregation was very large. Beside the singing of the class, there were interesting short talks by Rev. J. N. Booth, of the Baptist church and Rev. H. M. Eure, of the Methodist church. A collection was taken for the orphans amounting to something over \$17. Altogether they received about \$63 here.

Little Frank W. Brown, a son of the late Dr. F. W. Brown, was with the class. The little fellow seemed delighted to be here at his old home, and found all his friends glad to see him.

The class left this afternoon for Kinston.

### Postal Law Modified.

Merchants who fill mail orders and have been sending out samples of goods from which their out-of-town customers might select and order will be interested in a new ruling which has just been made by the Postoffice Department. The ruling allows the merchants to write upon each tag accompanying a sample of cloth figures denoting the width and price of the goods.

This had been done by the merchants before until last April, when the assistant attorney general decided for the Postoffice Department that the Act of June 20, 1888, relating to permissible addition to the fourth class matter did not authorize these figures to be written on each tag attached to separate samples. On account of the writing in the package it was held that the samples were subject to first-class rates, which was double the price the merchants had previously been sending them for. Now the third assistant postmaster general, Edwin C. Madden, decides that it is permissible to write upon the tags which go as fourth-class matter. The ruling will be a great relief to the merchants who fill mail orders and send out samples for that purpose.

### The Advertising Season.

Charles F. Jones, whose series of articles on store management in Printers' Ink has attracted widespread attention, says that some merchants largely increase their advertising at seasons when trade is not as brisk as usual. "I believe," he concludes, "that those who do the most advertising at such times have the best of the argument. If the purpose be to draw trade, why not advertise most when you need trade most?" —Philadelphia Record.

Richard Hines, of Wayne county, was in Goldsboro Saturday and started home on his cart. He fell off the cart and broke his neck.

**Some Tobacco.**

Mr. J. F. Gadley, of Beaufort county, was in Greenville today. He told us he had been in tobacco several years and had the finest crop this year that he had raised. Then by way of a finishing joke he said he had a patch of tobacco in his orchard with leaves anywhere from the size of a blanket up, the plants being so large that some visitors climbed up the stalks to pull his peaches.

**To Take Out Stains.**

It is well to keep some chloride of lime water on hand, so that it may be ready when wanted. To make it crush a quarter of a pound of chloride in a bowl and work it into a smooth paste with a little cold water. Add a pint and a half more of cold water, stir well, cover and let stand for a day or two, keeping closely covered and giving it an occasional stir. Then skim and pour off the clear liquid, strain, bottle and keep tightly corked. To take out stains moisten the stained part, dilute a small quantity of the chloride of lime water with six times its bulk of water and put the stained part in it. Keep moving and look at it often. Take out as soon as the stain has disappeared and rinse in several lots of water. Remember that chloride of lime takes out all color and must therefore only be used for white goods.

**Stewed Rhubarb.**

Wash, peel and cut rhubarb in one inch pieces. If very sour, pour boiling water over it to draw out some of the acid and then drain off the water. Put the pieces into the upper part of a double boiler, add one cupful of sugar to each pint of fruit and cook until the rhubarb is soft without stirring it. Serve hot or cold.

**Cheap Scented Glycerin.**

Take four ounces of scented geranium leaves, place in a jar, cover with cold water, not more than four ounces. Set in a warm place for one hour; macerate. Add four ounces of glycerin shake thoroughly. Set aside for one week; strain. This glycerin may be used freely as a common toilet accessory.

#### Base Ball.

The games last week in the State league were very interesting, the week closing with the clubs standing as follows:

	Won.	Lost.	P. C.
Wilmington	3	1	.750
Raleigh	3	2	.600
Tarboro	2	3	.400
Charlotte	1	3	.250

#### Did Not Go.

Several parties went to the depot this morning expecting to go to Tarboro to see the ball game between Wilmington and Tarboro, but found that they would have to pay full fare on the railroad instead of one fare for the round trip, hence did not go. Letters received here from parties in Tarboro stated that an arrangement of one fare had been arranged for, but the agent here had received no instructions except for the games some days ago. Instructions were wired for.

#### ORIGINAL OBSERVATIONS.

Made by the Orange Va. Observer.

Some men imagine that their prejudices are principles.

The "belle of the ball" doesn't always have the wedding ring.

One little microbe of love can turn a whole heart upside down.

The world owes you a living they say, but far off is the time when it will pay.

The country is full of tramps and our best young men are going to shirt-waist.

Bashful lovers don't have to break the ice now, they simply melt in each other's arms.

Now this little fact please remember, the weather's going to be cold—next December.

There's one consolation—your friends can't give you the "cold shoulder" now a-days.

Up in swaybackville they don't want any kind of a suffrage—they say they have suffered too much already.

When the ripples of love's radiance flow out from the heart, the soul is thrilled with a rapture from which it never could part.

#### Dead Man Decker With Gold.

Wilkesbarre, Pa., July 13.—The body of a man was found hanging to a tree in the woods near White Haven today. The suicide had removed all his clothing except his stockings, in one of which was found a letter and a cashier's check for \$40 on the White Haven Bank, drawn in favor of Frank Lorenz.

The letter stated that the writer had contemplated suicide for some time, and that he had been suffering from a disease for years.

The suicide decorated his body with jewelry before taking his life. A one-dollar gold piece was sewn to each nipple with silver thread, and suspended from the coins was a gold chain and locket, and fastened near the locket was a gold ring. Bracelets were on his arms and legs.

As stickers Mr. Dudley G. Wooten, of the Sixth Congressional district in Texas, and his friends take the cake. He was nominated for Congress Wednesday, after six days' balloting, on the 4,046th ballot, which will probably be about as many votes as he will get on the day of election.—Wilmington Star.
