Orders are already coming in for the A. G. Cox cotton planter for next season.

Cajor Williams, of Wharton, spent last night with Capt. Henry Dixon and this morning bought a nice lot of wire (fencing from the A. G. Cox Mf. Co.

We must congratulate THE REFLECTOR upon its most excellent list of correspondents from various sections of the county. These are the kind that furnish news suitable to the people, even if some of it is manufactured. We mean no serious reflection. Only it speaks well for THE REFLECTOR.

[Well, in a good town like Winterville for instance, where so much manufacturing is done, why can't news be manufactured too? See, THE REFLECTOR appreciates the work of its live correspondents.—ED.]

**It is Important** that those who go on excursions for pleasure or health should make some provisions against the attacks of bowel disease, which not only cause them great inconvenience, but are sometimes fatal in their results. A bottle of Perry Davis' Pain-Killer is, we have found, a most effectual remedy against such attacks. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. Price 25c and 50c.

WEDNESDAY, AUGUST 21, 1901.

One of the chief defences of lynch law is that Southern women should not be brought into court to testify to their shame and degradation for the purpose of convicting the brute that has despoiled them.

But there should be no necessity for our women to testify in open court, in such cases. Other States provide for this class of cases by allowing the evidence to be given in private and North Carolina should have such a law.

The Uncertainty of Wealth.

The Wilmington Star says that Col. W. T. Blackwell, treasurer of Greater Durham, has had his salary raised from \$20.83 to \$25 a month.

Claims He Can Cure Insanity.

Dr. C. Brenston, of this city, claims to have discovered a positive and permanent cure for insanity. He resides at 4522 Virginia avenue and holds high rank as a physician.

"I have cured five cases so far," said he, "and wish to demonstrate that I can cure others. I have had some trouble with the medical fraternity because I will not give out the secret of my treatment. I would like to state in advance that I do not pretend to cure cases of insanity due to severe injuries to the head or where persons were born idiots.

"To demonstrate this to the world, I only ask that the St. Louis newspapers, one or as a whole, select some worthy subject, say a mother of a family, or a father, or even a son where real charity will be apparent. The conditions are these: If the patient be in an asylum I must insist that he or she be at once removed to some private home, their own if possible. I will charge nothing for my services, and if, after my treatment, the patient is not restored to perfect mental health, I will forfeit \$500."

GRIFTON ITEMS.

GRIFTON, N. C. Aug. 21, 1901. J. Z. Brooks went on a business trip to Kinston Tuesday.

Miss Eva Bell Wells, of Kinston, is visiting the Misses Pittman for a few days.

Geo. Sugg, Lloyd Wooten and Marvin Meacham, all of Kinston, came down Tuesday morning to see the game of ball between Grifton and Vanceboro.

Dr. Dawson accompanied his mother, Mrs. Sack Dawson to Asheville where Mrs. Dawson will stay for a few weeks for her health.

Mat Allen and Frank Quinerly, of Kinston, came over Tuesday to see the game of ball and root for the Grifton boys.

Ben Sheppard, Sidney Moore and Barnes Sumrell came over from Ayden Monday to see the game of ball on Tuesday.

Tuesday about ten o'clock, the Vanceboro, or the best ball players of Craven county on the north side of Neuse river, began to drive in to be ready for a game of ball in the afternoon. And after a hotly contested game the Grifton boys came out victorious in a score of six to nine in favor of our home team.

Body Packed in A Trunk.

Asheville, N. C., August 19.—The dead body of a negro woman named Willie Seaborne was found in her own trunk at her home in Southside avenue this morning.

The woman was seen last Saturday night with John Miller, her paramour. They were quarreling Sunday Miller appeared nervous and uneasy. He asked where the woman was. Later he said she had left Asheville and he was going to ship her trunk to her.

A negro woman saw blood stains in the room and the trunk was opened.

Officers are after Miller. He is medium sized, rather black, with a scar on the face. The woman was killed with an axe, the coroner says. The negroes are greatly excited and will lynch Miller if they get a chance at him.

O Wise Judge.

There is some talk of presenting Judge O. H. Allen the freedom of the city on a gold plate on account of an incident that occurred yesterday at Court where the Honorable Judge is presiding.

It seems that Luther Bryan, New Bern's crack ball player, catcher, third baseman, etc., etc., was drawn for jury service. The attention of the Judge was called to the matter by Hon. M. DeW. Stevenson who in a neat speech told the Judge that there were four games scheduled for this week and that the whole city was interested in the outcome and that Mr. Bryan's services were urgently required, Judge Allen graciously accepted the excuse and the disaster is averted.—New Bern Journal.

Robinson and Wallace circuses are both making toward this State.

**Child Dies Suddenly.**

William Thomas King, little son of Mr. and Mrs. G. B. King aged four years and six months, died very suddenly this morning about 10 o'clock. The child had been as bright and well as usual until a short while after he got up and dressed this morning, when he was taken violently ill. Physicians were hastily summoned and all possible done, but in a short while the child was dead. The doctors said the cause of death was oedema of the lungs.

William was Mr. and Mrs. King's oldest child. His sudden death was a shock to the community and a sad blow to the family. Mr. King was in Washington City looking after some business, never dreaming that his home was as happy as when he left it. The sad news was sent him by wire. As he cannot reach home until sometime tomorrow, the body of the child has been embalmed and arrangements for funeral deferred until he arrives. The bereaved parents and relatives have the deepest sympathy for every one in the community in the great sorrow that has so suddenly come upon them.

### Young Women

The entry into womanhood is a critical time for a girl. With her whole being undergoing a change, the seeds of female troubles are sown. Little menstrual disorders, if neglected at the time, will follow the woman all her life and grow into fatal complications. That female troubles are robbing homes and filling graveyards, proves this. Yet, irregular and painful menstruation are often permitted to go on, sapping the life and energy, while Wine of Cardui, the positive relief for these ills, is on the shelf of every drug store. Wine of Cardui helps the maiden sustain the shock of puberty by inducing a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Wine of Cardui is an emmenagogue of great power, and works wonders in strengthening the delicate and sensitive female organs. Many young women owe their lives to Wine of Cardui. No woman should give up hope until she has given Wine of Cardui a trial. If thousands have secured relief through it, why not you?

### WINE OF CARDUI

Tully, Kas., Feb. 24, 1899.  
I have suffered untold pain at menstrual periods for a long time; was nervous, had no appetite, and lost interest in everything; in fact was miserable. I have taken four bottles of Wine of Cardui with Black-Draught when needed and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me.

#### Gave Him the Jump.

Tuesday afternoon Sheriff O. W. Harrington went over in Carolina township and arrested a negro. On his way back to town, and when about to cross Grindle Creek, the negro jumped out of the buggy and notwithstanding his hands were tied and the Sheriff shot him five times, he got away. The Sheriff came on to town after bloodhounds and went back to try to run the negro, but he had gone in the swamp where there was so much water the hounds could not trail.

Burned Her Son's Tongue as a Cure for Lying.

Elizabeth Bizzard, colored, was convicted here to-day of having thrust a red hot iron poker into the mouth of her seven year-old son Daniel, because the little fellow had been guilty of telling a falsehood.

According to her own admission the woman deliberately heated the implement over a coal-oil lamp and forcing the boy's mouth open, held it against his tongue for several seconds, burning him frightfully. She was sent to jail for six months and fined \$50. The boy will probably recover.—Baltimore Dispatch, 17th.

Do You Believe In Signs

If you put a sign on the fence or tree or side of the house people must go to it to read it, hence few read it.

SEND YOUR SIGN TO

the people by putting it in

## THE REFLECTOR
