Ten Cent Averages.

It takes a good knowledge of tobacco and plenty of hard work for a warehouseman to have a 60,000 pounds sale and bring the average, even including scrap, up to 10 cents all through. However, it has been done right here on the floor of the Liberty Warehouse, and the cold figures bear it out. On Tuesday of last week the Liberty sold 60,867 pounds for \$6,060.29, on Monday of this week 45,901 pounds for \$4,335.97 and on yesterday 60,876 pounds for \$6,078.91. These sales can't be beat by any warehouse in the State. The fact is there is not a better equipped warehouseman on any market than W. T. Lipscomb. He knows what tobacco is worth and he sets the price on every pile to which the buyers must come or they don't get it. To prove this, he buys at least one-sixth of what is sold at the Liberty rather than let it be sold under value. The warehouseman who runs sales like that is going to please the farmers, and that is why the Liberty leads the market.

Found Dead.

This morning Mrs. Jane McGowan was found dead in bed at her home in Chicod township. She was 63 years old and widow of the late Mr. W. C. McGowan. Mrs. McGowan was in Greenville Monday and Tuesday visiting her daughter, Mrs. D. W. Hardee, and doing some shopping. Among her purchases was a black dress which she said, casually, she was going to have made to be buried in. Mrs. McGowan returned home Tuesday evening and at night her daughter, Mrs. J. M. Cox and Mr. Cox, went to see her and remained until past 10 o'clock talking over some business matters. Not coming out of her room as usual this morning some of her grandchildren went to awake her and found that she was dead. Besides the two mentioned above Mrs. McGowan leaves three other children, Mr. W. K. McGowan, Mrs. John Tucker and Mrs. Sam Tucker.

Beauty is Health.

Walnut Lake, Ark., June 3, 1900.
I thank you for the benefit I received from your advice and the Wine of Cardui I took in my terrible condition. My life was no pleasure to me at all and I was of no use to anybody. After receiving your advice and medicine I commenced taking it and began immediately to improve. The pains left me and the menses, which came at the correct time, continued three days. I have gained strength and my weight has increased. My husband says the medicine has made me better looking than ever before.
Mrs. LIZZIE MANNELL.

Womanly health means bright eyes, rosy cheeks, clear complexion and elasticity of form. This is the youth unmeasured by years—the beauty of perfect womanhood. Beautiful women are happier and get more out of life than their sisters whose faces indicate suffering. Wine of Cardui made Mrs. Mannelle "better looking" and infinitely happier because it cured her of those terrible pains. But she is no exception.

WINE OF CARDUI

is giving thousands of women health, beauty and freedom from the dragging pains which made their lives so miserable. Wan faces, haggard eyes and emaciated forms are the results of suffering. What suffering can compare with the torture of irregular menstruation, leucorrhoea and falling of the womb! Beauty flees quickly before the ravages of such disease. The sharp pains of falling of the womb deepen the crow tracks in the face. Menstrual irregularities rob the eye of its fire and the complexion of its transparency. Leucorrhoea drains the body of its strength, but Wine of Cardui restores the natural beauty, brightens the eye, clears the complexion, rounds out the figure and brings back the vigor of health. Every drugget in this city handles \$1.00 bottles of Wine of Cardui.

Improving Rapidly.

The latest news from President, McKinley today is that his wounds are healing nicely and he is improving rapidly. Danger has passed and there is no more fear of his recovery.

Enlarging.

The American Tobacco Company is building a large annex 80x150 feet to its factory here to be used for storage room. Mr. Burwell Reddick, of Suffolk, is in charge of the work.

From Five Counties.

At the Farmers Warehouse today there was tobacco from every section contiguous to the Greenville market. Five counties were represented on the floor and every seller was highly pleased with prices. Joyner stands right up to every pile sold at the Farmers and makes it bring full value.

Fun For All.

Mr. "Pig" Forbes is about the happiest man on the Greenville tobacco market. A large phonograph has been put in the Farmers Warehouse to entertain the farmers who come to stay over night, and there is nothing that pleases him better than to manipulate the machine and make it turn out songs and speeches to amuse the crowd.

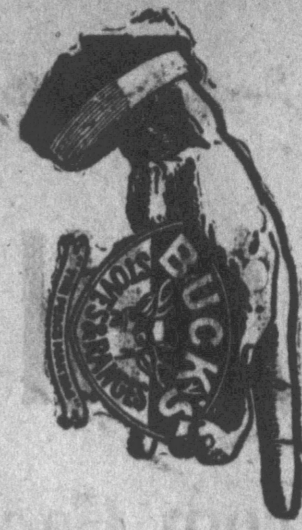

Death to Anarchy.

Buffalo, N. Y., Sept. 9.—William J. Bryan today telegraphed the Times as follows:

Free governments may be overthrown but they cannot be reformed by those who violate the commandment: 'Thou shalt not kill.' Under a Government like ours every wrong can be remedied by laws and the laws are in the hands of the people themselves. Anarchy can neither be excused nor tolerated here. The man who proposes to right a public wrong by taking the life of a human being makes himself an outlaw and cannot consistently appeal to the protection of the Government which he repudiates. He invites a return to a state of barbarism in which each one must at his own risk defend his own rights and avenge his own wrongs. The punishment administered to the would-be assassin and to his co-conspirators, if he has any, should be such as to warn all inclined to anarchy that while this is an asylum for those who love liberty, it is an inhospitable place for those who raise their hands against any form of government.

The people who never pay their debts seem to regard this as the land of promise.
