OUR RALEIGH LETTER.

Special Correspondent of Reflector.

RALEIGH, N. C., Oct. 21.

My! but this is going to be a great week for North Carolinians in Raleigh—and a big percentage of them will participate in the festivities of the occasion. Our old friend, the State Fair, is with us again in all its pristine glory.

NO NEW RURAL DELIVERY ROUTES TILL JANUARY.

It had been expected that October would witness the inauguration of the free rural mail delivery service over the new routes secured by the Congressmen from this and several other districts in this State, carriers having been appointed and bonded in a number of instances. But Congressman Pou of the Fourth District has just received a letter from Superintendent Macheu of the free rural delivery service stating that no new routes can be put in operation before January 1, 1902. We'll get 'em then, or soon thereafter. In the meantime there should be a hustle to secure a large number of additional routes.

DIVISION OF CONFEDERATE PENSION MONEY.

The \$196,394 of pension money which the State of North Carolina will pay under the new act will be divided as follows between the several classes of Confederate pensioners: First class, \$62 a year, number 117, amount \$7,244; second class, \$50, number 275, amount \$13,750; third-class, \$40 a year, number 535, amount \$21,400; fourth class and widows, \$40 a year, amount \$154,000; grand total, \$196,394.

VARIOUS MATTERS OF INTEREST.

Governor Aycock will, beginning November 1st, deliver a number of addresses on education in some of the Eastern counties. So far he has made four appointments for Hyde county.

The dining of President Roosevelt and Booker Washington (the noted negro and educator) at the White House together last week has caused a shiver of disgust to run up and down the spinal columns of those enthusiasts who were throwing up their hats for "Teddy" on account of the Judge Jones (Democrat) appointment and the remembrance of his Southern mother and her alleged "unreconstructed" record. To think that their ideal should go and kick their "sloping over" bucket-full of adulation so early in the game by actually "dining with a 'nigger'!" Phew! My lords and ladies—"go 'way back and sit down!"

The last of the North Carolina claims against the United States on account of expenditures incurred by citizens of this State during the Spanish war were paid during the past week, amounting to \$9,794, making a total of claims paid of \$30,405. Only \$800 worth of claims was rejected.

The striking of the name of John Brown from the list of "great men" to be studied by the pupils of the Asheville graded schools is generally approved. Professor Tighe was forced to take this action by public sentiment.

The war-horse "Choctaw" presented to General Fitzhugh Lee by Colonel Benehan Cameron and used by the former as his charger during the Spanish-American war,

P'S --AND-- Q'S

We are at this writing, and have been for some time attending right to our P's and Q's in order to be able to show our patrons a line of

Fall and Winter Suits

that's different—that is different in style, in make and in price, from the suits nearly every store has.

Our spread is ready and you are invited in to see it. Every style that fashion has smiled upon is here, and every suit—as it comes to us goes to you, at a bargain.

THE SWELL DRESSER comes here for his swell suit.

THE CONSERVATIVE MAN comes here for his well made—good looking, conservative suit.

THE MAN WHO CONSIDERS PRICE comes here to get the most for his money and NONE go away dissatisfied.

FRANK WILSON,

CLOTHIER, FURNISHER, HATTER.

has just been returned to Colonel Cameron, as General Lee now has no opportunity to use him, with a graceful note of thanks and compliments for the noble animal. "Choctaw" is in Raleigh this week. Senator Ward's mandamus case to compel the Corporation Commission to tax railroad property anew, appealed to the Supreme Court, has been placed at the end of the docket, at the request of Attorney-General Gilmer, and will not be heard till about December 15th. LLEWXAM.

A Plea for Single Beds.

Two in a bed is the custom of sleeping in the United States, at least, and also in Canada and England. But in Germany and France single beds are the rule. The latter plan is more healthful and comfortable. It is gradually coming into use in this country. Single beds involve more linen, more work in making beds and more washing, but I never knew a family to return to the old plan after once giving single beds a fair trial. Especially in summer is the single bed to be preferred or even sleeping on the floor, to two in a bed. Many families declare they never knew what comfort was during the hot summer nights until they adopted the single beds. I might add a word of protest against allowing babies or young children to sleep with old people. The latter certainly draw upon the vitality of the former. This is probably true as between any bedfellows one of whom is sickly or less strong than the other. Consumption and other diseases have often been communicated from one bedfellow to another.—Good Housekeeping.

Rural Postmaster Says They Don't Want Free Delivery.

The rural free delivery branch of the Postoffice Department is in constant receipt of humorous epistles from country correspondents and fourth-class postmasters who do not excel in spelling. One of the most original with respect to spelling was received today from a postmaster in Georgia whose office will be discontinued on account of the establishment of the rural free delivery service in that State. Attached to the letter is a petition, which is signed with 150 names, all in the same hand-writing. The letter is verbatim as follows:

"Poast Master General Washington DC

"Dear Sir as this Tock of Rheual free Delivery has Got up heare and somay is Dissathisfide is the cause of this Patishion Being sent to you and ef you Will Nodes you Will see that several Names Appear on Boath Pathishions and>About Nine out of Every Ten that Assign for Rheual Free Delivery Mail surves is Dissattisfide and doant Want hit and ses that they Wars Fool and Lyde in to sign the Patishion For Rheual Free Delivery.

WASHINGTON LETTER.

From Our Regular Correspondent. WASHINGTON, D. C., Oct. 19.

It is confidently predicted by people who ought to know that the President is most anxious to have Senator Lodge in the Cabinet and that he would be much relieved if Secretary Hay would kindly tender his resignation, as the portfolio that he desires to offer to Lodge.

Secretary Gage seems to be slated for retirement and it is believed that he will hand in his resignation soon after his return from the West. The friends of the new Republican machine in the South are trying to persuade the president that the cause would be greatly advanced by the selection of Senator McLaurin for a Cabinet position and it is barely possible that he may be invited to join the presidential advisory board.

Representative Overstreet of Indiana was in Washington this week and says that the President assured him that his financial bill, which will make the silver dollar exchangeable for gold, will receive Executive support. He will therefore reintroduce the bill early this session.

A number of Congressmen who have been in Washington during the Schley Court of Inquiry, which is still in progress, have expressed the opinion that irrespective of the merits of the Schley-Sampson controversy, the affair has developed the existence of a condition of af-

fairs in the Navy Department which should be investigated and it is considered extremely probable that a Congressional inquiry, which will thoroughly overhaul that department, will be next in order. The only thing that will prevent it will be the opinion by the party leaders that such a course in view of the amount of bad government it would be likely to expose, would be bad politics.

The Best Prescription for Malaria Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No cure, no Pay. Price 50c.

An Old Couple.

Mr. and Mrs. Oliver McMath, of this county, have been married longer probably, than any other couple now living in this State. They were married on the 6th of November, 1836—65 years ago next month. They were born, reared and always resided near their present home.

Mr. McMath was born on the 4th of December, 1815, so that he will be 86 years old next December, and his wife was born on the 30th of September, 1818 so that she was 83 years old last month. They are both remarkably well preserved both in body and mind. Mr. McMath, notwithstanding his extreme age is the greatest fox hunter in the county, and rides with the hounds as actively as any young man does.—Chatham Record.

You Know What You are Taking

When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply iron and Quinine in a tasteless form. No Cure, No Pay. 50c.

An observant Chicago girl, recently returned from an extensive tour of Europe, was asked what impressed her most during her stay abroad. She answered unhesitatingly that it was a picture in Mardid advertising a bull fight to be given in aid of the Society for the prevention of cruelty to animals.

FOR HARNESS and Saddle Sores Mexican Mustang Liniment is just what you need. It takes effect at once, and you will be astonished to see how quickly it heals sores.

It's this way:

You can burn yourself with Fire, with Powder, etc., or you can scald yourself with Steam or Hot Water, but there is only one proper way to cure a burn or scald and that is by using

Mexican Mustang Liniment.

It gives immediate relief. Get a piece of soft old linen cloth, saturate it with this liniment and bind loosely upon the wound. You can have no adequate idea what an excellent remedy this is for a burn until you have tried it.

Good Music.

The singing of the children at the service in the Baptist church, Sunday night, was much enjoyed by the large congregation. There are some splendid voices among the little folks and they sing well.

Steam Laundry.

Greenville is soon to have a steam laundry added to the town's enterprises. Messrs. W. L. Davis and A. L. Kirkland have located here for that purpose and are fitting up a portion of the Perkins building on Fourth street. They will be ready for work in a week or so.

Cooked Her Dolls.

Miss Lizzie Higgs, one of the girls who was awarded one of Junior Buck stoves last week, invited some of her friends around Saturday to see her cook. The fire was started up and the stove was getting good and warm, when one of the visitors asked to see inside of the oven. The oven door was opened and there was discovered inside a box of dolls, roasted and smoking. Miss Lizzie had put her dolls away inside the oven and forgot to take them out before starting the fire.
